The Government intends to award a single purchase order on the basis of the lowest priced, technically acceptable quote meeting or exceeding the acceptability standards for all the below listed technical and past performance factors. Each technical factor below has a submission requirement that must be included with the quote.

#### Technical Evaluation Factors

The narrative portion of the data sheet must be clear, coherent, and prepared in sufficient detail for effective evaluation.  Altered or substituted data sheets may not be evaluated.
---	--

#### Past Performance Evaluation Factor

<b>Evaluation criteria</b>	<b>Submission Requirements</b>
<p>Evidence of successful past performance that demonstrates performance relevant to repairing Denison Gold Cup or equivalent, variable displacement piston pumps projects similar to or exceeding the work required in the PWS.</p> <p>Past performance information shall be obtained from established systems such as the Past Performance Information Retrieval System (PPIRS), Federal Awardee Performance and Integrity Information System (FAPIIS), Electronic Subcontract Reporting System (eSRS), or other databases. Past performance information may also be obtained from other sources available to the Government, such as the Defense Contract Management Agency; and interviews with Program Managers, Contracting Officers, Fee Determining Officials.</p> <p><b>NOTE:</b> In the case of an offeror without a record of relevant past performance or for whom information on past performance is not available or so sparse that no meaningful past performance rating can be reasonably assigned, the offeror may not be evaluated favorably or unfavorably on past performance (see FAR 15.305 (a)(2)(iv)). Therefore, the offeror shall be determined to have unknown (or “neutral”) past performance. In the context of acceptability/unacceptability, a neutral rating shall be considered “acceptable.”</p>	<p>Offeror’s are not required to submit any additional documentation in support of this evaluation criterion.</p>

(b) Options. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. (c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
