

## USAFA CADET DOLLY SALIENT CHARACTERISTICS

- Size – 18" X 30"
- Casters - 3" diameter Hard-Tread, Non-Marking, Permanently-Affixed, Swivel Casters. Must carry a minimum of 200lbs.
- Design - Wooden four rail dolly, with a smooth non-splintering finish for exposed wood surfaces, with carpeted ends.
- Shipping - Not to exceed stacks of 40 high and secured to a pallet so that they can be removed from a truck with a forklift and not damage the wheels of the dolly.
