## SUPPLY SPECIFICATIONS

**GENERAL:** Since its inception the Forest Service has utilized mules in support of the mission to which it is assigned. Certain minimum requirements have been established and the successful contractor/seller shall comply with the established parameters when supplying mules for both packing and as mounts.

The forest service is seeking to acquire approximately 10 mules. The final number will be determined by the Government at the time of award. All mules shall be guaranteed sound and gentle upon delivery. Prior to shipment, a Government representative will inspect all candidate mules for the following minimum requirements and any mules that do not meet the criteria stated shall be rejected and a replacement mule shall be supplied by the contractor at no additional cost to the Government.

**CONFORMATION REQUIREMENTS:** Mules shall weigh approximately 1000 pounds, have a height of 14.3 to 15.1 hands tall, and have good bone with a good square conformation. Feet shall be black, well shaped, free of major defects and preferably unshod for delivery. Color preference is red, black, or blonde. Maximum acceptable age is 10 years old and minimum acceptable age is 3 years old as of January 1, 2023. Both male and female mules are acceptable, but mare mules are preferred. Non freeze branded mules preferred.

**DISPOSITION/TRAINING REQUIREMENTS:** All mules shall have calm and quiet dispositions. Mules shall be broken to safely allow handling of feet and ears and must be easy to shoe. Mules shall be easily haltered without giving any indications of head-shyness or resistance to being caught. Mules shall exhibit good ground manners and remain calm when being handled and/or tied. Candidate mules shall stand still, and calm while being saddled and shall show no signs of aggressiveness or being “cinchy” during this process. All mules shall load and unload from a variety of trailers without difficulty and stand quietly while loaded. Balking will be a disqualifying factor when considering the purchase of a candidate mule. All candidate mules shall exhibit a quiet temperament and remain calm when any number of people or equipment are moving or standing around them. They must display confidence in any number of environments, including areas of unsure footing, tight enclosed or narrow spaces, moving vehicles/equipment, loud noises and/or bangs and popping sounds.

Riding mules shall stand still, and calm while being mounted and dismounted and show obvious signs of training and experience, by responding appropriately to rider’s cues and commands. Riding mules shall demonstrate a proper understanding of stopping, turning, and backing with only a light to moderate touch. The mule shall not offer to buck, bolt or otherwise harm or dismount the rider in anyway. The mule shall be trained and capable of leading a full string of mules through rough terrain. The Government’s preference is that the mule will be in the bridle, but a snaffle may be accepted if the mule meets the above criteria.

**DELIVERY:** All mules shall be delivered to the Mann Ranch at 1600 Poleta Road, Bishop, Ca 93514 on or before July 1, 2023.

**DOCUMENTATION REQUIRED:** It is the awarded contractor's responsibility to obtain and provide all required documentation for transportation across state lines.

**PHYSICAL EXAMINATION:** Upon delivery a government inspector will conduct a final inspection on all the stock to ensure the specifications have been met. A veterinarian will be onsite to conduct a vet check and determine age, health, and soundness of all stock. The Government retains the right to return a candidate mule to the contractor/seller, if after 30 days, the animal is deemed not suitable for service. This determination will be based on the selection criteria or if the mule is discovered to have a pre-existing medical problem, chronic disease or a hereditary defect that could render the mule unsuitable for service. The vendor shall replace the mule within thirty days of receipt of notice that any of the aforementioned conditions exist. This animal shall be replaced with a mule that meets all the selection criteria. The Government retains the sole right to make all determinations as to the acceptability/unacceptability of the candidate(s). The contractor/seller shall not, in any case, hold the Government responsible for the disposition of a medically or physically defective mule.

The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters* (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals-

(1) \_\_\_ Are, \_\_\_ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) \_\_\_ Have, \_\_\_ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property,

(3) \_\_\_ Are, \_\_\_ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) \_\_\_ Have, \_\_\_ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.* (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for *Listed End Products* (Executive Order 13126). (iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies-

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.
