CCTV Setup: The tower on the left plugs into the CCTV monitors above. Both monitors are being replaced with 65" upgrades.

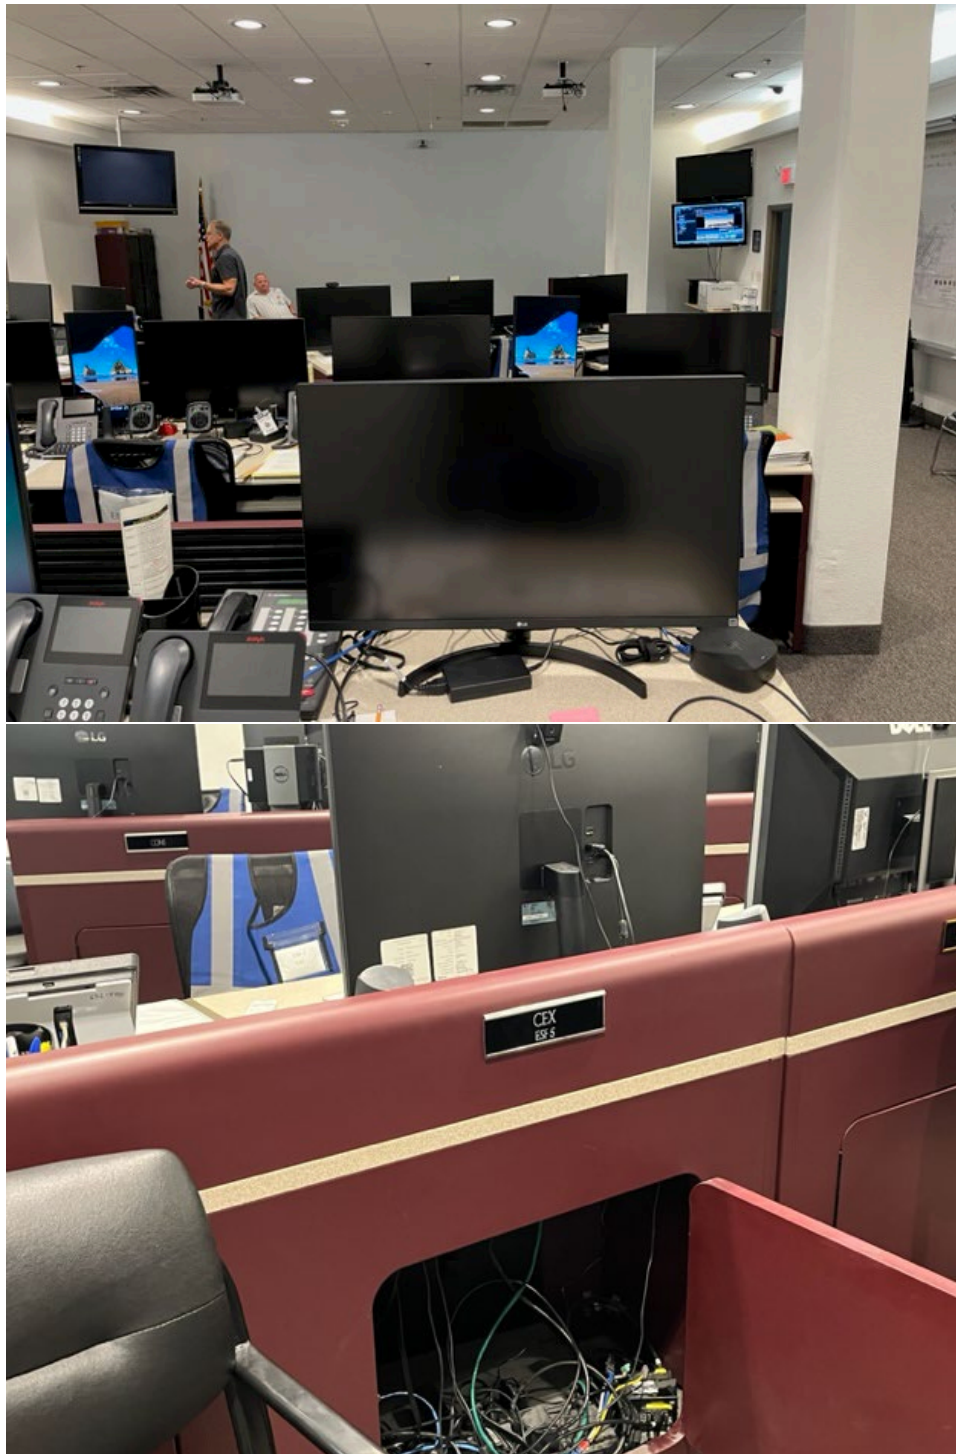

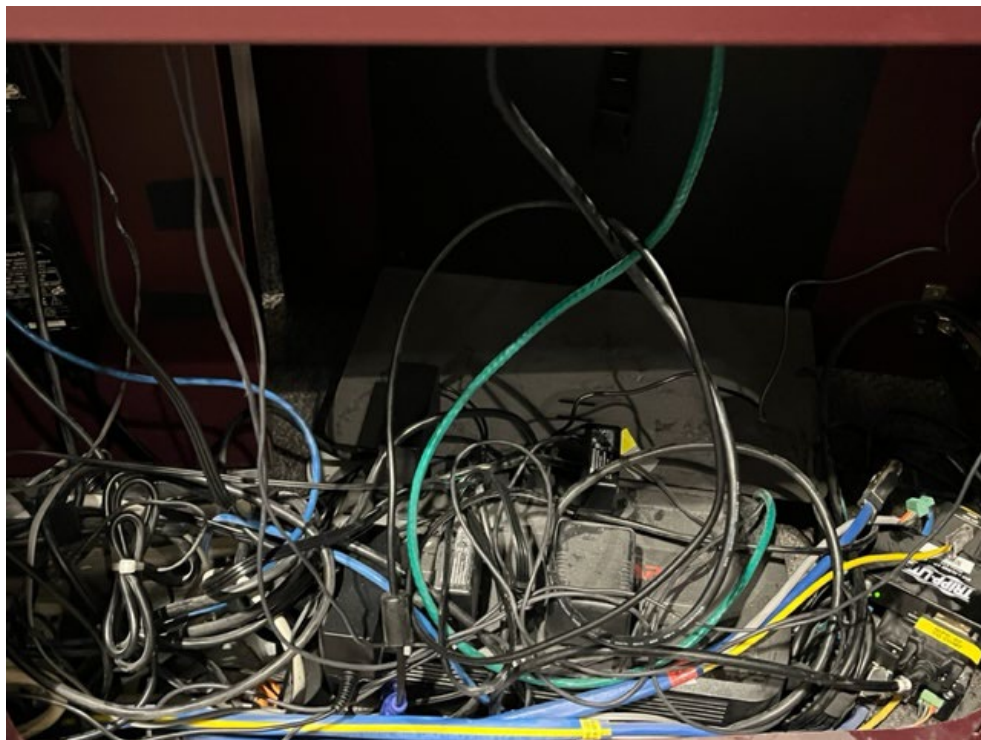

3rd Monitor: This monitor is primarily for local news channels.

Main EOC Room: This is a view of the workstations and room.

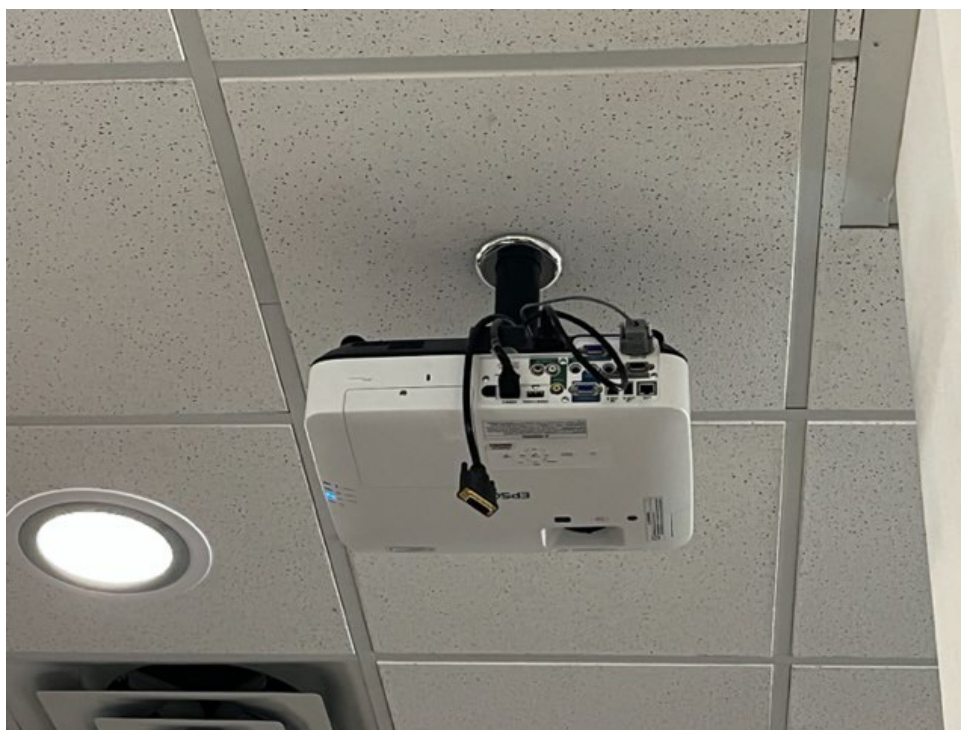

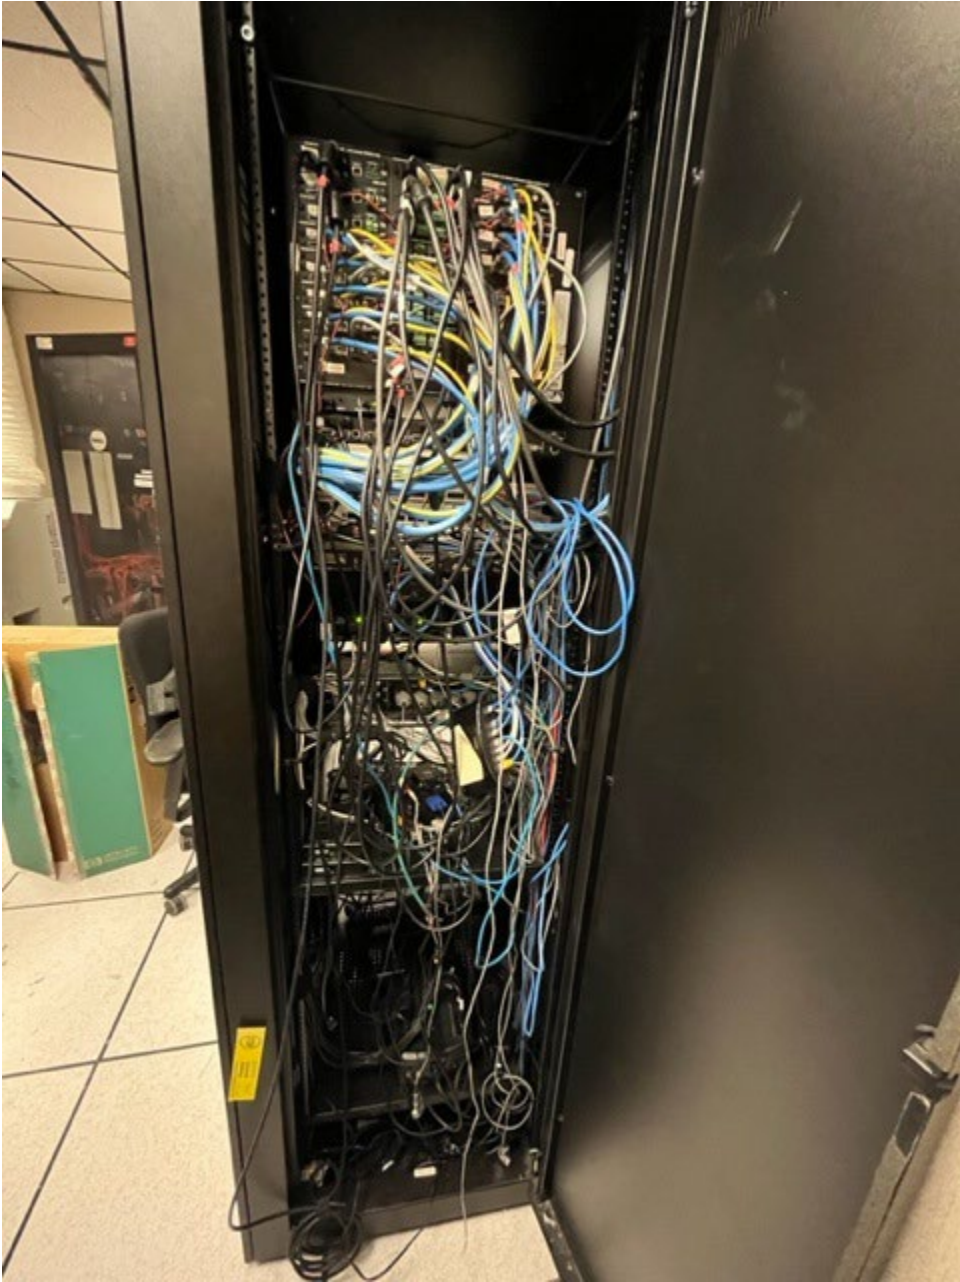

Projectors: These are the projectors currently installed along with their setup (Main Room).

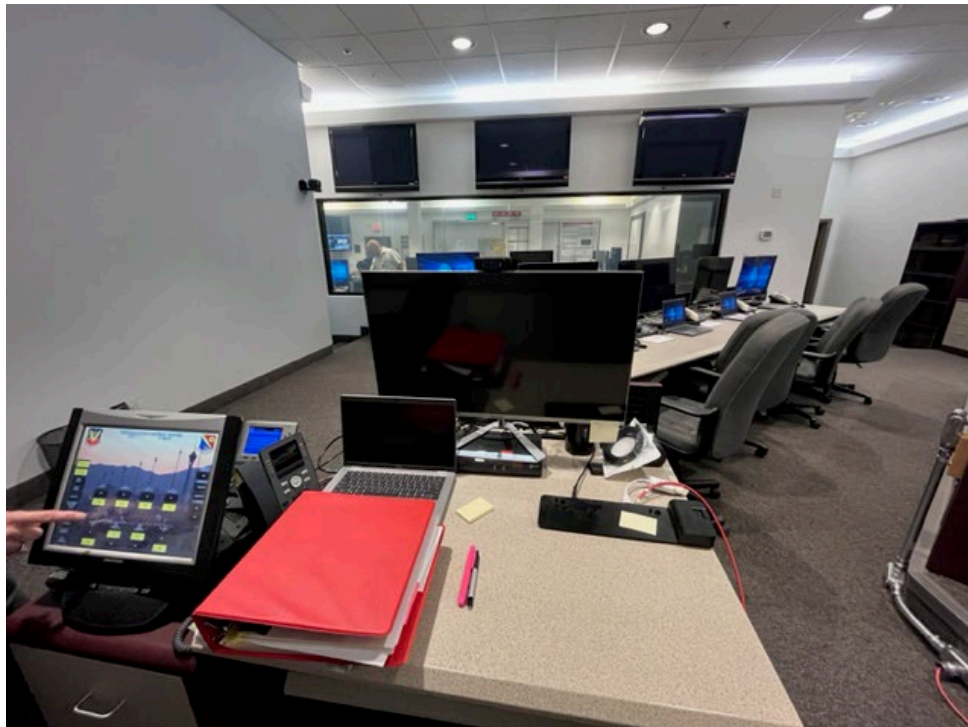

Audio: Multiple speakers throughout the room.

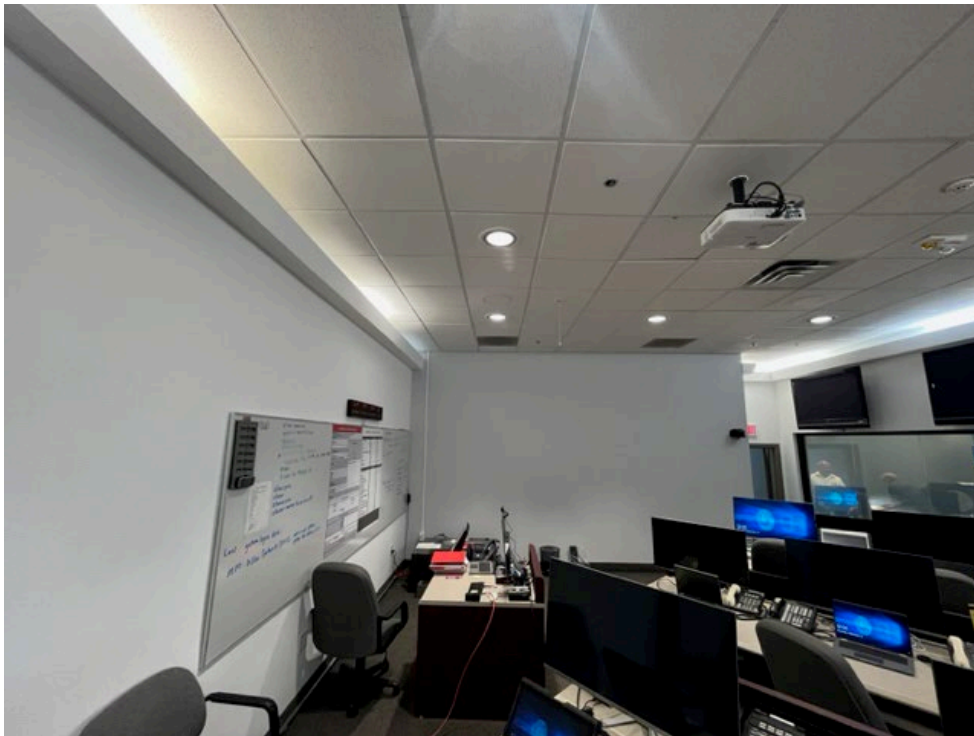

CAT: This is the Back Room setup.

Crestron Control Systems: There is one more in the Main Room EOC that is not shown.
