SCOTT AFB IL 62225-5015

SUBJECT: 2nd Extension of Due Date for Giant Voice System Upgrade Requirement / Change of Contracting Officer

1. The purpose of this memorandum is to explain the reason for the due date on the Giant Voice System Upgrade being extended to 10 July 2023 on sam.gov.
2. As mentioned on the last MFR, after the site visit was conducted a large number of RFI's were submitted. Once submitted, the team @ 375th Contracting Squadron sent them over to our technical experts and customers to answer and they still have yet to get them all answered. Because of this the quote due date has been moved from 26 June 2023 to 10 July (Monday) 2023 @ 10:00 AM.
3. This change in due date has moved the RFI due date to 5 July 2023 (Wednesday) @ 10:00 AM.
4. It should be noted that effective 29 June 2023, Brandon Katka will replace Darryl Weaver as the Contracting Officer on this requirement.
