SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

Contract Clauses

Miscellaneous text in this section has been modified to:

52.217-5 Evaluation of Options

As prescribed in [17.208](#)(c), insert a provision substantially the same as the following:

Except when it is determined in accordance with FAR [17.206](#)(b) not to be in the Government's best interests, the Government will evaluate *offers* for award purposes by adding the total price for all *options* to the total price for the basic requirement. Evaluation of *options* will not obligate the Government to exercise the *option*(s).

The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The total price of the proposal inclusive of all CLINs for the base period, all possible option periods to be exercised under FAR clause 52.217-9, and/or any possible extension under FAR clause 52.217-8 for up to six (6) months will be evaluated.

(End of provision)

52.232-13 Notice of Progress Payments.

As prescribed in 32.502-3(a), insert the following provision in invitations for bids and requests for proposals that include a Progress Payments clause:

Notice of Progress Payments (Apr 1984)

The need for customary progress payments conforming to the regulations in subpart 32.5 of the Federal *Acquisition* Regulation (FAR) will not be considered as a handicap or adverse factor in the award of the contract. The Progress Payments clause included in this *solicitation* will be included in any resulting contract, modified or altered if necessary in accordance with subsection 52.232-16 and its *Alternate* I of the FAR. Even though the clause is included in the contract, the clause *shall* be inoperative during any time the contractor's accounting system and controls are determined by the Government to be inadequate for segregation and accumulation of contract costs.

(End of clause)
