

RFQ Instructions

Solicitation **PANNGB-23-P-0000 012220** is issued as a request for quotation (RFQ) for inflatable sports stations.

The North American Industry Classification System Code is 423910 with a size standard of 100 employees.

The contractor is required to comply with all applicable base, Local, State and Federal environmental laws and regulations, including Air Force Instructions in effect at the time of performance.

Quotes will be evaluated on price, past performance, and technical acceptability. Technical acceptability and past performance will be weighted the same as price to determine the best value to the government.

All interested contractors should provide the following information:

1. *Company information* – Company name, address, CAGE code (if available), Unique Entity Identified (formally called DUNS number, if available), contact name, telephone number, and email address.
2. *Product Description* – A detailed description of the product available that match the criteria set forth in the Attachment 3 - Product Description.
3. *Pricing* – All applicable price data shall be provided by potential vendors.
4. *Quantity* – Quantity of product.
5. *Delivery Requirements* – All applicable delivery information shall be provided by potential vendors.

Award will be made without discussions.
