**CONTINUATION SHEET**

A formal site visit for Proj. 20-0008, Title: Repair SWP129/130 and SWP101 is scheduled for Thursday, February 2, 2023 at 1400 EST. Participants shall meet at the Visitor Center in front of the MARSOC Gate between 1330 and 1400 EST to allow sufficient vetting time. Directions to the site location will be provided to participants upon arrival.

The MARSOC secure complex is located within Stone Bay, North Carolina. Prime contractors shall consolidate and submit the names of employees and prospective subcontractor offerors using the provided "MARSOC – Site Visit Contractor Access Roster" excel spreadsheet to scott.m.cherry.mil@us.navy.mil no later than Wednesday, February 1, 2022 at 1000 EST. Names submitted on the excel spreadsheet must be exactly as they appear on the respective participants' valid identification in order for the participant to be granted entry. Please indicate whether or not you will need a visitors pass on the excel sheet. Late submissions will not be accepted. Submissions not conforming to the provided "MARSOC – Site Visit Contractor Access Roster" excel spreadsheet will not be accepted. Participants not listed on the conforming prime contractor submitted excel spreadsheet will not be granted entry into the MARSOC compound at Stone Bay the day of the site visit.

Participants without DBIDS access are required to obtain a visitor's pass from either the MCB Camp Lejeune Visitors Center or the MCAS New River Visitors Center minimum 24 hours prior to the scheduled site visit date. Prime contractors shall indicate whether or not a participant requires a visitor's pass on the provided excel spreadsheet. A Temporary Access Request Email will be provided to prime contractor based on their excel spreadsheet submission after the submission deadline.

Contractors are required to bring the following items with them in order to be issued a visitor's pass:

1. Valid ID
2. Vehicle Registration or Vehicle Rental Agreement
3. Vehicle Insurance (for non-rented vehicles)
4. Copy of Temporary Access Request Email

Information regarding acceptable forms of identification and access denial policies can be found at this website: https://www.lejeune.marines.mil/Base-Access/Contractors/

Valid government identification and a DBIDS credential or a visitor's pass are all required for participant entry into the MARSOC compound at Stone Bay the day of the site visit. Participant entry will not be granted without the aforementioned items

All other terms and conditions remain unchanged.
