1	X		We are looking to bid the Nez Perce-Clearwater 2019 Repairs project with the solicitation # 69056723B000004. As of a few days ago, I have been unable to pull up the mentioned project on SAM.gov. I have tried on multiple systems as well as multiple browsers. Has this project been removed, or has the solicitation number changed? When the solicitation number is entered into SAM, it states there are no projects on SAM with that number.	The project your referring to, and its solicitation number have not been changed on sam.gov. Recommend resetting the filters before searching on sam.gov.  See GSAFSD_kb_articles - GSA Federal Service Desk Service Portal for more information, and contact the Federal Service Desk at 866-606-8220 if you need additional assistance.	7/12/2023
