

# **COMBINED SYNOPSIS/SOLICITATION**

## **Cold Weather Pumping and Thawing**

This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in the Federal Acquisition Regulation (FAR) Subpart 12.6, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; proposals are being requested and a written solicitation will not be issued.

The combined synopsis/solicitation number is W912D0-23-Q-0002 and is issue as a Request for Proposal (RFP) to establish a Blanket Purchase Agreement (BPA) for the purchase of Cold Weather Pumping and Thawing at Fort Wainwright, Alaska (FWA).

The combined synopsis/solicitation document and incorporated provisions and clauses are those in effect through Federal Acquisition Circular (FAC) 2023-01, effective 30 December 2022. The DFARS provisions and clauses are those in effect 16 February 2023.

This requirement is a Total Small Business Set-Aside. In accordance with FAR Clause 52.219-6, Notice of Total Small Business Set-Aside (which applies to this combined synopsis/solicitation), offers are solicited only from small business concerns. Offers received from concerns that are not small business concerns shall be considered nonresponsive and will be rejected.

The associated North American Industrial Classification System (NAICS) code for this procurement is 562991, Septic Tank and Related Services. The NAICS Code was identified through a review of the U.S. Census Bureau's website where Used Furniture Moving was listed as a corresponding index category. The small business size standard is \$8 million.

### **DESCRIPTION OF REQUIREMENT:**

The contractor shall provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, other items, and vehicles non-personal services necessary to provide pumping and thawing of vaulted latrines and other related services, primarily during the months of September through April. The vaulted latrines are located on Fort Wainwright, Alaska, and the associated Yukon Training Areas. See PWS building locations.

### **PLACE OF PERFORMANCE:**

The period of performance shall be for one base year and 2 option years. The period of performance is as follows:

**PERIOD OF PERFORMANCE:**

The period of performance (POP) shall be as follows:

<b>Period</b>	<b>Period Start Date</b>	<b>Period End Date</b>
Base Year	10 March 2023	9 March 2024
Option Year 1	10 March 2024	9 March 2025
Option Year 2	10 March 2024	9 March 2026

**Description of Agreement:**

The services under this BPA shall be on a case by case basis and stipulated on individual calls issued against the BPA. Required services will be pumping and thawing, maintenance, and/or waste disposal which will be performed on locations where the requested service is needed in accordance with the terms of each BPA Call and following the specifications in the PWS and all applicable local, state and federal laws and regulations. See PWS for the designated locations on Fort Wainwright and Training areas.

The contractor is responsible for conducting business, between the hours of 8:00 AM and 5:00 PM, Monday thru Friday, except federal holidays or when the government installation and/or training area is closed due to local or national emergencies, administrative closings, or similar government directed closings. The contractor must at all times maintain an adequate workforce for the uninterrupted performance of all tasks defined within the PWS when the government installation and/or training area is not closed for the above reasons.

The Contracting Officer Representative (COR) will notify Contracting Officer (KO) as soon as a cold weather pumping and thawing requirement is known. Completion schedule shall be determined for each incident through the COR.

The BPA will be awarded no later than March 2023 and successful offerors must be able to provide services starting no later than March 2023.
