

STATEMENT OF WORK NIMITZ LIBRARY ONLINE ARCHIVE REQUIREMENT

A. Background

The Nimitz Library at the U.S. Naval Academy is an academic library in support a patron population of approximately 4,520 midshipman, 600 faculty, and 3,000 other staff and military personnel. To meet the academic/educational mission requirements of the Naval Academy, the Nimitz Library purchases scholarly content in the form of scholarly journals and databases. This content is an integral part of the Library's collections and services as curriculum and course development as well as midshipman and faculty research are dependent upon them.

B. Scope

In order to sustain Library performance, support and advance the educational mission of the Academy, and provide the necessary resources to sustain faculty research agendas, the Nimitz Library must own key scholarly materials in the humanities, sciences, engineering, and professions. These resources must provide the uniquely curated intellectual property necessary for the Academy's specific educational and research needs.

C. Requirements

- a. Full-text access to all Royal Society of Chemistry Journal content from 1841-2007 in online in digital format.
- b. Publisher hosts content on their servers.
- c. Articles must be indexed in the ProQuest Central Discover Index.
- d. Publisher POC should respond within one business day to all technical and content questions and problems posed by the Library's POC.

D. Deliverables

- a. Ownership rights to this digital archive:
 - i. RSC Journals Archive, 1841-2007.

E. Performance Start Date

15 Mar 2023
