- b) This is a performance-based contract.*
- c) Please see attached PWS for specifications.*
- d) Items labeled as optional are not required to be exercised by the government. If exercised, the contractor will be required to perform the optional work in accordance with the terms and conditions of this contract.*

Description of Requirement

The scope of the work provides for stand examination and related data collection activities on the Laramie Ranger District and Brush Creek/Hayden Ranger district (BCH) of the Medicine Bow-Routt National Forest. The Contractor shall furnish all labor, equipment, transportation, supervision, supplies (except those designated as Government-furnished), incidentals, and perform all work necessary to conduct stand examinations in compliance with terms, specifications, conditions, and provisions of this solicitation. Information shall be collected as outlined in (1) the attached Performance Work Statement, (2) Chapter 4 of the Government provided Common Stand Exam User Guide and (3) Region specific Appendices, unless specifically modified by the contents of this contract.

C.5. Sustainable Procurement/Biobased products

The Contractor shall make maximum use of biobased oils and lubricants that are designated by the United States Department of Agriculture unless the product cannot be acquired:

- Competitively within a time frame providing for compliance with the contract performance schedule;

- Meeting contract performance requirements; or
- At a reasonable price.

Information about this requirement and these products is available at <http://www.biopreferred.gov/>

The Federal Acquisition Regulation (FAR) requires Contractors to report the purchase of biobased products under service and construction contracts during the previous Government fiscal year (October 1 thru September 30) and to submit this report no later than:

1. October 31 of each year during contract performance; and
2. At the end of contract performance.

Information about this requirement is available at <http://www.biopreferred.gov/FARReporting/FARReporting.xhtml>

Sustainable products identified for this solicitation:

Transportation to the job site

The main category where you can find these products on the green purchasing website is “vehicles and vehicle products.” In that category, there are several products that could be used in this contract such as: Alternative fuel vehicles and alternative fuels, engine coolants, engine crankcase oil and gasoline fuel additives etc.

The individual products available for use can be found under “Vehicles and Equipment Maintenance” and then under “Vehicle Maintenance.”

Other products that may be needed or used in the execution of your needs include:

- Paper/printer ink – field forms
- Pens/pencils – field forms
- Batteries – GPS
- Other miscellaneous items
- Biodegradable flagging

All of these products can be found at <https://www.biopreferred.gov/>

(d) Comptroller General Examination of Record. The Contractor shall comply with the provisions of this paragraph (d) if this contract was awarded using other than sealed bid, is in excess of the simplified acquisition threshold, as defined in FAR 2.101, on the date of award of this contract, and does not contain the clause at 52.215-2, Audit and Records-Negotiation.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor's directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR subpart 4.7, Contractor Records Retention, of the other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e) (1) Notwithstanding the requirements of the clauses in paragraphs (a), (b), (c), and (d) of this clause, the Contractor is not required to flow down any FAR clause, other than those in this paragraph (e)(1), in a subcontract for commercial products or commercial services. Unless otherwise indicated below, the extent of the flow down shall be as required by the clause-

452.204-70 Modification for Contract Closeout [\(DEVIATION JUL 2022\)](#)

Upon contract closeout for contracts utilizing Simplified Acquisition Procedures (SAP) according to FAR 13:

(a) If unobligated funds in the amount of \$1000 or less remain on the contract, the Contracting Officer (CO) shall issue a unilateral modification for deobligation. The contractor will receive a copy of the modification but will not be required to provide a signature. The CO shall immediately proceed with contract closeout upon completion of the period of performance, receipt and acceptance of supplies or services, and final payment.

(b) If unobligated funds of more than \$1000 remain on the contract, the CO shall issue a bilateral modification for deobligation. The contractor will receive a copy of the modification and will be required to provide a signature. (The CO may also request a Release of Claims be completed by the contractor, although not required for contract and orders using SAP procedures.) If the bilateral modification and Release of Claims are not returned to the CO within 60 days, the CO shall release the modification as unilateral and proceed with contract closeout upon completion of the period of performance, receipt and acceptance of supplies or services, and final payment.

452.211-74 Period of Performance (FEB 1988)

The period of performance of this contract is from 06/15/2023 through 11/15/2023.

452.215-73 Post Award Conference (NOV 1996)

A post award conference with the successful offeror is required. It will be scheduled within 10 days after the date of contract award. The conference will be held via: Microsoft TEAMS

452.236-73 Archaeological or Historic Sites (FEB 1988)

If a previously unidentified archaeological or historic site(s) is encountered, the Contractor shall discontinue work in the general area of the site(s) and notify the Contracting Officer immediately.

452.236-74 Control of Erosion, Sedimentation, and Pollution (NOV 1996)

(a) Operations shall be scheduled and conducted to minimize erosion of soils and to prevent silting and muddying of streams, rivers, irrigation systems, and impoundments (lakes, reservoirs, etc.).

(b) Pollutants such as fuels, lubricants, bitumens, raw sewage, and other harmful materials shall not be discharged on the ground; into or nearby rivers, streams, or impoundments; or into natural or man-

made channels. Wash water or waste from concrete or aggregate operations shall not be allowed to enter live streams prior to treatment by filtration, settling, or other means sufficient to reduce the sediment content to not more than that of the stream into which it is discharged.

(c) Mechanized equipment shall not be operated in flowing streams without written approval by the Contracting Officer.

452.237-74 Key Personnel (FEB 1988)

(a) The Contractor shall assign to this contract the following key personnel:

Crew Leader

(b) During the first ninety (90) days of performance, the Contractor shall make no substitutions of key personnel unless the substitution is necessitated by illness, death, or termination of employment. The Contractor shall notify the Contracting Officer within 15 calendar days after the occurrence of any of these events and provide the information required by paragraph (c) below. After the initial 90-day period, the Contractor shall submit the information required by paragraph (c) to the Contracting Officer at least 15 days prior to making any permanent substitutions.

(c) The Contractor shall provide a detailed explanation of the circumstances necessitating the proposed substitutions, complete resumes for the proposed substitutes, and any additional information requested by the Contracting Officer. Proposed substitutes should have comparable qualifications to those of the persons being replaced. The Contracting Officer will notify the Contractor within 15 calendar days after receipt of all required information of the decision on substitutions. The contract will be modified to reflect any approved changes of key personnel.

Employment of Eligible Workers

1. General

This contract is subject to the Migrant and Seasonal Agricultural Worker Protection Act (MSPA), 29 United States Code (U.S.C) 1801-1872, and to the U.S. Department of Labor (DOL) regulations implementing MSPA 29 Code of Federal Regulations (CFR) Part 500. MSPA eliminates activities detrimental to migrant and seasonal agricultural workers, requires registration of Farm Labor Contractors, and ensures necessary protection for the workers. Information regarding MSPA can be found at <http://www.dol.gov/whd/mspa/index.htm>.

If workers are hired under the H-2B program, (8 CFR Section 274A provisions of the Immigration and Nationality Act (INA) for the admission of nonimmigrants to the U.S. to perform temporary labor or services) a Temporary Employment Certification issued by the Office of Foreign Labor Certification (OFLC) in the Department of Labor Employment and Training Administration is required. For further information on the requirements of the H-2B program, visit OFLC's website at <http://www.foreignlaborcert.doleta.gov/> or Wage and Hour's website at <http://www.dol.gov/whd/immigration/H2BFinalRule/index.htm>.

Compliance with MSPA and the INA is a material condition of this contract. If the contractor employs any unauthorized worker(s) during the performance of this contract that violates section 274A of the INA, the Government may terminate the contract, in addition to other remedies or penalties prescribed by law.

2. Definitions

1. H-2B worker: as used in this part means a nonimmigrant holding a visa authorizing the individual to legally work in the US to perform temporary labor or services. A worker with an H-2B visa (H-2B worker) may also be considered a migrant agricultural worker under MSPA depending on the type and nature of work performed.
2. Migrant Agricultural Worker and Seasonal Agricultural Worker: as used in this part means individuals employed for agricultural (including forestry) work on a seasonal or temporary basis.
 - A worker, moving from one seasonal activity to another, is employed on a seasonal basis even though the worker may continue to be employed during a major portion of the year.
 - An overnight absence from the migrant workers permanent place of residence is required.
 - Members of the contractor's immediate family are not considered migrant or seasonal workers. Immediate family includes:
 1. Spouse
 2. Children, stepchildren, or foster children
 3. Parents, stepparents, or foster parents, or
 4. Brothers and sisters
3. Farm Labor Contractor (FLC). As used in this part means a person including an individual, partnership, association, joint stock company or a corporation, who, for any money or other valuable consideration, paid or promised to be paid, performs any recruiting, soliciting, hiring, employing, furnishing, or transporting of any migrant or seasonal agricultural worker.

3. Registration Requirements

1. Any contractor providing or hiring H-2B nonimmigrants for work under this contract shall provide a copy of their Temporary Employment Certificate. General information about the H-2B program can be found on Fact Sheet # 78 at <http://www.dol.gov/whd/regs/compliance/whdfs78.htm>. Contractors can apply for the certificate through the US DOL Employment & Training Administration's on line iCERT Visa Portal System at <https://icert.doleta.gov/> or by paper application.
2. Any contractor who meets the definition in (2.c.) above providing or hiring migrant or seasonal workers to perform agricultural or manual forestry work shall first obtain a Federal DOL Farm Labor Contractor Certificate of Registration (http://www.dol.gov/whd/forms/fts_wh530.htm). The contractor shall carry the certificate at all times while engaged in contract performance and shall display it upon request. Any of the contractor's employees who perform any one or more of the activities defined as an FLC in paragraph (2.c.) must

have their own FLC Employee Certificate. General information about MSPA can be found on Fact Sheet #49 at DOL Wage and Hour Divisions webpage <http://www.dol.gov/whd/regs/compliance/whdfs49.htm>.

4. Certifications

The Contractor shall provide applicable H-2B Temporary Employment Certificate and/or Farm Labor Contractor Certificate as part of their representations, certifications, and acknowledgements. Subcontractor(s) meeting the definitions above shall follow the same requirements as the Prime Contractor. It is the Prime Contractor's responsibility to ensure the Subcontractor's information is provided to the Contracting Officer.

5. Worker Protections

1. Worker Information Posters

- A contractor who uses the H-2B program to meet its temporary employment needs must post and maintain the H-2B poster (WH-1505) in a conspicuous location accessible to workers at the job site.
- The contractor shall display and maintain the MSPA poster (WH-1376) on the job site in a conspicuous location accessible to workers during the contract performance period.

2. Personal protective equipment

- 29 CFR 1910 Subpart I, OSHA's General Industry personal protective equipment (PPE) standard contains the general requirements for the provision of personal protective equipment and requires employers to perform a hazard assessment to select appropriate PPE for hazards that are present or likely to be present in the workplace. OSHA requires that many categories of personal protective equipment meet or be equivalent to standards developed by the American National Standards Institute (ANSI).
- Before a worker begins operating equipment, the contractor shall train the workers on the safe operation and use of the equipment
- The contractor shall provide the appropriate personal protective equipment for the work required to be performed in the contract, wherever necessary by reason of hazards or processes encountered that may cause injury or impairment in the function of any part of the body. Except for foot protection, all PPE must be provided by the employer at no cost to the employee. Includes:
 1. Head Protection
 2. Hearing Protection
 3. Eye/Face Protection

4. Leg Protection
5. Foot Protection
6. Hand Protection

- PPE must be sanitary and in reliable condition. Do not use defective or damaged PPE. PPE must be inspected prior to use on each work shift to ensure it is in serviceable condition.
- A checklist of applicable PPE guidelines typical for the work performed under this contract is provided. This does not relieve the contractor of the responsibility of performing a risk assessment or providing the necessary PPE for their operations.

3. Field Sanitation.

OSHA established minimum standards for field sanitation in covered agricultural settings. Refer to Fact Sheet # 51 Field Sanitation Standards under the Occupational Safety and Health Act.

6. Employment Requirements

Fact Sheets with relevant information may be found at <http://www.dol.gov/WHD/fact-sheets-index.htm>.

1. Contractors employing workers in forestry related work are required to comply with wage and payroll standards and recordkeeping requirements. Refer to Fact Sheet #63: Application of Federal Labor Laws to Reforestation found on the DOL Wage and Hour Division webpage.
2. Contractor Employee List. Contractors are required to maintain and provide upon request an active list of all employees performing work on the job site under this contract. The Employee List will identify employees by full name (aliases), supervisory duties if applicable, and appropriate labor Occupation

Code for work performed under the Service Contract Act Wage Rates applicable to this contract. If Subcontractors are utilized, all tiers of subcontractor(s) are responsible for providing the same information for their employees to the Prime for submittal to the Contracting Officer.

7. Transportation

1. The contractor shall be registered to transport employees, unless employees provide their own transportation or carpool by their own arrangement in one of their own vehicles. Authorization for each vehicle that will be used to transport employees must appear on the contractor's certificate. If the contractor directs or requests employees to carpool, the registration requirement is applicable. Any driver, who transports workers for a fee or at the direction of the contractor, shall be registered as an FLC or an FLC employee.
2. See Fact Sheet #50: Transportation under the MSPA, for more information about the vehicle safety standards, driver's licensing requirements, and vehicle insurance requirements. Note that separate transportation requirements may apply if there are H-2B workers.

8. Housing

1. The authorization to furnish housing, other than commercial lodging certified by a health authority or other appropriate agency, must appear on the contractor's certificate. Contractors should contact their local Wage and Hour Division of the DOL for further information on the requirements of the Act.
2. Camping Requirements. The Forest Service (FS) has various camping opportunities. Check with local FS unit for camping requirements, camping permits may be required. Verify local fire restriction policies. If camps will be used to house workers subject to MSPA, they are also subject to the temporary labor camp standards at 29 CFR 1910.142. The Forest Service reserves the right to terminate a camping permit at any time. These requirements are in addition to those contained in or provided for under any other applicable clause in this contract. Any violation of these conditions constitutes a breach of contract and may result in revocation of camping approval.
 - Every structure used as shelter must provide protection from the elements. Where adequate heat is not provided, make other arrangements to protect workers from the cold. Cut firewood only after a District Firewood Permit is obtained.
 - The campsite must not encroach beyond the boundaries designated by the Forest Service. The campsite location must minimize impacts on streams, lakes, and other bodies of water. Camping is not permitted within developed recreational sites or along primary recreational roads.
 - The campsite must have a clean appearance at all times. Upon abandonment of any campsite, or termination, revocation, or cancellation of camping privileges, the contractor shall remove, within 10 calendar

days, all structures and improvements except those owned by the United States, and shall restore the site, unless otherwise agreed upon in writing or in the camping permit. Structures or improvements the contractor fails to remove within the 10 calendar day period becomes the property of the United States, however, the contractor remains liable for the cost of the removal and restoration of the site.

- Unless otherwise designated by the CO, the use of the area is not exclusive and may be granted to other permittees, contractors, or recreating public. Disorderly conduct is not permitted.
- Damaging or removing any natural feature or other property of the Forest Service is prohibited.
- Servicing of equipment in the campsite is not permissible unless the campsite is within the project area.
- Provide sanitary facilities for storing food. Provide ice chests or coolers, with ice supply made from potable water, and replenish as necessary. Provide sufficient storage for perishable food items.
- Provide an adequate and convenient potable water supply in each camp for drinking and cooking purposes.
- Provide adequate toilet facilities and toilet paper for the capacity of the camp. Service and maintain facilities in a sanitary condition.
- Collect, store, and dispose of garbage in a manner to discourage rodent access, minimize attraction of flies, and prevent scattering by wind
- Maintain basic first aid supplies available, which must be under the charge of a person trained to administer first aid.

The basic supplies must include:

- Gauze pads (at least 4x4 inches)
- Two large gauze pads (at least 8x10 inches)
- Box adhesive bandages (such as band-aids)
- One package of gauze roller bandage (at least 2-inches in width)
- Two triangular bandages
- Scissors
- At least one blanket
- Tweezers
- Adhesive tape

- Medical gloves, (latex or non-latex equivalent), and
 - Resuscitation device such as resuscitation bag, airway, or pocket mask.
- Wash laundry in such a way that washing and rinsing will not pollute lakes, streams, or other flowing water.
 - Dispose waste water away from living and eating areas and in such a way that minimizes pollution to lakes, streams, and other flowing water.
 - The contractor shall take all reasonable precautions to prevent and suppress forest fires. Do not dispose of material by burning in open fires during the closed season established by law or regulation without the written permission from the Forest Service.
 - If authorized to have an open fire, the Contractor shall comply with the following fire regulations:
 1. A shovel, axe or Pulaski, a 10-quart pail, which is full of water for immediate use, and a fire extinguisher with an Underwriters Laboratory (UL) rating of at least 1:A 10:BC is required.
 2. All fire rings or outside fireplaces must be approved by the Forest Service representative. The area must be cleared down to mineral soil for a distance of one foot outside of the ring or fireplace, and it must not have any overhanging material. Fire rings must be dismantled and material disposed prior to leaving the site.
 3. All generators and other internal combustion engines must be equipped with Forest Service approved spark arrestors and/or factory designed muffler and exhaust system in good working order. They will be located in a cleared area with the same requirements as in described in the previous paragraph.
 4. All fuel must be stored in UL approved flammable storage containers and be located at least 50 feet from any open flame or other source of ignition.

52.212-1 Instructions to Offerors – Commercial Products and Commercial Services (MAR 2023)

Addenda to provision 52.212-1:

Addenda to Provision 52.212-1:

Addenda to Provision 52.212-1 paragraph (b) Submission of Offers:

1) Offerors must have an active entity registration in the System for Award Management in order to submit an offer. <https://www.sam.gov/SAM/>

2) Offers submitted in response to this solicitation shall include a technical proposal, a price proposal, and contractor representations and certifications.

a) Technical Proposal – The technical proposal shall address the evaluation factors in 52.212-2. At a minimum technical proposal shall include:

i) Past Performance – provide a list of similar projects completed by your firm over the past three years. Include a brief description of the project, dollar amount, year completed, and project owner contact information (name, phone, and email). The government may use past performance information from any available source. If a company does not have past performance information available, information may be provided for predecessor companies, key personnel, or subcontractors. In the event that there is no past performance information available, the offeror will receive a neutral rating in this factor.

ii) Technical Capability – **Provide as much information as necessary to evaluate.** Our evaluators need enough information to evaluate whether your experience and capability indicates a likelihood of success.

- Key Personnel- See Page 5 C.4.2. E Qualifications of the PWS for minimum qualifications,

- Work Plan and Progress Schedule- The Contractor shall prepare a work plan and progress schedule that demonstrates that work will be completed within the performance period of the contract. The Contractor shall provide a plan with the technical proposal for the contract.
- Quality Control Plan- E.1.1- The Contractor shall provide a general Quality Control Plan (QCP) with the technical proposal
- Safety Plan- F.4- Include your company safety plan with your technical proposal.

b) Price Proposal – Include the following: 1) the completed, signed SF-1449, 2) acknowledgement of any amendments to this solicitation by following the instructions that accompany the amendment(s), and 3) the completed Schedule of Items contained in Section B of this solicitation.

c) Representations and Certifications – Fill in the check boxes for provisions 52.204-24, 52.212-3, and Employment of Eligible Workers-Workforce Certification found in Section F of this solicitation and include a copy with your offer.

3) Submit offer by email to curtis.r.landreth@usda.gov so that it is delivered into this inbox by the due date and time. Emails should contain 3 separate attachments (Technical Proposal, Price Proposal, and Representations and Certifications) in Microsoft Word, Excel, or Adobe PDF format. Be aware that large attachments may increase the time required to deliver an email. It is the offerors responsibility to confirm receipt of the offer from above email.

4) Address questions about this solicitation to Curtis Landreth at above email.

52.212-2 Evaluation – Commercial Products and Commercial Services (NOV 2021)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Past Performance

Technical

Price

Addendum to 52.212-2 Evaluation

Factor 1: Technical Capability – Key Personnel, Quality Control Plan, Safety Plan, Work Plan.

EVALUATION CRITERIA: The criteria is met when the offeror's demonstrates a process that will ensure contract requirements are met. The Government will evaluate the Key Personnel based on the adequacy of the information provided. Technical Capability will receive a rating of Does Not Meet, Meets, or Exceeds as defined below.

Does Not Meet: Offeror does not demonstrate an understanding and sound approach to meeting the requirements.

Meets: Offeror demonstrates an understanding and sound approach to meeting the contract requirements.

Exceeds: Offeror demonstrates an understanding and sound approach to meeting the contract requirements AND exceeds the requirements of the solicitation.

Factor 2: Past Performance

EVALUATION CRITERIA: Quality of past performance is a measure of the degree to which an offeror, as an organization, has: (1) satisfied its customers, and (2) Met required delivery date(s). The Government will inquire about the following elements, which are all of equal importance in relation to each other, (1) quality of the offeror's work; (2) customer satisfaction; (3) timeliness of the Firm during performance and the final completion of the project; and (4) overall business relations. Past Performance information will consider recency (within last 3 years), relevancy (similar work to this project) and quality of past performance (based on contacting referenced provided in Past Performance Data Sheet). Past performance will receive one of the following ratings:

Rating	Definition
Exceptional	Performance meets contractual requirements and exceeds many to the Government's benefit. The contractual performance of the element or sub-element being evaluated was accomplished with few minor problems for which corrective actions taken by the contractor were highly effective.
Very Good	Performance meets contractual requirements and exceeds some to the Government's benefit. The contractual performance of the element or sub-element being evaluated was accomplished with some minor problems for which corrective actions taken by the contractor was effective.
Satisfactory	Performance meets contractual requirements. The contractual performance of the element or sub-element contains some minor problems for which corrective actions taken by the contractor appear or were satisfactory.
Neutral	Offeror does not have any demonstrated relevant past performance.
Marginal	Performance does not meet some contractual requirements. The contractual performance of the element or sub-element being evaluated reflects a serious problem for which the contractor has not yet identified corrective actions. The contractor's proposed actions appear only marginally effective or were not fully implemented.
Unsatisfactory	Performance does not meet most contractual requirements and recovery is not likely in a timely manner. The contractual performance of the element or sub-element contains a serious problem(s) for which the contractor's corrective actions appear or were ineffective.

Factor 3: Price

Proposal Preparation Instruction:

Provide your most competitive price. Note: unit price prevails; all pricing should be in the format of dollars and cents.

EVALUATION CRITERIA: The Government will evaluate price independently of Factors 1 and 2. Upon completions of evaluation of the technical factors, price will be considered in the final evaluation.

The Government will evaluate offers in accordance with FAR 15.305. Best value will be based upon the evaluation criteria and price. The Government reserves the right to award a contract to other than the lowest priced offer if a higher priced offer is judged to have a higher performance/qualification confidence rating. In that event, the contracting officer shall make an integrated assessment best value award decision. The Government may reject any or all offers if such action is determined to be in the best interest of the Government.

RELATIVE IMPORTANCE: Factors 1 and 2 when combined, will have approximately equal importance to price (factor 3).

(b) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

52.223-1 Biobased Product Certification (MAY 2012)

52.223-4 Recovered Material Certification (MAY 2008)

52.237-1 Site Visit (APR 1984)

Offerors or quoters are urged and expected to inspect the site where services are to be performed and to satisfy themselves regarding all general and local conditions that may affect the cost of contract performance, to the extent that the information is reasonably obtainable. In no event shall failure to inspect the site constitute grounds for a claim after contract award.

52.252-5 Authorized Deviations in Provisions (NOV2020)

(a) The use in this solicitation of any Federal Acquisition Regulation (48 CFR Chapter 1) provision with an authorized deviation is indicated by the addition of "(DEVIATION)" after the date of the provision.

(b) The use in this solicitation of any Agriculture Acquisition Regulation (48 CFR Chapter 4) provision with an authorized deviation is indicated by the addition of "(DEVIATION)" after the name of the regulation.

52.204-24 Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment (NOV 2021)

The Offeror shall not complete the representation at paragraph (d)(1) of this provision if the Offeror has represented that it "does not provide covered telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument" in paragraph (c)(1) in the provision at 52.204-26, Covered Telecommunications Equipment or Services—Representation, or in paragraph (v)(2)(i) of the provision at 52.212-3, Offeror Representations and Certifications-Commercial Products or Commercial Services. The Offeror shall not complete the representation in paragraph (d)(2) of this provision if the Offeror has represented that it "does not use covered telecommunications equipment or services, or any equipment, system, or service that uses covered telecommunications equipment or services" in paragraph (c)(2) of the provision at 52.204-26, or in paragraph (v)(2)(ii) of the provision at 52.212-3.

(a) Definitions. As used in this provision—

Backhaul, covered telecommunications equipment or services, critical technology, interconnection arrangements, reasonable inquiry, roaming, and substantial or essential component have the meanings provided in the clause 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.

(b) Prohibition. (1) Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) Section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2020, from entering into a contract or extending or renewing a contract with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(c) Procedures. The Offeror shall review the list of excluded parties in the System for Award Management (SAM) (<https://www.sam.gov>) for entities excluded from receiving federal awards for "covered telecommunications equipment or services".

(d) Representation. The Offeror represents that—

(1) It ☐ will, ☐ will not provide covered telecommunications equipment or services to the Government in the performance of any contract, subcontract or other contractual instrument resulting from this solicitation. The Offeror shall provide the additional disclosure information required at paragraph (e)(1) of this section if the Offeror responds "will" in paragraph (d)(1) of this section; and

(2) After conducting a reasonable inquiry, for purposes of this representation, the Offeror represents that—

It ☐ does, ☐ does not use covered telecommunications equipment or services, or use any equipment, system, or service that uses covered telecommunications equipment or services. The Offeror shall provide the additional disclosure information required at paragraph (e)(2) of this section if the Offeror responds "does" in paragraph (d)(2) of this section.

(e) Disclosures. (1) Disclosure for the representation in paragraph (d)(1) of this provision. If the Offeror has responded "will" in the representation in paragraph (d)(1) of this provision, the Offeror shall provide the following information as part of the offer:

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the original equipment manufacturer (OEM) or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the Product Service Code (PSC) of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of this provision.

(2) Disclosure for the representation in paragraph (d)(2) of this provision. If the Offeror has responded "does" in the representation in paragraph (d)(2) of this provision, the Offeror shall provide the following information as part of the offer:

(i) For covered equipment—

(A) The entity that produced the covered telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known);

(B) A description of all covered telecommunications equipment offered (include brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and

(C) Explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.

(ii) For covered services—

(A) If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

(B) If not associated with maintenance, the PSC of the service being provided; and explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of this provision.
