CONTRACT DATA REQUIREMENTS LIST

(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services and Communications Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. **Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.**

16. REMARKS

Block 4/5: DI-SESS-81526C and SOW paragraph 5.3.8 shall be used as guidance and are provided for reference. Information items in DI-SESS-81526C that are not relevant to the procured unit do not need to be included in format.

Block 8: Training Video (CDRL A007 subtitle) requires government approval. The contractor shall provide a preliminary draft of the Calibration Report of data to the Government for review, comment, and approval of the format no later than (NLT) 60 calendar days prior to initial operating capability (IOC) for each system. IOC shall be defined as the delivery date of the initial order of system(s). Government will provide the contractor with approval/disapproval of format including comments within 15 days of receipt of preliminary draft. Contractor shall provide a government approved final version with incorporated comments NLT 30 days prior to IOC for first system.

Block 9: DISTRIBUTION STATEMENT C. DISTRIBUTION AUTHORIZED TO U. S. GOVERNMENT AGENCIES AND THEIR CONTRACTORS TO PROTECT PUBLICATIONS REQUIRED FOR OFFICIAL USE OR FOR ADMINISTRATIVE OR OPERATIONAL PURPOSES ONLY. OTHER REQUESTS FOR THIS DOCUMENT SHALL BE REFERRED TO NAWCAD METROLOGY AND CALIBRATION OFFICE, ATTN: CALIBRATION STANDARDS MANAGER, NAWCAD, NAS PATUXENT RIVER, BLDG1403,

Block 10: Frequency of Training Video shall be provided for each system installed.

Block 12: Date of first submission shall be no later than (NLT) 60 calendar days prior to initial operating capability (IOC) of the first system procured.

Block 13: Date of subsequent submissions: N/A

Block 14: DvD Format is the only acceptable format. Quantity and copies shall be provided in accordance with (IAW) CDRL distribution (Block 14). Addressee's POC information provided on CDRL supplemental page 2.
