Beginning October 1, 2023, when NOAA implements the Department of Commerce Business Applications Solution, the Contractor must submit payment requests electronically through the U.S. Department of the Treasury's Invoice Processing Platform (the IPP) System. The Contractor must use the IPP website to register, access, and submit payment requests. The IPP website address is <https://www.ipp.gov>. ## **NAM 1330.237-72 CONTRACTOR ACCESS TO NOAA FACILITIES (SEPT 2017)**

- (a)
  - 1. The performance of this contract requires employees of the prime contractor or its subcontractors, affiliates, consultants, or team members ("contractor employees") to have access to and to the extent authorized, mobility within, a NOAA facility.
  - 2. NOAA may close and or otherwise deny contractor employees access to a NOAA facility for a portion of a business day or longer for various reasons including, but not limited, to the following events:
    - i. Federal public holidays for Federal employees in accordance with 5 U.S.C. 6103;
    - ii. Fires, floods, earthquakes, and unusually severe weather, including but not limited to snow storms, tornadoes, and hurricanes;
    - iii. Occupational safety or health hazards;
    - iv. Lapse in Appropriations; or
    - v. Federal Statute, Executive Order, Presidential Proclamation, or any other unforeseen reason.
  - 3. In such events, the contractor employees may be denied access to a NOAA facility that is ordinarily available for the contractor to perform work or make delivery, as required by the contract.
- (b) In all instances where contractors are denied access or required to vacate a NOAA facility, in part or in whole, the contractor shall be responsible to ensure contractor personnel working under the contract comply. If the circumstances permit, the contracting officer will provide direction to the contractor, either directly or through the Contracting Officer's Representative (COR), which could include continuing on-site performance during the NOAA facility closure period; however, if Government oversight is required and is not available, on-site performance shall not be allowed. In the absence of such direction, the contractor shall exercise sound judgment to minimize

unnecessary contract costs and performance impacts, for example, performing required work off- site if possible or reassigning personnel to other activities if appropriate.

(c) The contractor shall be responsible for monitoring the Office of Personnel Management at opm.gov, the local radio, television stations, NOAA web sites, and other communication channels. Once the facility is accessible, the contractor shall resume contract performance as required by the contract.

(d) For the period that NOAA facilities were not accessible to contractors who required access in order to perform the services, the contracting officer may—

1. Adjust the contract performance or delivery schedule for a period equivalent to the period the NOAA facility was not accessible;
2. Forego the work; or
3. Reschedule the work by mutual agreement of the parties.

(e) Notification procedures of a NOAA facility closure, including contractor denial of access, are as follows:

1. The contractor shall be responsible for notification of its employees of the NOAA facility closure to include denial of access to the NOAA facility. The dismissal of NOAA employees in accordance with statute and regulations providing for such dismissals shall not, in itself, equate to a NOAA facility closure in which contractors are denied access. Moreover, the leave status of NOAA employees shall not be conveyed or imputed to contractor personnel. Accordingly, unless a NOAA facility is closed and the contractor is denied access to the facility, the contractor shall continue performance in accordance with the contract.
2. Access to Government facilities and resources, including equipment and systems, will be limited and personnel necessary to administer contract performance may not be available. Generally, supply and service contracts that are funded beyond the date of the lapse in appropriation and do not require access to Government facilities, active administration by Government personnel or the use of Government resources in a manner that would cause the Government to incur additional obligations during the lapse in appropriation may continue. If a delivery date for a contract falls during the period of a lapse in appropriations, Government personnel may not be available to receive delivery. Contractors are directed to consult with a contracting officer before attempting to make a delivery. Contracting officers will be available throughout the lapse in appropriation period to provide guidance. Once OMB guidance is given, CORs, in consultation with the contracting officer, will notify those contractors that are deemed by the Program Office to be performing excepted work and identify the contractor personnel requiring access to NOAA facilities. CORs will also coordinate with directly with facility management or physical security personnel at respective locations to ensure that the names of contractor personnel requiring access to Government facilities during the lapse in appropriations are provided to physical security personnel. Contractors who are not designated as performing excepted work are not allowed access to Government facilities or to utilize Government resources in a manner that would incur any additional obligation of funding on behalf of the Government during the lapse in appropriation.
3. Unless otherwise specified within the contract award, contractors requiring access to NOAA facilities outside normal business hours or outside the normal workweek shall submit a written request in writing through the COR to the contracting officer. The written request shall provide justification supporting the required access and be submitted \_\_\_\_\_ hours/days (contracting officer insert number of days. If blank, 72 hours applies) before access to the NOAA facility is needed.

(End of Clause)

(b) Payment will be based on receipt of a proper invoice and satisfactory contract performance and guidelines in FAR 32.9, Prompt Payment. To constitute a proper invoice, the contractor's invoice shall be prepared in accordance with, and contain all elements specified in FAR 52.212-4(g), "Invoices".

- (d) The Contractor will submit invoices to the GPOC stating the hours worked, the task and/or equipment purchases made. A final invoice should be submitted with the final report, and will be paid when the final report and all tasks are reviewed and deemed to be complete by the Agency.
- (e) The Government will return invoices that do not comply with these requirements. If the invoice does not comply with FAR 52.212-4(g), "Invoices", the GPOC will return it to contractor within seven days after the date the designated office received the invoice along with a statement as to the reasons why it is not a proper invoice.

(End of Clause)

**NAM 1330-52.243-70 REQUESTS FOR EQUITABLE ADJUSTMENT (OCT 2017)**

- (a) The amount of any request for equitable adjustment to contract terms shall accurately reflect the contract adjustment for which the Contractor believes the Government is liable. The request shall include only costs for performing the change. All indirect costs included in the request shall be properly allocable to the change in accordance with applicable acquisition regulations.

## **NOAA ACQUISITION AND GRANTS OFFICE OMBUDSMAN (OCT 2022)**

(a) The NOAAAGO Ombudsman is available to organizations to promote responsible and meaningful exchanges of information. Generally, the purpose of these exchanges will be to:

1. Allow contractors to better prepare for and propose on business opportunities.
2. Advise as to technologies and solutions within the marketplace that the Government may not be aware of, or is not fully benefiting.
3. Identify constraints in transparency.

(b) The AGO Ombudsman will objectively, reasonably, and responsibly collaborate with parties and recommend fair, impartial, and constructive solutions to the matters presented to him/her. Further, the AGO Ombudsman will maintain the reasonable and responsible confidentiality of the source of a concern, when such a request has been formally made by an authorized officer of an organization seeking to do business with, or already doing business with NOAA.

(c) Before consulting with the AGO Ombudsman, interested parties must first address their concerns, issues, disagreements, and/or recommendations with the respective contracting officer for resolution. However, direct access to the AGO Ombudsman may be sought when an interested party questions the objectivity or equity of a contracting officer's decision, or when there is a bona fide reason to believe that reasonable, responsible, and objective consideration will not be received from an assigned contracting officer.

(d) There are several constraints to the scope of the AGO Ombudsman's authority, for instance:

1. Consulting with the AGO Ombudsman does not alter or postpone the timelines of any formal process (e.g., protests, claims, debriefings, employee employer actions, activities involving A76 competition performance decisions, judicial or congressional hearings, or proposal, amendment, modification or deliverable due dates).
2. The AGO Ombudsman cannot participate in the evaluation of proposals, source selection processes, or the adjudication of protests or formal contract disputes.
3. The AGO Ombudsman is not authorized to generate or alter laws, judicial decisions, rules, policies, or formal guidance.
4. The AGO Ombudsman is not authorized to develop or alter opportunity announcements, solicitations, contracts, or their terms or conditions.
5. The AGO Ombudsman cannot overrule the authorized decisions or determinations of the contracting officer.
6. The AGO Ombudsman has no authority to render a decision that binds AGO, NOAA, the Department of Commerce, or the U.S. Government.
7. The AGO Ombudsman is not NOAA's agent relative to the service of magistrate or judicial process and cannot be used to extend service of process to another party (whether federal, public, or a private entity).

(e) After review and analysis of a filed concern or recommendation, the AGO Ombudsman may refer the interested party to another more suitable Federal official for consideration. Moreover, concerns, disagreements, and/or recommendations that cannot be resolved by the AGO Ombudsman will need to be pursued through more formal venues.

(f) The AGO Ombudsman is not to be contacted to request copies of forms and/or documents under the purview of a contracting officer. Such documents include Requests for Information, solicitations, amendments, contracts, modifications, or conference materials.

(g) Questions regarding items (a) through (f) within this language shall be directed to [ago.ombudsman@noaa.gov](mailto:ago.ombudsman@noaa.gov).

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the *simplified acquisition threshold*.) The *offeror* certifies, to the best of its knowledge and belief, that the *offeror* and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for *debarment*, or declared *ineligible* for the award of contracts by any *Federal agency*;

(2) ☐ Have, ☐ have not, within a three-year period preceding this *offer*, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of *offers*; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this *offer*, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at [9.104-5\(a\)\(2\)](#) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment*. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples*.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. *Should* the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to

contest the liability. This is not a delinquent tax because it is not a final tax liability. *Should* the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at [22.1503\(b\)](#).]*

(k) *Certificates regarding exemptions from the application of the Service Contract Labor Standards* (Certification by the *offeror* as to its compliance with respect to the contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services.) *[The contracting officer is to check a box to indicate if paragraph (k)(1) or (k)(2) applies.]*

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(i) If the *offeror* does not certify to the conditions in paragraph (k)(1) or (k)(2) and the *Contracting Officer* did not attach a Service Contract Labor Standards wage determination to the *solicitation*, the *offeror shall* notify the *Contracting Officer* as soon as possible; and

(ii) The *Contracting Officer may* not make an award to the *offeror* if the *offeror* fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the *Contracting Officer* as required in paragraph (k)(3)(i) of this clause.

## **CAR 1352.213-70 EVALUATION UTILIZING SIMPLIFIED ACQUISITION PROCEDURES (APR 2010)**

The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation is the Lowest Price Technically Acceptable Offer (LPTA). Technically acceptable is defined as the offeror's ability to meet all the requirements/salient characteristics identified in the Statement of Work/Specification and the offeror's demonstrated ability to perform the contract successfully through Past Performance. Only the lowest priced offer will be evaluated for technical acceptability. If the lowest priced offer is found not to be technically acceptable, then the next lowest priced offer will be evaluated. This process will continue until a technically acceptable offer is identified; not all offers will be evaluated. The following factors shall be used to evaluate offers: (1) Technical, (2) Past Performance, and (3) Price

### **(1) Technical (Pass/Fail)**

The government will evaluate the offeror's ability and method/approach to providing all the requirements in the Statement of Work as identified in their technical section/proposal. Technical will be rated as to the extent the offeror can clearly and fully demonstrate that it has a thorough understanding of the requirements and can successfully provide the requirements. Offerors that cannot specifically address their ability and method/approach to providing all the requirements in the Statement of Work or that do not submit a Technical Section with their offer may be rejected without further consideration.

### **(2) Past Performance (Pass/Fail)**

The Government will evaluate an offeror's past performance to determine the degree to which current and previous contract efforts indicate the probability of the offeror successfully accomplishing/performing the requirements of the Statement of Work. The currency and relevancy of the information, source of the information, context of the data, and general trends in contractor's performance will be considered.

Past performance information received from the offeror shall be within the past 3 years or ongoing and be relevant to this requirement (i.e. the same or similar requirements.) Only relevant past performance will be evaluated.

### **(3) Price (Only the lowest priced technically acceptable offer will be evaluated on Price)**

The Government will evaluate price for reasonableness and award a contract to the offeror with the lowest priced technically acceptable offer. Offerors are required to provide a unit price for all items. A zero dollar figure (\$0.00) unit price means the Offeror will provide the service or supply at no charge to the Government. Unit price left blank or

annotated with something other than a dollar figure will be considered unacceptable and the Government has discretion whether to reject the offer without any further consideration.

(End of Provision)

#### **CAR 1352.215-72 INQUIRIES (APR 2010)**

Offerors must submit all questions concerning this solicitation in writing to [Chelsea.Vera@noaa.gov](mailto:Chelsea.Vera@noaa.gov). Questions should be received no later than August 23, 2023. Any responses to questions will be made in writing, without identification of the questioner, and will be included in an amendment to the solicitation. Even if provided in other form, only the question responses included in the amendment to the solicitation will govern performance of the contract.
