The purchase order will be awarded to the incumbent vendor, Clarivate Analytics LLC, for one (1) one-year base year and four (4) one-year option periods.

The subscription period is by calendar year, 1/1/2023-12/31/2023. Access is restricted to the Office of Science (3 sites.) DOE is provided with a direct link to the website which is listed on the OSTI.gov website under the pulldown tab labeled research tools via the SCE Journals link button. Access is restricted to the Office of Science. Contractor shall provide updated listings of access as changes occur throughout the subscription period. Access to the research evaluation tool is only accessible through a subscription from Clarivate Analytics LLC. Market research identified no businesses who were able to provide the required access. Therefore, Clarivate Analytics LLC is the sole source for procurement of the subscription.

The rate for the four one-year option year periods has a 1% annual escalation. The total contract amount is \$56,190.77.
