(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR [part 25](#). For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American statute. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at [9.104-5\(a\)\(2\)](#) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at [22.1503\(b\)](#).]

(1) Maintenance, calibration, or repair of certain equipment as described in FAR [22.1003-4](#)(c)(1). The offeror ☐ does ☐ does not certify that-

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

Gallup Indian Medical Center
Performance Work Statement (PWS)
For SDPI INNOVATIVE APPROACHES FOR SCHOOL WELLNESS CONFERENCE

GENERAL:

This performance work statement will describe the required consultation services to plan and implement school wellness conference for school teachers, counselors, and school administrators within the Gallup Service Unit during fiscal year 2023.

BACKGROUND:

The Special Diabetes Prevention Program for the Indians (SDPI) has provided funds over many years for diabetes prevention among the American Indians and Alaska Natives. A tremendous amount of time has been devoted to developing and implementing best practice projects used for instilling healthy eating and regular physical activities as a way to prevent diabetes. As a result, the School Health, the Community Wellness and the Navajo Wellness Model programs of the Health Promotion Department have excelled in implementing these activities over the years as well.

The HPDP School Health program is proposing a 2-day school wellness conference for school teachers, counselors, and school administrators within the Gallup Service Unit. The schools would include Gallup McKinley County Schools, Bureau of Indian Education Schools and Contracted Schools. Varying innovative approaches will be offered to help the schools to address the long effects of COVID for their school staff and students. These innovative approaches will provide helpful information, knowledge and skills for the school teachers, counselors, and school administrators to use and help the students with mental health issues, caused by COVID-19 pandemic.

COVID-19 pandemic caused unexpected interruptions and changes in schools and within the family settings. The schools reverted to virtual and hybrid learning approaches for the students, making internet access difficult for students and families, following CDC PPE guidelines were challenging for families, getting sick with COVID and loss were difficult for many families, and availability of foods and hygiene products were limited. These changes brought hardships and inconveniences for the schools, families and, most of all, the students.

Hence, HPDP strongly desires for the wellness conference to provide helpful information, knowledge and skills on basic mental health issues stemming from inclusive but not limited to loneliness, anxiety, depression, grief, bereavement, stigmatization (infected with COVID), being quarantined, isolation, financial insecurity, accessing basic needs, tensions in relationships, domestic violence, suicide, alcohol abuse, sexual abuse, bullying, vaping, and parent involvement. The school staff could also be trained on how to create safe spaces for the students for check-ins and perhaps equip school staff to connect students to varying resources to help with their mental health.

The School Health staff also talked with a couple of schools and the school staff suggested the following as interested topics for the Wellness Conference inclusive but not limited to bullying/media, substance abuse, drugs/alcohol, grief, nutrition, healthy eating, healthy snacks, domestic violence, vaping, and diabetes. This is a doable conference and will help our schools very much as they educate our youth.
