10. IMPORTANT DELIVERY INFORMATION

Effective Immediately: Rock Island Arsenal (RIA) Visitor Access Passes are issued to individuals, not companies. All visitors, to include transportation and freight services, official and unofficial, are highly suggested to pre-register at least three (3) business days in advance. Pre-registering visitors allows for the NCIC-III background check to be conducted before the individual visits RIA, reducing the wait time necessary to complete the check.

All visitors must complete a Visitor Access Request Form. Access Request Forms should be emailed or faxed prior to the delivery. The Visitor Access Request Form can be found at <http://www.usagria.army.mil/AccessRequests>. Follow the instructions on How to Obtain a Visitor Pass. All first-time visitors must process through the Moline Gate Visitor Center.

TRUCKS MUST ENTER THROUGH MOLINE, IL GATE, OFF OF RIVER DRIVE IN MOLINE I-74.

Transportation Service Providers are required to send drivers with proper identification who meet all the installation access requirements. Transportation Service Providers are required to send United States Citizens and drivers that will pass applicable background checks. Failure to do so can result in warnings or Non-use. Real-ID access implementation is active at Rock Island Arsenal, IL. Individuals using a driver's license from the states of Illinois, Minnesota, Missouri, New Mexico or Washington will have to use a secondary form of Identification to enter U.S. military installations. Additional forms of identification that may be used in conjunction with a state driver's license are Vehicle Registration with name and address, Veterans Health Identification Card, PIV Card, PIV-1 Card, DHS "Trusted Traveler" Card, U.S. Certificate of Naturalization or Certificate of Citizenship (Form N-550), and State of Illinois Firearm Owners Identification (FOID) card.

The contractor needs to ensure this information is passed on to any subcontractors and/or transportation providers they may utilize during performance of their contract. DRIVERS WHO DO NOT MEET THE INSTALLATION ACCESS REQUIREMENTS WILL NOT BE ALLOWED ON THE INSTALLATION AND WILL BE TURNED AWAY.

Serialization within the part, lot, or batch number means each item of a particular part, lot, or batch number is assigned a unique serial number within that part, lot, or batch number assignment. The enterprise is responsible for ensuring unique serialization within the part, lot, or batch number within the enterprise identifier.

Type designation means a combination of letters and numerals assigned by the Government to a major end item, assembly or subassembly, as appropriate, to provide a convenient means of differentiating between items having the same basic name and to indicate modifications and changes thereto.

Unique item identifier means a set of data elements marked on items that is globally unique and unambiguous. The term includes a concatenated unique item identifier or a DoD recognized unique identification equivalent.

Unique item identifier type means a designator to indicate which method of uniquely identifying a part has been used. The current list of accepted unique item identifier types is maintained at <https://www.acq.osd.mil/asda/dpc/ce/ds/unique-id.html>.

(c) Unique item identifier. (1) The Contractor shall provide a unique item identifier for the following:

(i) Delivered items for which the Government's unit acquisition cost is \$5,000 or more, except for the following line items:

Contract line, subline, or exhibit line item No.	Item description
N/A	

(ii) Items for which the Government's unit acquisition cost is less than \$5,000 that are identified in the Schedule or the following table:

Contract line, subline, or exhibit line item No.	Item description
N/A	

(If items are identified in the Schedule, insert "See Schedule" in this table.)

(iii) Subassemblies, components, and parts embedded within delivered items, items with warranty requirements, DoD serially managed reparables and DoD serially managed nonreparables as specified in Attachment Number N/A.
