

The government has a requirement for two (2) John Deere 5100E Farm Four Wheel Drive (4WD) Tractors and two (2) John Deere 6R120 Row Crop Four Wheel Drive (4WD) Tractors or an equivalent make/model that meets all the salient characteristics listed within the Statement of Work. The farm tractors will be used to improve grounds maintenance, and the row crop tractors will be utilized for rough terrain maintenance at the Anniston Army Depot (ANAD). This is a 100% Small Business Set Aside procurement. North American Industry Classification System Code is 333111. This solicitation will be issued electronically in accordance with FAR 4.502, 5.102(a); therefore, hardcopies will not be provided. Proposals submitted must be in electronic format as stated in the solicitation. Vendors wishing an electronic copy may download it on or after the issue date by accessing the following address via the Internet: <http://www.sam.gov>. Estimated issue date is 21 December 2022. CAUTION: This solicitation will be issued electronically as will any amendments thereto. Because of this, the Government is under no obligation and is, in fact, unable to maintain a bidder's mailing list. It is therefore incumbent upon any interested parties to periodically access the above Internet address in order to obtain any amendments which may be issued. Failure to obtain any said amendments and to respond to them prior to the date and time set for receipt of proposals may render your proposal non-responsive and result in the rejection of your proposal.
