FOOTNOTE:

[1] 5 Percent Exceedance Discharge (Average daily discharge expected to be exceeded 2 days each month.)

[2] 25 Percent Exceedance Discharge (Average daily discharge expected to be exceeded 8 days each month.)

[3] 50 Percent Exceedance Discharge (Average daily discharge expected to be exceeded 16 days each month.)

1

NOTE:

1. Listed discharges are surface water from the upstream watershed. The estimated discharges are based on StreamStats. Discharges in the subject watershed may differ.

EXPIRES: 12/31/2024
