

ATTACHMENT--3

ADDITIONAL INFORMATION

CONFERENCE ROOM RECONFIGURATION

All commercial delivery vehicles are to enter and exit the South Gate of Randolph AFB, TX. Entry and exit times shall be between 0600 and 1800, Monday thru Friday except Federal Holidays. If necessary, use phone at gate for access. All contractors must log in and out with Security Forces.

All other vehicles are to enter and exit the Main Gate of Randolph AFB, TX. Entry and exit times shall be between 0700 and 1545, Monday thru Friday except Federal Holidays. All contractors must log in and out with Security Forces at the Visitor and Vehicle Reception Center: Pass & Registration, Bldg.# 1021 (outside the Main Gate). All contractors must have a point of contact with phone number on base prior to coming to Pass & Registration to receive a Visitor's Pass.

"SPECIAL" NOTE: Published gate operations are subject to change without prior notice during security forces responses to emergencies or other mission priorities.

All product items sold to the Government should be properly marked with manufacturer's name and part number (Commodities Only).

DOD Policy on Elimination of Use of Class I Ozone-Depleting Substances: No DOD contract awarded on or after June 1, 1993 may include a specification or standard requiring the use of an ozone depleting chemical. The supply or service being procured by this contract has been certified as a non ODC item. If, to your knowledge, the product or service contains or will require the use of ozone depleting chemicals in the performance of this contract, you are required to notify the Contracting Officer immediately.
