

**SOURCES SOUGHT SPECIAL NOTICE FOR**  
**P-203U Add/Repair Crash Rescue Station #2**  
**Naval Facilities Engineering Systems Command, Washington (NAVFACSYSCOM WASH)**

Notice Type: Sources Sought  
Date: 1 February 2023  
Response Date: 14 February 2023 14:00 local time  
Classification Code: D302

---

**THIS IS A SOURCES SOUGHT NOTICE ONLY. THIS IS NOT A REQUEST FOR PROPOSAL. THERE WILL NOT BE A SOLICITATION, SPECIFICATIONS, OR DRAWINGS AVAILABLE AT THIS TIME.**

The purpose of this sources sought notice is to determine if there are commercially available and interested suppliers capable of performing the services pertaining to the following and as detailed in the Specification Attachments:

**SCADA DDC Control System – Siemens Apogee**

The SCADA (Supervisory Control and Data Acquisitions) DDC (Direct Digital Controls) system is proposed for brand name sole source to Siemens Apogee series controllers and associated components. Joint Base Andrews used an integrated system comprised of Siemens equipment base wide, they do not accept any other SCADA vendor. The base does not allow any JACE Gateway transitors as a result this is the only acceptable system to be installed so its compatible. The project includes the requirement to provide and install the following components:

Siemens Apogee PXC-M series controllers.  
Siemens TX-I/O Expansion modules.

This integration requires a compatible system to be installed and Siemens Apogee is the only compatible component.

A determination by the Government to not compete this requirement, for the specific items listed below, based on the responses to this notice is solely within the discretion of the Government. Reference FAR 6.302-1(c), "Only One Responsible Source and No Other Supplies or Services Will Satisfy Agency Requirements - Application for brand name descriptions."

This is a market research tool being used to determine the availability and adequacy of potential sources prior to determining the method of acquisition and issuance of an award. The Government is not obligated to and will not pay for any information received from potential sources as a result of this synopsis.

It is requested that interested vendors submit to the contracting office a brief capabilities statement package (no more than 5 pages total) demonstrating the ability to provide the product with the specifications described above.

Interested Sources are invited to respond to this Source Sought by completing Attachment 1 – Company Information and providing product technical information:

- (1) Identification of the manufacturer's name, address, and country of product manufacture.
- (2) Fully detailed specification sheets.

(3) Narrative addressing how your product meets the salient features listed above.

The Capabilities Statement Package shall not exceed 5 pages and shall ONLY be submitted electronically to Cornelia Ruffin at [cornelia.f.ruffin.civ@us.navy.mil](mailto:cornelia.f.ruffin.civ@us.navy.mil) MUST be limited to a 4MB attachment. You are encouraged to request a read receipt or acknowledgement via reply email.

RESPONSES ARE DUE NO LATER THAN FRIDAY 14 FEBRUARY 2023 AT 2:00 PM LOCAL TIME. LATE RESPONSES WILL NOT BE CONSIDERED.
