For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American statute. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals-

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.* (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

(1) *Listed end products.*

—	—

(2) *Certification.* [If the Contracting Officer has identified end products and countries of origin in paragraph (i)(1) of this provision, then the offeror must certify to either (i)(2)(i) or (i)(2)(ii) by checking the appropriate block.]

(i) The offeror will not supply any end product listed in paragraph (i)(1) of this provision that was mined, produced, or manufactured in the corresponding country as listed for that product.

(ii) The offeror may supply an end product listed in paragraph (i)(1) of this provision that was mined, produced, or manufactured in the corresponding country as listed for that product. On the basis of those efforts, the offeror certifies that it is not aware of any such use of child labor.

For statistical purposes only, the offeror shall indicate whether the place of manufacture of the end products it expects to provide in response to this solicitation is predominantly-

(2) ☐ Outside the United States.

(k) *Certificates regarding exemptions from the application of the Service Contract Labor Standards* (Certification by the offeror as to its compliance with respect to the contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services.) [The contracting officer is to check a box to indicate if paragraph (k)(1) or (k)(2) applies.]

(1) Maintenance, calibration, or repair of certain equipment as described in FAR 22.1003-4(c)(1). The offeror ☐ does ☐ does not certify that-

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies-

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

(l) *Taxpayer Identification Number (TIN)* (26 U.S.C. 6109, 31 U.S.C. 7701). (Not applicable if the offeror is required to provide this information to the SAM to be eligible for award.)

52.229-11 Tax on Certain Foreign Procurements-Notice and Representation. Jun 2020

As prescribed in 29.402-3(a), insert the following provision:

TAX ON CERTAIN FOREIGN PROCUREMENTS-NOTICE AND REPRESENTATION (JUN 2020)

(a) *Definitions.* As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

United States person as defined in 26 U.S.C. 7701(a)(30) means

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

(1) It ☐ is ☐ is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [Offeror shall select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.

Evaluation Factors for Award

as the 7 SeptCenteeeee.have a:3052.212-2 Evaluation-Commercial Products and Commercial Services. Nov 2021 is tailored as follows:

(a) Basis of Award - The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation offers the best value to the Government, price and other factors considered.

(b) Evaluation Factors - The following evaluation factors shall be used to evaluate offers. The evaluation factors are listed in descending order of importance. The Technical and Past Performance factors when combined are approximately equal to price.

1. PRICE
2. TECHNICAL
3. PAST PERFORMANCE

(c) Factor1 Price: The offeror's Price proposal will be evaluated for completeness, reasonableness, and unbalanced pricing. Offerors are not expected to propose costs or price for the Equipment Reimbursement CLINs, (0002, 1002, 2002, 3002& 4002) as these will be provided as Government estimated plug figures. Price analysis will be conducted on all CLINs except plug figures. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for determining the total evaluated price (TEP). The TEP will then be used in the tradeoff analysis to make a best value award decision. Specifically, the Government will analyze if it is in the Government's best interest to consider award to other than the lowest priced offeror. Offerors whose price is determined to be incomplete may not be considered for award. The TEP price will be evaluated per the sub elements listed below.

1) Reasonableness: The offeror's proposed price will be evaluated to ensure it is fair and reasonable, utilizing one or more of the techniques described in FAR 15.404. Reasonableness assesses if the offeror's proposal is higher than what a prudent person in the conduct of competitive business would pay. Competition is anticipated to establish a fair and reasonable price.

2) Options: The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the options.

(d) Factor2 Technical: The offerors technical proposal will be evaluated for technical acceptability. Offerors must demonstrate that their overarching Contractor Quality Control Methodology/Approach **adequately** describes an **effective** approach for quality control to include responsibilities, inspection, and corrective action processes delivering quality products and perform services (photography, graphic arts, and video production) identified in the Performance Work Statement (PWS), Attachment 1. The Technical proposal will be evaluated on an "Acceptable" or "Unacceptable" basis. The Government will evaluate the technical proposal and assign a technical rating per Table 1 below. An unacceptable rating may result in the offeror's proposal being removed from further consideration.

(e)

Table 1. Technical Ratings

<i>Rating</i>	<i>Description/Definition</i>
Acceptable .	Proposal adequately describes an effective approach for quality control to deliver quality products and perform services identified in the PWS (Attachment 1).
Unaccepta ble .	Proposal does not adequately describe an effective approach to deliver quality products and services identified in the PWS (Attachment 1).

(f) Factor3 Past Performance: The Past Performance evaluation will be conducted to determine an overall confidence assessment for the offeror. The contracting officer shall seek relevant past and present performance information on all offerors based on (1) the references provided and/or (2) past performance information data independently obtained from other Government and Commercial sources. Past performance information regarding predecessor companies, or subcontractors that will perform a major percentage of the effort will be considered as highly as past performance information for the principal offeror.

1) Recency rating: Past performance information including contract references must be determined Recent for consideration. Recent contracts are defined as those on which some portion of performance occurred during the last three (3) years from the date specified for receipt of proposal for this solicitation.

2) Relevancy Rating: Past performance information including contract references must be determined Relevant for consideration. Relevant performance includes present/past performance effort involving similar scope and magnitude of effort to the effort of this solicitation.

3) Performance Quality: For the Recent and Relevant past performance information, the Government will then consider the performance quality. The performance quality ratings indicate how well the contractor performed the contract/effort.

The Past Performance Confidence Assessment in an integrated assessment rating based on the offerors past performance information evaluated. Each offeror will be assigned one of the Past Performance Confidence Assessment Ratings in Table 2 below.

Table 2. Past Performance Confidence Assessment Ratings

<i>Rating</i>	<i>Definition/Description</i>
Substantial Confidence	Based on the offeror's recent/relevant performance record, the Government has a high expectation that the offeror will successfully perform the required effort.
Satisfactory Confidence	Based on the offeror's recent/relevant performance record, the Government has a reasonable expectation that the offeror will successfully perform the required effort.
Limited Confidence	Based on the offeror's recent/relevant performance record, the Government has a low expectation that the offeror will successfully perform the required effort.
No Confidence	Based on the offeror's recent/relevant performance record, the Government has no expectation that the offeror will be able to successfully perform the required effort.
Unknown Confidence	No recent/relevant performance record is available, or the offeror's performance record is so sparse that no meaningful confidence assessment can be assigned.

(f) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
