GSA Office of Fleet Management

Right Vehicle, Right Price, Great Service

and the data required to effectively and efficiently manage a fleet

AutoChoice Modernization

- AutoChoice has been redesigned on a new, modern platform. Improvements include:
 - Increased security
 - New user permissions
 - Ability to save incomplete orders for 14 calendar days
 - New report fields
 - 50 state emission and low green house gas identifiers
 - Display of estimated shipment date
 - Mobile-friendly design
 - Improved navigation and work flow
- The look may be new, but the over-all process remains the same.

GSA Office of Fleet Management

Vehicle Purchasing Division

About us:

- We leverage the government's buying power to purchase more than \$1 billion in vehicles and automotive products annually at significant savings for customer agencies.
- Contracts are awarded using full and open competition directly with the Original Equipment Manufacturers (OEMs) and their representative suppliers/dealers.
- According to 41 C.F.R. § 101-26.502, GSA is the mandatory source of supply for the purchase of all new non-tactical vehicles for all federal executive agencies and the Department of Defense.
- ADM Order 4800.2I authorizes other eligible users that may procure vehicles using GSA contracts.

Benefits of using AutoChoice:

- Permits various levels of user rights defined by Agency Fleet Managers.
- Configure vehicles and choose optional equipment.
- View side by side comparisons of vehicle models from vendors.
- Calculate total price.
- View miles per gallon fuel ratings and green house gas rating.
- Submit your vehicle orders online.
- Check vehicle order status online.
- Professional contracting teams.
- Professional engineering services including technical assistance and vehicle design services.
- Dedicated Customer Support team.

AutoChoice is open for FY18. Sedan, Pickup, and SUV contracts have been awarded. AutoChoice is only displaying vehicle makes/models with confirmed. More makes and models will populate in Autochoice as this information is confirmed.

Please refer to the Vehicle Availability Listing (VAL) in AutoChoice for vehicle close-out dates. You can view the VAL by placing your cursor over the 'Place selecting 'Vehicle Availability' from the drop down menu. Important Note: General Motors has provided an early close-out date of October 11, 2017, for 49D. There will be no New Model Year (NMY) offered for these line items.

We look forward to another year of assisting you with all your vehicle needs. As always, if you need assistance, please contact us on the CARS line at our

In-active or Locked Account

- If your account has been de-activated or if the password reset will not work for you, send an email to vehicle.buying@gsa.gov providing your AutoChoice User Name, First Name and Last Name. Note that GSA automatically de-activates accounts that have not been accessed in over two years.
- Our customer service team will review your request and if everything looks ok, your account will be reactivated.
- When your account is reset, our system will automatically generate an email to the email address stored in your user profile. The email will contain a randomly generated temporary password that is good for only 5 calendar days.
- Log into AutoChoice with your User Name and generated password from the email.
- AutoChoice will then force you to the User Profile page to create a new password.

AutoChoice User Rights

- When you register for AutoChoice, you will automatically have level 2 rights to view and create pending orders. However you will not automatically have rights to submit orders to GSA.
- User rights are determined and administered by your Agency Fleet Manager or their designee. If you are unsure of your Agency Fleet Manager or designee, contact vehicle.buying@gsa.gov.
- Agency Headquarters rights can only be granted by GSA. If you are an Agency-level Fleet Manager please contact your GSA Fleet Customer Care representative or email vehicle.buying@gsa.gov.

Before you Begin

- Vehicle orders are placed using FEDSTRIP/MILSTRIP data for payment purposes
 - Agencies will be billed based on the AAC or DODAAC provided on each order (see slides 28 and 29)
 - Requests for DoDAACs or Activity Address Codes (AAC) are firmly controlled, and can only be forwarded by the designated ordering official from your Agency.
 - For more information, visit <http://www.gsa.gov/portal/content/103940> then click on “How do I request an Activity Address Code (AAC or DoDAAC)” or
 - Email ordermgmt@gsa.gov
 - Phone (800) 927-7622
- We cannot accept credit cards as payment.
- GSA Fleet does not purchase used vehicles.
- With the exception of our Express Desk program, GSA Fleet does not purchase pre-built vehicles sitting on dealer lots.
- Your vehicle order will be sent to the appropriate manufacturer for production and built to your specifications.

Vehicle Selection

Start your order by using one of the two methods to select a vehicle:

- Quick Selection - if you already know the standard item number.
- By Type - expand categories to view types of vehicles available.

The screenshot shows a web interface for vehicle selection. At the top, there is a navigation bar with 'Home', 'Place Orders', 'ByType', and 'Sedans'. On the left, a 'By Type' sidebar lists various vehicle categories, with 'Sedans and Station Wagons' highlighted. The main content area features a 'Quick Selection' search bar containing the text '5A - 4X4 SUV, SUBCOMPACT, 2 DR, 4 PASS, MIN 4500 LBS GVWR' and a 'Go' button. Below the search bar, a table titled 'Sedans' lists various vehicle models with their standard item numbers and descriptions. The table has two columns: 'Std Item' and 'Description'. The row for item 8E is highlighted in blue.

Selecting a Dealership

- Only applicable for sedans and light trucks.
- Dealer delivery is the default delivery type for sedans and light trucks.
- Excludes orders with option CNS or other delivery options.
- Use the dropdowns to select a dealership location for delivery.
- If you do not specify a dealer, the vendor will choose one based on your delivery address.
- The dealership delivery program is a contract between the vehicle manufacturer and the dealership. Not all US dealerships participate in the delivery program. Dealerships wanting to participate will need to sign up with the manufacturer.

The screenshot shows a web interface for selecting a dealership. A main window titled "Dealership" contains a "Find Dealership" button. A modal window titled "Dealership Locator" is open, featuring the following fields:

- State: Alabama (dropdown menu)
- City: ALBERTVILLE (text input)
- Dealer/Street: - Select - (dropdown menu)
- Dealer Name: (text input)
- Address: (text input)
- City: (text input)
- State: (text input)
- Zip: (text input)
- Country: (text input)
- Phone Number: (text input)

A tooltip labeled "Dealer Select Box - State" is positioned over the "Dealer/Street" dropdown. At the bottom of the modal are three buttons: "OK", "Blank Dealer", and "Cancel".

AREQ (Additional Requirements) – If Selected

- AREQ (Additional Requirements) is an option code available for selection on the Optional Equipment page. The AREQ option code allows customers to request specific equipment not listed in the optional equipment list. Selection of AREQ will result in the manual processing of your order. Do not use AREQ to list any of the following: 1) GSA minimum requirements, 2) manufacturer standard equipment, 3) internal agency data, or 4) vendor selection. AREQ cannot be used to request makes/models not offered in AutoChoice or to request AutoChoice options already shown as not available by the manufacturer. Please list AREQ requirements concisely and include enough information for GSA to obtain valid pricing.
- If you choose AREQ on the Optional Equipment page, you will be required to upload a file describing your AREQ

AREQ Description File Manager « Previous

● Agency Order Number: 19371921

AREQ upload file: No file chosen

★ Instructions:

1. You are required to upload a file describing your Additional Requirements before finalizing your order.
[Read More](#) ▼
2. You may upload multiple files, however the combined size of all AREQ files cannot exceed 4 mega bytes. Filename will be converted acceptable system files. All special characters will be removed. Valid Filename characters would be "ABCDEFGHIJKLMNOPQRSTUVWXYZ1234567890_".
3. File types supported include Word, Excel, Text, PDF, jpeg, etc.
4. Editing the file requires re-uploading the edited file to replace the original file. All uploads of previously loaded files will over-write the previous file.

Pending Orders

- Holds your pending orders waiting to be finalized. It is divided into two sections:
 - Standard AutoChoice orders
 - Special Orders such as Non-Standards, Multiple Award Schedules (MAS) and Express Desk
- Access pending orders to make edits.
- Copy a pending order to create a new order (Reminder: Make applicable updates to the new order).
- Incomplete Orders are marked with a yellow warning icon. You must finish updating Requisition Details within 14 calendar days or it will be automatically deleted by GSA.
- Orders with completed Requisition Details will remain until they are finalized or deleted by the customer.
- IMPORTANT: If you do not have ordering rights, you must contact your authorized ordering contact at your agency and let them know that you have orders ready for their review.

Important Information Before you Place an Order

- Only users that have been granted ordering rights by their Agency Headquarter Fleet Manager or designee will be able to submit an order to GSA.
- Funds must be available at the time the order is submitted.
- Once an order is submitted, funds are considered obligated to GSA.
- If funds are not available at the time of submission, your agency will be in violation of the Anti-Deficiency Act.
- Please ensure your order is correct before submitting. Once submitted, the orders go quickly to the vendors and changes cannot be made.

Finalize Pending Orders – Submit to GSA

- If you have been granted ordering rights by your Agency Fleet Manager:
 - In the “Order Now” column, check off the orders you are ready to submit.
 - Click on the “Finalize Selected Pending Orders” button.

Important Information After you Place an Order

- Customers will receive an AutoChoice Order acknowledgment by email. If you notice any discrepancies with your order, contact [\(844\) 472-1200](tel:8444721200) as soon as possible.
- Customers are responsible for obtaining license plates through UNICOR.
- After a vehicle is shipped, vendors submit their invoices to GSA Finance.
- GSA Finance validates the invoice and pays the vendor.
- GSA Finance then invoices the customer agency based on the Activity Address Code, BOAC or DODDAC provided on the initial order.
- Most GSA customers will be billed through IPAC.
- You will not receive a paper invoice. GSA's Vendor and Customer Self Service (VCSS) replaced paper bills in January 2014.
- Please register for VCSS (vcss.ocfo.gsa.gov) to keep track of your invoices for vehicle purchases.

Motor Vehicle Delivery Order (MVDO)

- The MVDO is created when the requisition is submitted through AutoChoice. Most MVDOs are sent to the vendor the next business day. There are exceptions, such as when an MVDO requires Engineering or Contracting Office review.
- Copies of the MVDO will be emailed or faxed to the addresses listed in the requisition and delivery blocks of your vehicle order.

To print additional copies of an MVDO:

- Select “Motor Vehicle Delivery Order” under the “Your History” tab at the top of the AutoChoice.
- Enter the requested information and click “submit”.
- If you select by Case Number, enter the last 5 digits of the RPN number. Example RPN-N-AB123 would be entered as “AB123”.
