### **E.3 52.212-2 EVALUATION—COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES (NOV 2021)**

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Technical Capability

Past Performance

Price

Technical and past performance, when combined, are equal to price.

(b) *Options*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

## Basis for Award

This is a competitive best value selection in which competing offerors' past performance, technical acceptability, and price will be evaluated to determine who represents the greatest benefit to the Government at a price that can be determined fair and reasonable. By submission of its offer, the offeror accedes to all solicitation requirements, including terms and conditions, representations and certifications, and technical requirements. Failure to meet a requirement or inability to perform or provide all services requested shall result in an offer being determined technically unacceptable. Offerors must clearly identify any exception to the solicitation terms and conditions and provide complete accompanying rationale. The evaluation process shall proceed as follows:

One contract award will be made to a responsible Offeror(s) whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. A comparative evaluation will be performed in accordance with FAR 13.106-2(b)(3) for basis of award. The evaluation factors are listed in paragraph two (2) below.

## Evaluation Factors

**Factor 1** – Technical Capability. This factor shall be used to assess the Offeror's ability to provide the Technical Capability and other requirements mentioned in Statement of Work under Contractor Requirements. **Please submit these documents in PDF.**

**Factor 2** – Past Performance. This factor will be used to assess an Offeror's history of successful performance on prior contracts. The contractor should provide at the minimum of three (3) reference which can validate past performance within the last three (3) years. The Government reserves the right to obtain past performance information from any available source and may contact customers other than those identified by the Offeror when evaluating past performance. Offerors without relevant past performance or for whom information is not available will have neutral past performance. **Please submit these documents in PDF.**

**Factor 3** – Price will be evaluated as a part of the evaluation. In addition, no award will be made where the price cannot be determined fair and reasonable. Please do not include pricing information in the Technical Proposal. **Please submit these documents in PDF.**

(1) [ ] Are, [ ] are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) [ ] Have, [ ] have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. Sec. 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. Sec. 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. Sec. 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).*
