Upon entry of their information, visiting personnel will be provided an electronic form to download, which will have an individualized barcode and alpha numeric code. The codes will be electronically sent to the visiting person's sponsor. Once in receipt of the barcode, the sponsor will email Security and Emergency Services and provide the barcode and sponsorship information. Once the visitor/contractor is vetted and approved for installation access, Security & Emergency Services will notify the sponsor that the visitor/contractor can go to the DSCR Visitor Center to obtain his/her pass.
