**1. INSTRUCTION TO OFFERORS:** To assure timely and equitable evaluation of quotes received, offerors must follow the instructions contained herein. Offerors are

required to meet all requirements, including terms and conditions, representations and certifications, and technical requirements, in addition to those identified as evaluation factors or subfactors. Failure to meet a requirement may result in an offer being ineligible for award. Offerors must clearly identify any exception to the solicitation terms and conditions and provide complete accompanying rationale. The response shall consist of two (2) separate parts; **Part I - Price**, and **Part II – Technical Capability**, Specific Instructions:

- a. **PART I – PRICE** - Complete pricing showing total costs of all items listed in paragraph 2, to include shipping, installation, and removal and disposal of old gate system.
- b. **PART II – Technical Capability** – Items must meet required specifications as stated in “Attachment 1 – Statement of Work”.

**2. BASIS FOR AWARD:** This is a Lowest Priced Technically Acceptable (LPTA) award. All technically acceptable offers shall be treated equally except for their prices. Failure to meet a requirement may result in an offer being determined technically unacceptable. Offerors must clearly identify any exception to the solicitation terms and conditions and provide complete accompanying rationale. The evaluation process shall proceed as follows:

Initially, offers shall be ranked according to price, including any option or additive item prices if applicable.

- a. **Technical Acceptability.** The Government shall evaluate the technical proposals on a pass/fail basis, assigning ratings of **Technically Acceptable**, or **Not Technically Acceptable**. The proposals shall be evaluated against criteria listed under section “**PART II – Technical Capability**” of paragraph 5 above.
  - b. **Price Evaluation.** The Government shall evaluate price in order to determine reasonableness and affordability of the overall total evaluated price.
- 3.** The Government reserves the right to make an award without discussions. The Government, however, reserves the right to conduct discussions if deemed in its best interest.
- 4. All contractors are required to have an active registration in System for Award Management (SAM).** Please visit <https://sam.gov/SAM/> to create a new registration if you are not already registered or renew your registration if it is not expired.
