CONTRACT DATA REQUIREMENTS LIST

(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services and Communications Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. **Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.**

16. REMARKS

Block 4/5: DI-MISC-81807 shall be used as guidance and is provided for reference. SOW Paragraph 5.3.5 is mandatory to this requirement.

Block 8: Prior notification and government approval of all Software/Firmware Change Request(s) (CDRL A004 subtitle) for each system is required by the government. Contractor shall provide a Software/Firmware Change Request to the government for review, comment, and approval no later than (NLT) 15 calendar days prior to installation of software and/or firmware revisions to any system. Government comments with or without approval will be provided to the contractor within 15 days of receipt of Software/Firmware Change Request providing information explained in DI-MISC-81807.

Block 9: DISTRIBUTION STATEMENT C. DISTRIBUTION AUTHORIZED TO U. S. GOVERNMENT AGENCIES AND THEIR CONTRACTORS TO PROTECT PUBLICATIONS REQUIRED FOR OFFICIAL USE OR FOR ADMINISTRATIVE OR OPERATIONAL PURPOSES ONLY. OTHER REQUESTS FOR THIS DOCUMENT SHALL BE REFERRED TO NAWCAD METROLOGY AND CALIBRATION OFFICE, ATTN: CALIBRATION STANDARDS MANAGER, NAWCAD, NAS PATUXENT RIVER, BLDG1403, 22113 FORTIN CIRCLE, UNIT 7, PATUXENT RIVER, MD 20670-1118

Block 10/11/12/13: Submission(s) of Software/Firmware Change Request(s) apply to both new and upgraded systems and shall be provided to the government prior to each software/firmware change to the initial operating capability (IOC) of each system. Upgraded systems are defined as systems bought under the contract that this CDRL is attached to at an earlier date whether still under warranty or not.

Block 14: Submission in contractor format is acceptable. Electronic format is preferred if in a widely available commercial document format such as MS-Excel or MS Word. Electronic submission of data is also accepted on CD-ROM. Quantity and copies shall be provided IAW CDRL distribution (Block 14). Addressee's POC information provided on CDRL supplemental page 2.
