

80JSC023R0003 RFP Question and Answer Part IV

Question #	File Name	Section Number	Page Number	Question	Answer
1	80JSC023R0003 USDV RFP	L.28(g)	L-61	Are Occupational Safety and Health Administration (OSHA) and Environmental data for the last three years needed for <i>all worksite locations needed</i> , or <i>only the worksite locations proposed</i> to be utilized in performance of USDV?	In accordance with provision L.28(g), <u>any and <i>all</i> environmental non-compliance correspondence is required</u> with explanatory remarks, any and all OSHA citations with explanatory remarks, OSHA 300 and 300A logs or equivalent for <u>all worksites</u> , are required.
2	80JSC023R0003 USDV RFP	-	-	Does CLIN 2A spares cost/price include future costs for the second vehicle? Is it included in the Total Evaluated Price?	CLIN 2A is included in the total evaluated price. However, CLIN 2A does not include future costs to build a second vehicle, only for a set of critical spares to support a Government order for a second USDV to be delivered to the launch site processing facility, accepted and ready to launch within two (2) years. Refer to Clause I.8, FAR 52.217-7 OPTION FOR INCREASED QUANTITY - SEPARATELY PRICED LINE ITEM (CLIN 2A CRITICAL SPARES) for specific details.
