In making this determination, the Government will consider, among other things, the availability of alternative space that potentially can satisfy the Government's requirements, as well as costs likely to be incurred through relocating, such as physical move costs, replication of tenant improvements and telecommunication infrastructure, and non-productive agency downtime. The is not a solicitation for offers or a request for proposals. The Government will not pay any costs incurred as a result of this advertisement.

Entities are advised to familiarize themselves with the telecommunications prohibitions outlined under Section 889 of the FY19 National Defense Authorization Act (NDAA), as implemented by the Federal Acquisition Regulation (FAR). Commented [J2R1]: We don't have easy streets to use, they're all over the place. The READ site sample has "city limits of wheeling, WV"
