These Oxford collections are an online collection of a vast set of history and data that will be hosted by Oxford University Press and available for perpetual access upon purchase. This content is owned by Oxford University Press and cannot be acquired elsewhere.

***☒ The supplies or services must be compatible in all aspects (form, fit and function) with existing systems presently installed/performing. Describe the equipment/function you have now and how the new item/service must coordinate, connect, or interface with the existing system.***

This collection must be compatible with USNA’s Primo Discovery tool. The works themselves must contain the original information as compiled by Oxford University Press.

***☒ A patent, copyright or proprietary data limits competition.***

Oxford University Press is the sole owner and provider of the collections listed above. They sell direct, and do not license their products to be sold by other entities.
