## **What is HSPD-12?**

Homeland Security Presidential Directive 12 (HSPD-12) is a presidential directive for executive agencies that establishes a mandatory, government-wide standard for secure and reliable forms of identification issued by the federal government to its employees and contractors requiring long-term (greater than 180 days) access to federal buildings, facilities, and information technology (IT) systems. Prior to the issuance of these identification credentials, the person's identity and trustworthiness must be proven via a personnel security investigation (fitness determination).

## **What is a fitness determination?**

A fitness determination is the result of a personnel security background investigation. Contractors may be issued a credential upon receipt of a favorable preliminary fitness determination, also known as an enter-on-duty (EOD) determination.

## **Types of Contractors**

1. Long-term contractors are those individuals working on GSA contract(s) for greater than 6 months.
2. Short-term contractors are those individuals working on GSA contract(s) for 6 months or less.

## **Who needs a background investigation?**

1. All GSA contractors (both long-term working more than 6 months and short-term working less than 6 months) who need routine access to GSA facilities. Routine access is defined as a regularly scheduled need to access the facility.

2. Any GSA contractor who requires regularly scheduled access to one or more GSA-controlled facilities, even under multiple contracts, should be treated as having routine access to GSA facilities. Individuals who completed an investigation previously with another agency must still complete the investigation process before working in GSA facilities.

### **Who does NOT need an investigation?**

1. Contractors who are working in GSA leased facilities with security level I or II and those facilities with security level III that are not 100% occupied by the government.
2. The contractors needed to mitigate emergency situations--broken pipes; failure of HVAC units; elevator repairs; etc. must be escorted at all times, however they are not required to have prior approval from the Zonal Help Desk. Property/building management staff may authorize access for these individuals in these types of situations.
3. Those contractors who will only access public space--lawn maintenance, vending machine technicians and suppliers, and FedEx & UPS delivery personnel.
4. Contractors working on new construction projects prior to occupancy and not yet considered to be substantially complete.
5. Contractors involved in repair and alteration projects where the work spaces are partitioned and/or fully separated from occupied spaces, with isolated access for contractors.
6. Contractors being escorted for 15 consecutive days or less. These contractors must be escorted at all times by a federal employee, FPS Security contractor, or GSA contractor who is in possession of a GSA issued PIV credential. Prior review and approval by Zonal Help Desk through the submission of personal information is required for tracking purposes. Escorted personnel must be within line of site from the escort at all times.

### **Escort-Only Contractors**

1. The contractors needed to mitigate emergency situations--broken pipes; failure of HVAC units; elevator repairs; etc. must be escorted at all times, however they are not required to have prior approval from Zonal Help Desk. Property/building management staff may authorize access for these individuals in these types of situations.
2. Non-emergency contractors may be approved for escorted access up to 15 consecutive

days within a 6-month period. If they need to work for more than 15 consecutive days in GSA facilities, they must submit documentation to receive a background investigation for unescorted access.

3. Applicants who have previously been found unfavorable cannot be considered for escort-only access. Also, individuals in the process of completing a GSA Fitness Determination are not allowed to be escorted.
4. Vendors should coordinate with their GSA Requesting Official (RO) to consider the type of project and proximity to escorted contractors when determining the number of personnel reasonably escorted by the same escort. It is suggested that 5-7 people per escort is typically manageable.
5. To receive approval for escort-only access on a GSA project, the prime vendor POC must submit a CIW as well as the full legal name of the individual doing the escorting; whether they are a government employee, a FPS Security contractor, or a GSA contractor with the appropriate credentials; and the dates of escort in the email containing their CIW. Individuals needing escort-only access must be listed on the RO Contractor Approval List. Allow at least 3 business days to process the CIW prior to applicant needing to start work.
6. Escorts are responsible for the whereabouts and activities of escorted personnel at all times, and must remain within line of sight of escorted individuals at all times while in non-public space. The person doing the escorting must be either a federal employee, FPS security contracts, or GSA contractor who is in possession of a GSA issued PIV credential.

### **Fitness Determination Types**

The requesting official is responsible for making decisions regarding whether a contractor is a long-term contractor or a short-term contractor. They are also responsible for monitoring the duration of the project, and should the work exceed 6 months, all short-term contractors must submit the background investigation documentation of a long-term contractor, prior to the expiration of the short-term investigation. Contractors are not authorized to work on GSA contracts prior to receipt of a favorable EOD or final determination.

1. Special Agreement Check (SAC) or Short-Term Investigations: Non-HSPD-12 SACs are good for 6 months from the date of the SAC determination. Short-term contractors must submit a completed CIW (Form 850) and OF306 to Zonal Help Desk then complete fingerprint enrollment. The CIW and OF306 must be submitted together to the Zonal Help Desk via encrypted email. Upon completion of a SAC, a contractor may work up to 6 months only. If additional work is required after the expiration date, a new

investigation is required.

2. Tier 1, 2, and 4 or Long-Term Investigations:

- a. Tier 1 (formerly known as low risk or NACI) is designed for contractors working greater than 180 days (6 months) and/or for contractors needing network access. These investigations are currently valid indefinitely, as long as the contractor continues without a break in service on GSA contracts; however all GSA contractor credentials must be returned when contract work is completed, regardless of the expiration date on the credential. Tier 1 contractors must submit a completed CIW (Form 850) to the Zonal Help Desk via encrypted email. Next (based on email instructions) contractor will submit their on-line e-QIP questionnaire, including uploading the OF306 and GSA3665 and complete fingerprint enrollment.
- b. Tier 2 (formerly known as MBI) is designed for contractors working longer than 6 months and whose duties require a higher degree of trust, such as IT system administrators, individuals who handle financial transactions, individuals who deal with personally identifiable information (PII), and other sensitive information. Tier 2 contractors must submit a completed CIW (Form 850) to the Zonal Help Desk via encrypted email. Next (based on email instructions) contractor will submit their on-line e-QIP questionnaire, including uploading the OF306 and GSA3665 and complete fingerprint enrollment.
- c. Tier 4 (formerly known as BI) is designed primarily for embedded contractors working in staff-like positions, with access to high-risk information. Tier 4 contractors must submit a completed CIW (Form 850) to the Zonal Help Desk via encrypted email. Next (based on email instructions) contractor will submit their on-line e-QIP questionnaire, including uploading the OF306 and GSA3665 and complete fingerprint enrollment.

**NOTE:** If Tier 1, 2, or 4 contractors return at a later date for additional and/or new contract work, a new CIW is required (to identify new contract/task order information) and new credentials will be provided at that time, as needed. Those with a break in service longer than 2 years will be required to complete a new background investigation prior to working on GSA contracts.

## **Requesting Official (RO) Contractor Approval List**

1. The prime vendor POC initiates a list of contractors needing to work on each contract for approval by the RO. This list authorizes the Zonal Help Desk to process the appropriate investigation on the listed contractors.

2. If a CIW is received for an applicant who does not appear on this list, the CIW will not be processed and the prime vendor POC will be notified that it cannot be processed until their name appears on the approval list.
3. Each time contractor(s) are added or removed from a contract, the list must be updated, sent through the RO for approval, and forwarded to the Zonal Help Desk with a copy to the prime vendor POC.
4. The items on the RO Contractor Approval List that must be completed by the prime vendor POC are listed below:
  - a. Last Name, First Name, Middle Name and Suffix: this information should be their full legal name as it appears on their photo ID.
  - b. Position Title: this should reflect the duties they are completing for the GSA contract.
  - c. Vendor Name, if subcontractor: if contractor works for a sub of the prime vendor the name of the subcontract company goes here.
  - d. If the contractor is to be escorted only, include name of escort and dates to be escorted.
  - e. Date Removed from Project/Contract: when appropriate, enter dates individuals are terminated, have completed their portion of the contract, leave the employ of the vendor prime or subcontractor, etc. Effectively, this is the date that person will no longer need access to the facility for this project/contract.

### **Special Agreement Check (SAC) Investigation Process**

1. If assisting the applicant and discussing personal information, always verify the applicant's full legal name, DOB, and SSN.

13. It is recommended that the applicant use the SF85/85P Worksheet to allow them to collect all required information needed prior to completing the online e-QIP application. **This form must not be submitted in lieu of completing the on-line e-QIP application.** It is a worksheet for the applicant's use only.

14. Assist applicant in accessing e-QIP at <http://www.opm.gov/e-qip> and click on the "Enter e-QIP Application Site" button.

a. The e-QIP system will verify if the web browser is approved. Then click "Continue to e-QIP."

b. Logging into e-QIP

i. Click the button titled "Register for Username and Password".

ii. Enter Social Security Number.

iii. Answer the golden questions (last name, city of birth, year of birth, and registration code); the answers to these questions are case sensitive.

iv. Create and confirm a Username and Password.

v. Select three (3) challenge questions that can be used in the event of a forgotten password.

**NOTE:** Applicant will need a username and password to re-enter the application if it times out; if they need to step away from it before completion; or the application is rejected after released for processing.

c. Completing e-QIP--failure to timely complete this process will delay the investigation and prevent them from receiving their enter-on-duty determination (EOD). Do not release the e-QIP application until they have completed their fingerprint enrollment. Without an EOD they will not have access to GSA facilities.

i. Follow the onscreen instructions to complete the security questionnaire. Use

the save function often and answer all applicable questions. If they log off without completing the security questionnaire, and return at a later time, they will be able to resume where they left off.

- ii. In the residence section--be sure to list a verifier with their complete mailing address (to include St., Ave., Blvd., as applicable) and phone number.
- iii. In the employment section--do not use the button that says "supervisor same as employer". They must list their supervisor's name, address (to include St., Ave., Blvd., as applicable) and phone number.
- iv. Select "Certify Investigation Request" to complete their security questionnaire.
- v. Select "Signature Forms" link.
- vi. Select "Yes" next to "Do you agree to utilize the click-to-sign functionality on all relevant forms?"
- vii. They must then re-enter their e-QIP password and select "Continue."
- viii. Select "Click Here to Sign" link in the signature block.
- ix. Select "Yes" next to "Do you have an additional document and/or file that you would like to associate with this request?" This is very important as this is the main reason applications are rejected. Repeat this process for both documents (OF306 and GSA3665).
- x. Upload the OF306, Declaration for Federal Employment and the GSA3665, Authorization to Obtain Credit Report into their e-QIP questionnaire.
- xi. Ensure they have completed their fingerprint enrollment process and upload both OF306 and GSA3665 before they release their completed e-QIP application. Select "Release Request/Transmit to Agency" to finalize their e-QIP questionnaire.

**NOTE:** While assisting the applicant in completing their e-QIP application they must be present throughout the process.

15. E-QIP Invitations will be limited to two invitations per applicant. If applicant fails to complete their e-QIP after two attempts, they will be unable to re-apply for a GSA Security Investigation for 1 year.

16. Contact Zonal Help Desk for support during the investigation process.
17. Receive **enter-on-duty and/or final fitness determination** as evidence applicant is authorized to begin work on the GSA contract/project.
18. If applicant receives, “**Must Wait for Final Notification**”, they must wait to receive final determination before beginning work on any GSA project. This notification means there was something that prevented OPM from issuing a favorable EOD.
19. If applicant receives an **unfit determination**, they cannot work on GSA contracts under any circumstances. If they previously received enter-on-duty, they must be removed immediately and credentials must be returned to regional OMA Staff. They must wait 1 year to reapply for a new background investigation.

### **Escort-Only (EO) Contractor Review Process**

1. Zonal Help Desk verifies whether the applicant’s name is listed on the RO Contractor Approval List, including dates they will be working. If applicant’s name does not appear on the RO Contractor Approval List, the CIW is rejected back to the vendor.
2. Ensure CIW is properly completed. If CIW is incomplete, it will be immediately rejected back to the vendor for corrections.
3. Ensure submittal email contains full legal name of individual escorting applicant and whether they are a federal employee, FPS security contractor or GSA contractor with the appropriate credentials. The email must also contain the dates of escort.
4. If applicant was previously found unfit, request will be rejected back to prime vendor POC and GSA POC(s) indicating due to a previous unfit determination, the individual cannot be escorted in the facility for any reason.
5. Ensure escort is either a federal employee, FPS security contractor, or GSA contractor who is in possession of a GSA issued PIV credential. If escort does not meet these requirements, request will be rejected back to prime vendor POC and GSA POC(s) indicating a new escort meeting the requirements must be submitted.
6. If escort meets requirements and applicant has not previously been found unfit, the following notification will be sent to the prime vendor POC and GSA POC(s) as proof of EO review:

#### **ESCORT-ONLY CONTRACTOR**

Last, First Middle (Suffix):

Vendor Prime:  
Contract Location:  
Escort Only Start Date:  
Escort Only End Date:  
GSA POC(s):  
Escort (Last, First, Middle, Suffix):

**The escort-only review has been completed for this individual and the escort listed above has an appropriate background investigation.**

**At all times, while being escorted on a GSA contract, this notification should be carried by the individual being escorted, along with a photo ID.**

**NOTE:** Individuals in the process of completing a GSA fitness determination are not allowed to be escorted.

### **Contractors with Prior Investigations**

1. If it has been more than 2 years since an individual has worked on a GSA contract/project, the prior investigation is invalid. The contractor must complete an updated CIW and undergo a completely new fitness determination background investigation and receive their enter-on-duty determination prior to accessing the facility or receiving credentials.
2. If it has been less than 2 years since the individual has worked on a GSA contract/project, a new investigation is not required. However, an updated CIW is required to update their record.
3. Submit updated CIW to the Zonal Help Desk via encrypted email. Ensure individual's name is listed on RO Contractor Approval List prior to submitting CIW.
4. When update has been completed the applicant, the prime vendor POC, and the GSA POC will received the following notification:

The following individual's record has been updated and they are approved to work on the GSA contract/project, without further investigation. Details are listed below:

Last, First Middle (Suffix):  
Approved Access (SAC, Tier 1, etc.):  
Vendor Prime:  
Contract Number:

Contract Expiration:  
Contract Location:  
CO/COR/PM/FM:

The appropriate credential has been requested as applicable based on the CIW provided and the RO Contractor Approval List.

NOTE: If you already have an active GAC/PIV this notification is for informational purposes only.

## **US Residency Requirement**

1. A Tier 1 or above investigation cannot be conducted on non-US born applicants who have less than 3 years continuous U.S. residency.
2. Submit a completed Tier 1 or higher investigation package, but OPM will perform only a SAC. If favorable, the individual will be eligible to be on site for 6 months. A new SAC is required every 6 months until the 3-year residency is obtained, at which time a new Tier 1 investigation must be initiated.

## **Contractor Credential**

1. The GSA requesting official determines if contractor requires fitness determination and GAC/PIV. GAC/PIVs are required for building access in some locations and network access in all locations. An EOD determination status must be verified prior to GAC/PIV issuance. Individual must have EOD determination in the process of a final Tier 1 or above to receive a GAC/PIV. GAC/PIVs are not issued to individuals with only a SAC. SAC credentials are yet to be determined.
2. HSPD-12 PIV or GSA Access card (GAC/PIV) is required when contractors need IT access and/or routine access to GSA facilities for 6 months or more. The expiration date printed on the front of the GAC/PIV card does not represent the contract end date. The credential must be returned to GSA when the individual is no longer working on the GSA contract, regardless of the card expiration date.
3. The IT certificates assigned to the card expire 3 years from the date it is activated. GSA USAccess will send email reminders at 45 days, 30 days, and 15 days prior to certificate expiration. The email will include how to set up a "Certificate Update" appointment at a USAccess Credentialing Center. Some Zonal Help Desks have the ability to refer contractors who need certificate updates to Lightweight Credentialing Stations (not listed on the appointment website). The email notification and certificate update process works, if the following conditions are met: the applicant supplied a monitored

email address on the CIW; the card is active--not suspended or terminated; there are no pending data changes, such as the name on the card or a reprint/reissue request; or the certificates have not already expired or are going to expire within 24 hours.

4. Excerpt from FAR 52.204-9 Personal, Identity Verification of Contractor personnel--  
"The contractor shall comply with agency PIV procedures identified in the contract that implement HSPD-12, OMB guidance M-05-24, and Federal Information Processing Standards Publication (FIPS PUB) Number 201. The contractor shall account for all forms of Government-provided identification issued to the contractor employees in connection with performance under this contract. The contractor shall return such identification to the issuing agency at the earliest of any of the following, unless otherwise determined by the Government: 1) When no longer needed for contract performance. 2) Upon completion of the contractor employee's employment. 3) Upon contract completion or termination. The CO may delay final payment under a contract if the contractor fails to comply with these requirements. The contractor shall insert the substance of this clause, including this paragraph (d), in all subcontracts when the subcontractor's employees are required to have routine physical access to a Federally-controlled facility and/or routine access to a federally-controlled information system. It shall be the responsibility of the prime contractor to return such identification to the issuing agency in accordance with the terms set forth in paragraph (b) of this section, unless otherwise approved in writing by the Contracting Officer."

**NOTE:** ALL credentials must be turned in to the GSA RO at the end of the contract or when the individual has completed his/her duties on the contract whichever is soonest.

**GSA Access Card/PIV**

## **Roles and Responsibilities**

### **1. Prime Vendor POC**

- a. Attends training provided by the Zonal Help Desk regarding the investigation process.

- c. Assists contractors and subcontractors in completing all investigation requirements within time constraints.
- d. Notifies RO (via an updated RO Contractor Approval List) of anyone being added to contract/project and anyone leaving the contract/project. Ensures all GSA credentials are returned to the RO for those leaving the project or at the end of the project.

### **2. Vendor Applicant**

- a. Completes section 1 of the CIW.
- b. Schedules and enrolls at MSO station for fingerprints per enrollment email.
- c. Completes OF306, GSA3665, and/or e-QIP as applicable for the type of investigation requested.

## **Investigation Documents**

- c. OF306, Declaration for Federal Employment

### **2. Tier 1 and above**

- a. CIW

- b. MSO or SF87 Fingerprints
- c. SF85 or 85P on-line e-QIP application

### **Common Causes of Unfit Determination**

This is in no way inclusive and is provided to show examples of unfit determination causes.

1. Use of illegal drugs within the past year.
2. Omissions and/or untruthful information provided.
3. Offenses without completion of court assigned penalties.
4. Recent criminal offenses.

### **Common Delays and Errors in Investigation Process**

This is in no way inclusive and is provided to show examples of delays in the investigation process.

1. Incomplete/inaccurate/inconsistent information provided on CIW.
2. Incomplete/inaccurate/inconsistent information provided on e-QIP questionnaire or attached forms (CIW, OF306, GSA3665, etc.).
3. Not completing fingerprints prior to submitting e-QIP.
4. Hard-copy fingerprints, which take longer than electronic prints.
5. Inconsistent/incorrect SSN and/or full name on all forms.
6. Not attaching required forms in e-QIP.
7. Not responding timely to email inquiries for clarification.
8. Lengthy response times from law enforcement agencies.
9. The contract company's failure to emphasize the importance and priority of the investigation to its employees. Successful companies typically assign a responsible

employee to track and review investigation forms being submitted, and assisting with the overall process.

10. Failing to ensure additional information requests are brought to the attention of the employee, and ensure compliance with the request.
11. Individual contract employee's failure to submit all the required documents.
12. Submission of illegible forms.
13. Forms submitted with cross-through or write-overs.
14. Inconsistent information on fingerprint cards, if applicable. They must match all other documents (full name must be the same), and must also match ID used at the time of fingerprinting.
15. Incomplete e-QIP questionnaire. Must include complete addresses (including zips, Ave, St, Blvd, etc.) for residences, schools, and references.
16. Failure to submit electronically-signed e-QIP pages, OF306, and GSA 3665.
17. Failure to submit the forms correctly within specified timeframes and to respond timely to additional information requests.

## **Notification of Investigation Status**

1. An **enter-on-duty determination** is the notification that allows long-term contract employees to begin working on GSA contracts pending the completion of their full Tier 1 or higher investigation. It is at this time that a GAC/PIV may be produced, as needed.
2. There are times that an applicant will receive a notification entitled "**Will Need to Wait for Final Fitness Determination**". This occurs when something is discovered during the preliminary background investigation that is of concern and/or is unclear. Due to this issue, OPM will not make an enter-on-duty determination until the final investigation results are received. The final fitness determination can sometimes take several months. Until the final results are received, the individual is not authorized to work on GSA contracts, even under escort. The contract company, under consultation with the GSA RO, may need to consider selecting another applicant to work on the GSA contract, if the work they were scheduled to perform will begin soon.
3. A **SAC determination** is typically received within a few days of the applicant submitting all the required information. The SAC determination allows access for only

6 months. If an individual changes from one contract to another, a new CIW is always required.

4. A **final fit determination** will be provided by OPM for all Tier 1 or above investigations. This allows the individual to work continuously on GSA contracts without expiration, provided there is no break in service of greater than 2 years. If an individual changes from one contract to another, a new CIW is always required.
5. In the event an applicant cannot be found suitable to access GSA facilities, a **final unfit** notification will be provided by OPM. This notification will be sent to Zonal Help Desk, applicant, prime vendor POC, and GSA requesting official. An individual receiving this determination cannot work in any GSA facility even under escort. The applicant cannot reapply for a new investigation for a period of 1 year and there is no appeal process.

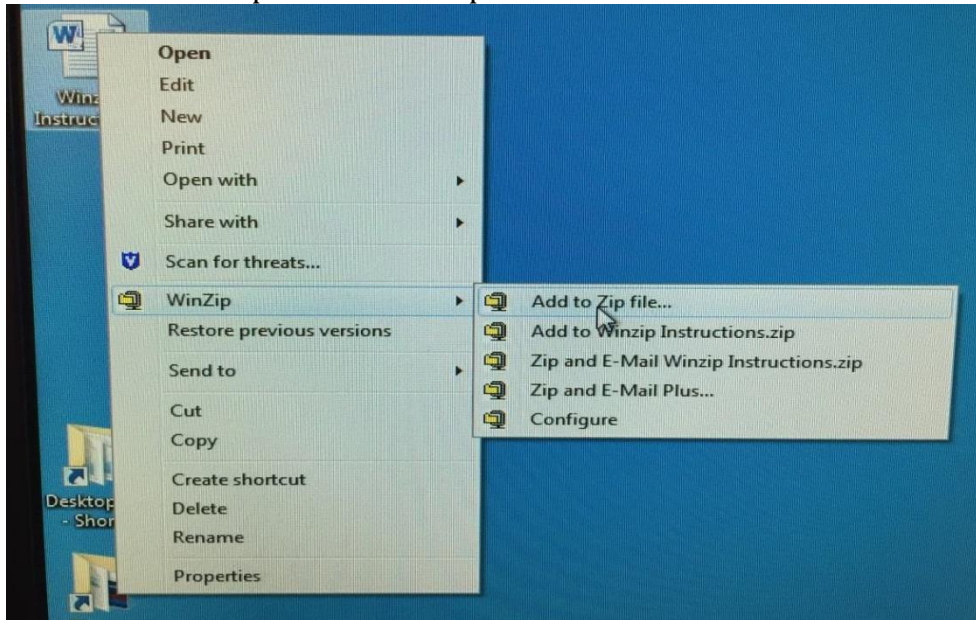

**Note:** The Zonal Help Desk, applicant, prime vendor POC, and GSA requesting official will receive all of the above fitness determination notifications via e-mail.

1. Right click on the document you want to zip.
2. Click on WinZip then Add to Zip file.

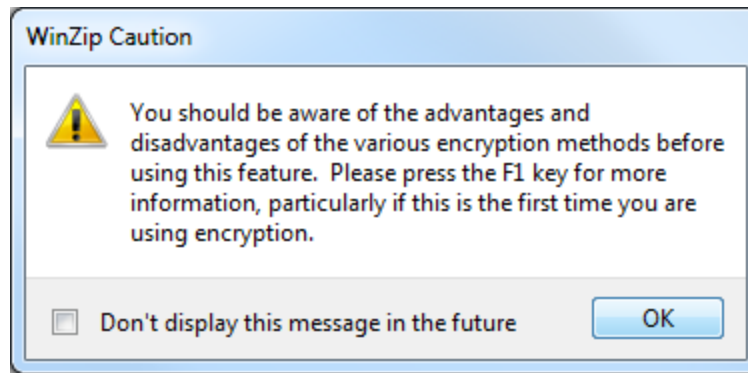

3. Open the zip file wherever it is saved. Switch the Encrypt button to on.

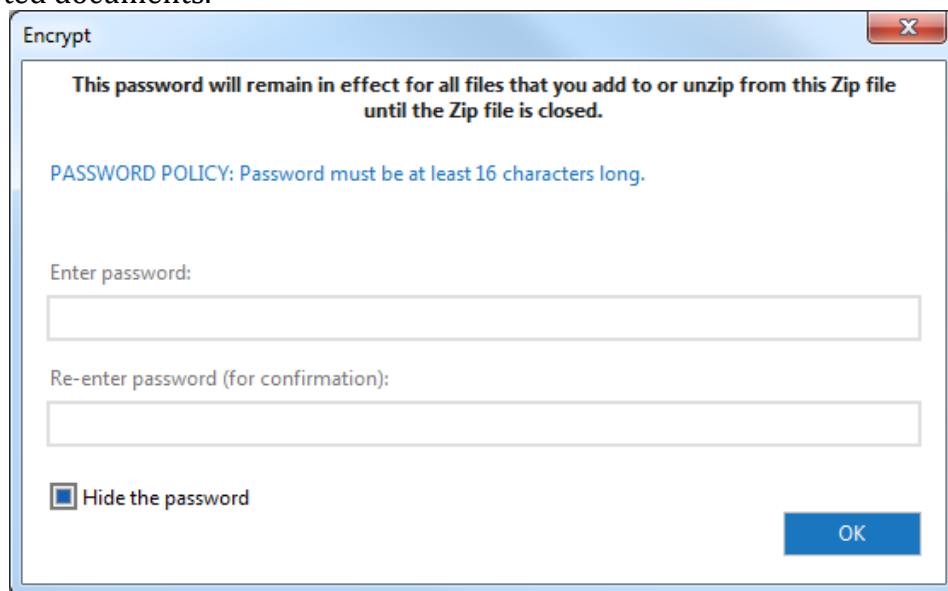

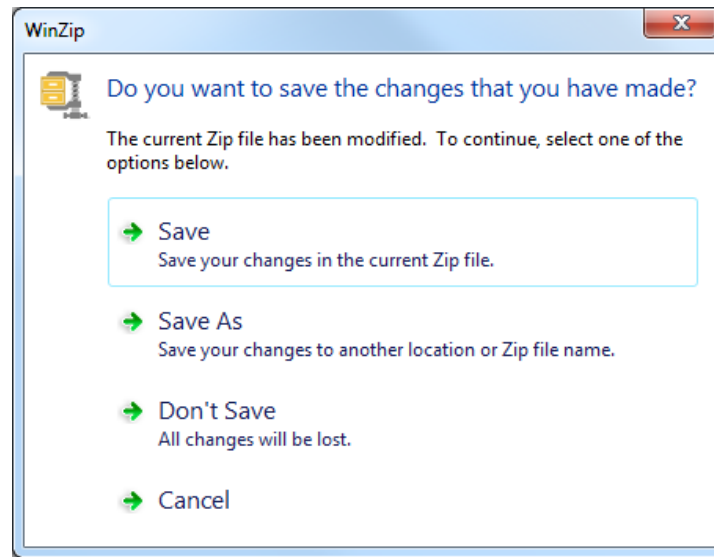

4. Click on Options and select Apply to all files in the Zip.

5. Click Ok to continue. Then create a password and input it into the appropriate blocks. This password must be emailed to the Zonal Help Desk in an email separate from the encrypted documents.

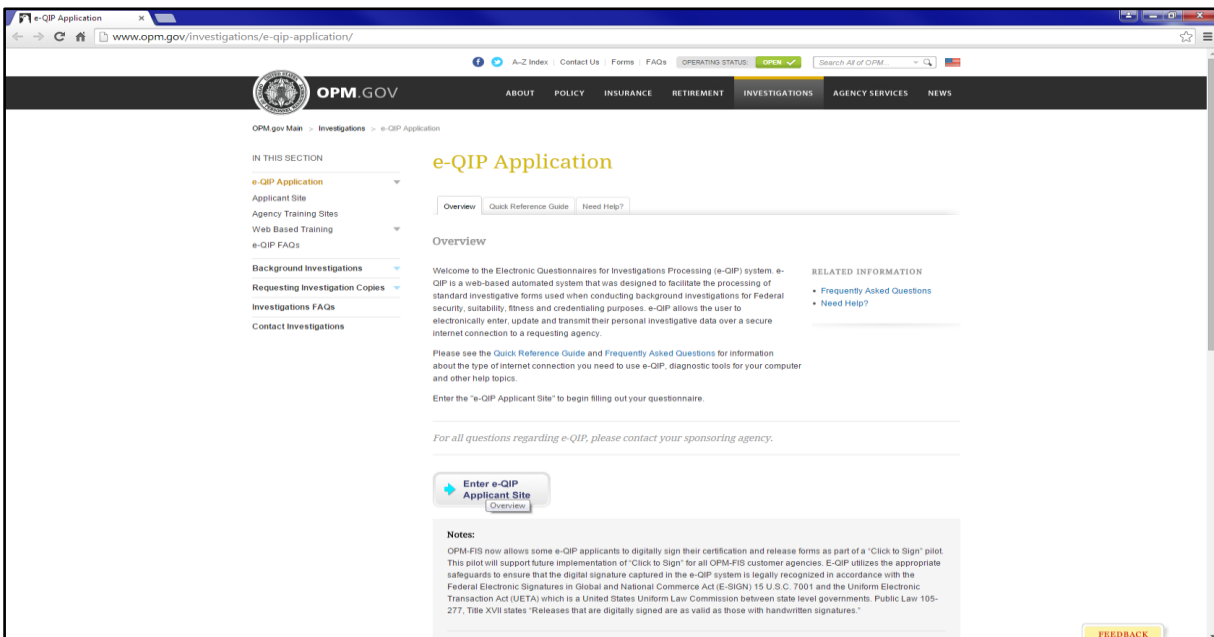

6. Click Save and you are finished.

## Attachment 2, Completing the E-QIP

1. The contractor must receive a registration code from OPM at [do-not-reply@registration.opm.gov](mailto:do-not-reply@registration.opm.gov). If the applicant does not receive this code within 24 hours of receiving Fitness Determination Applicant Instruction email, they must contact Zonal Help Desk.
2. Applicant accesses the e-QIP application at <http://www.opm.gov/e-qip/>. For best results, applicant should copy and paste this link into the address line of their web browser. Then the applicant clicks on the “Enter e-Qip Application Site” button. Zonal Help Desk provides a copy of the SF-85/85P Worksheet. This is a tool used to collect all required application information prior to inputting it into the e-QIP (this worksheet cannot be submitted in lieu of completing the online application; it is for applicant use only).

### Accessing the e-QIP Website

3. The system must verify the web browser used is properly configured. If changes are required, retest the configuration. Once properly configured, click continue.

## Testing Your Web Browser for Compatibility

The screenshot shows a web browser window with the address bar displaying <http://www.opm.gov/e-QIP/browser-check.asp>. The page title is "Testing Your Web Browser for Compatibility". Below the title, a message states: "Before you continue, the e-QIP System must verify that you are using an approved web browser that is properly configured. If you need to make changes to your web browser's settings, click [Try Tests Again](#) to retest your configuration."

The main content area is divided into three sections, each with a green checkmark icon and the text "OK":

- Your Web Browser's Brand and Version**  
We detected that you are using **Microsoft Internet Explorer**. The version number we detected is 9.0.  
**OK** - The e-QIP System **does support** this web browser.
- Your Web Browser's Cookie Acceptance**  
**OK** - We detected that session cookies **are enabled** for your web browser.
- Your Web Browser's Scripting Settings**  
**OK** - Your web browser **does allow** scripting.

Below these sections, a **Note** states: "If your web browser **does not connect** to the e-QIP System after you click the 'Continue' button below, follow these steps to verify that 128-bit encryption is installed and Transport Layer Security (TLS) 1.0 is enabled. (**TLS 1.0 must be enabled in order to access e-QIP.**)"

1. First, verify that your browser supports 128-bit "strong encryption" by selecting "Help" > "About Internet Explorer" from the web browser's menu. If "Cipher Strength: 128-bit" does not appear in the "About Internet Explorer" window then you will need to install the Internet Explorer High Encryption Pack.
2. Next, check the TLS 1.0 setting by selecting "Tools" > "Internet Options" on the web browser's menu.
3. Select the tab labeled "Advanced."
4. Locate the section labeled "Security."
5. Locate the item in that section labeled "Use TLS 1.0." In Internet Explorer, this option is disabled by default. Check the box to enable TLS 1.0.
6. Click the "OK" button to save these changes.
7. When you finish these steps, click the "Continue" button to try again.

Below the list, a message states: "If, after enabling TLS 1.0, your web browser still does not connect, then there may be a connection problem between your web browser and the e-QIP System. Please wait one or two minutes and try again. If you still have difficulties, contact the agency that sponsored your background investigation."

At the bottom, a message states: "If you are ready to proceed, click 'Continue.'"

A "Continue" button is located at the bottom left of the page.

4. Next, applicant must log into e-QIP. If applicant is a first-time user, click the button titled "Register for Username and Password" and enter Social Security Number. The next screen requires applicant to answer three (3) Golden Questions (applicant's last name, city of birth, and year of birth) and input the registration code. This information must be input just as it appears on the CIW and is case sensitive. Then the applicant creates a username and password. The system then prompts applicant to select three (3) Challenge Questions to be used in the event they forget their password. If they are not a first-time user and have a username and password, they log in using this information. If they have forgotten their username or cannot answer the three challenge questions, they will need to contact the Zonal Help Desk for assistance. If they have forgotten their password, click on "Forgot Password" link and follow instructions.

## Accessing Your e-QIP Application

The screenshot shows the e-QIP application interface. At the top, there is a blue header bar with 'Help' on the left and 'OMB No. 3206-0005' on the right. Below the header, the title 'The United States Government U.S. Office of Personnel Management (OPM)' is centered. A disclaimer paragraph follows, stating that only authorized persons can access the data and that unauthorized attempts are a violation of federal law. Another paragraph explains that the application collects sensitive but unclassified data and that users must not enter classified information. A third paragraph details the system's security and the consequences of unauthorized use. Below the text, there are two main sections: 'I already have an e-QIP account.' and 'I do not have an e-QIP account.' The first section contains fields for 'Username' and 'Password', a 'Submit' button, and a link for 'Forgot Password'. The second section contains a button labeled 'Register for Username and Password'.

They must use the save function often and answer all applicable questions. (When inputting verifiers, they must use complete mailing addresses (Ave, Blvd, St, etc.) and phone numbers. In the employment section, they must not use the button that says "supervisor same as employer" as they must list their supervisor's name, address, and phone number). ## Attachment 9, GSA3665—Authorization to Obtain Credit Report

### AUTHORIZATION TO OBTAIN CREDIT REPORT

As part of qualifying for a GSA position or contract, I am undergoing a personal background investigation in order to receive a public trust certification or national security clearance, or a periodic renewal certification or security clearance.

I hereby authorize GSA and its authorized agents to obtain my credit reports from any consumer or credit reporting agency for employment purposes.

NAME OF EMPLOYEE <i>(Please print or type)</i>				SOCIAL SECURITY NUMBER
LAST	FIRST	MIDDLE	JR., II, ETC.	
SIGNATURE OF EMPLOYEE				DATE SIGNED

### PRIVACY ACT NOTICE

The Fair Credit Reporting Act, as amended (15 U.S. C. § 1681, et seq.) allows GSA to get one or more credit reports on you for employment purposes. Should a decision to take any adverse action against you be made, based either in whole or in part on the credit report, you should know that the consumer or credit reporting agency that provided the report has played no role in the decision to take action.

GSA is requesting an investigation to determine your(1) fitness for Federal employment, (2) clearance to perform contractual service for the Federal Government, or (3) security clearance. The information in this authorization will be given to the consumer or credit reporting agency so that the agency will release information about you and your credit history. This information may be redisclosed to other Federal agencies (for the above three purposes) and to fulfill official responsibilities, to the extent that the disclosure is permitted by law.

Disclosure of your Social Security Number (SSN) is voluntary. We need your SSN to keep records accurate, because other people may have the same name. Executive Order 9397 also asks Federal agencies to use the SSN to help identify individuals in agency records.

## 8 WHERE YOU HAVE LIVED

List the places where you have lived, beginning with the most recent (#1) and working back 5 years. All periods must be accounted for in your list. Be sure to indicate the actual physical location of your residence: do not use a post office box as an address, do not list a permanent address when you were actually living at a school address, etc. Be sure to specify your location as closely as possible: for example, do not list only your base or ship, list your barracks number or home port. You may omit temporary military duty locations under 90 days (list your permanent address instead), and you should use your APO/FPO address if you lived overseas.

For any address in the last 3 years, list a person who knew you at that address, and who preferably still lives in that area (do not list people for residences completely outside this 3-year period, and do not list your spouse, former spouses, or other relatives).

- Use one of the following codes in the "Code" block:

1 - High School

- **Previous Periods of Activity.** Complete these lines if you worked for an employer on more than one occasion at the same location. After entering the most recent period of employment in the initial numbered block, provide previous periods of employment at the same location on the additional lines provided. For example, if you worked at XY Plumbing in Denver, CO, during 3 separate periods of time, you would enter dates and information concerning the most recent period of employment first, and provide dates, position titles, and supervisors for the two previous periods of employment on the lines below that information.

## Questionnaire for Public Trust Positions

Follow instructions fully or we cannot process your form. Be sure to sign and date the certification statement on Page 7 and the release on Page 8. *If you have any questions, call the office that gave you the form.*

### Purpose of this Form

The U.S. Government conducts background investigations and reinvestigations to establish that applicants or incumbents either employed by the Government or working for the Government under contract, are suitable for the job and/or eligible for a public trust or sensitive position. Information from this form is used primarily as the basis for this investigation. Complete this form only after a conditional offer of employment has been made.

Giving us the information we ask for is voluntary. However, we may not be able to complete your investigation, or complete it in a timely manner, if you don't give us each item of information we request. This may affect your placement or employment prospects.

### Authority to Request this Information

The U.S. Government is authorized to ask for this information under Executive Orders 10450 and 10577, sections 3301 and 3302 of title 5, U.S. Code; and parts 5, 731, 732, and 736 of Title 5, Code of Federal Regulations.

Your Social Security number is needed to keep records accurate, because other people may have the same name and birth date. Executive Order 9397 also asks Federal agencies to use this number to help identify individuals in agency records.

### The Investigative Process

Background investigations are conducted using your responses on this form and on your Declaration for Federal Employment (OF 306) to develop information to show whether you are reliable, trustworthy, of good conduct and character, and loyal to the United States. The information that you provide on this form is confirmed during the investigation. Your current employer must be contacted as part of the investigation, even if you have previously indicated on applications or other forms that you do not want this.

In addition to the questions on this form, inquiry also is made about a person's adherence to security requirements, honesty and integrity, vulnerability to exploitation or coercion, falsification, misrepresentation, and any other behavior, activities, or associations that tend to show the person is not reliable, trustworthy, or loyal.

### Your Personal Interview

Some investigations will include an interview with you as a normal part of the investigative process. This provides you the opportunity to update, clarify, and explain information on your form more completely, which often helps to complete your investigation faster. It is important that the interview be conducted as soon as possible after you are contacted. Postponements will delay the processing of your investigation, and declining to be interviewed may result in your investigation being delayed or canceled.

You will be asked to bring identification with your picture on it, such as a valid State driver's license, to the interview. There are other documents you may be asked to bring to verify your identity as well.

These include documentation of any legal name change, Social Security card, and/or birth certificate.

You may also be asked to bring documents about information you provided on the form or other matters requiring specific attention. These matters include alien registration, delinquent loans or taxes, bankruptcy, judgments, liens, or other financial obligations, agreements involving child custody or support, alimony or property settlements, arrests, convictions, probation, and/or parole.

### Instructions for Completing this Form

1. Follow the instructions given to you by the person who gave you the form and any other clarifying instructions furnished by that person to assist you in completion of the form. Find out how many copies of the form you are to turn in. You must sign and date, in black ink, the original and each copy you submit.

2. Type or legibly print your answers in black ink (if your form is not legible, it will not be accepted). You may also be asked to submit your form in an approved electronic format.

3. All questions on this form must be answered. If no response is necessary or applicable, indicate this on the form (for example, enter "None" or "N/A"). If you find that you cannot report an exact date, approximate or estimate the date to the best of your ability and indicate this by marking "APPROX." or "EST."

4. Any changes that you make to this form after you sign it must be initialed and dated by you. Under certain limited circumstances, agencies may modify the form consistent with your intent.

5. You must use the State codes (abbreviations) listed on the back of this page when you fill out this form. Do not abbreviate the names of cities or foreign countries.

6. The 5-digit postal ZIP codes are needed to speed the processing of your investigation. The office that provided the form will assist you in completing the ZIP codes.

7. All telephone numbers must include area codes.

8. All dates provided on this form must be in Month/Day/Year or Month/Year format. Use numbers (1-12) to indicate months. For example, June 10, 1978, should be shown as 6/10/78.

9. Whenever "City (Country)" is shown in an address block, also provide in that block the name of the country when the address is outside the United States.

10. If you need additional space to list your residences or employments/self-employments/unemployments or education, you should use a continuation sheet, SF 86A. If additional space is needed to answer other items, use a blank piece of paper. Each blank piece of paper you use must contain **your name and Social Security Number at the top of the page.**

### Final Determination on Your Eligibility

Final determination on your eligibility for a public trust or sensitive position and your being granted a security clearance is the responsibility of the Office of Personnel Management or the Federal agency that requested your investigation. You may be provided the opportunity personally to explain, refute, or clarify any information before a final decision is made.

### Penalties for Inaccurate or False Statements

The U.S. Criminal Code (title 18, section 1001) provides that knowingly falsifying or concealing a material fact is a felony which may result in fines of up to \$10,000, and/or 5 years imprisonment, or both. In addition, Federal agencies generally fire, do not grant a security clearance, or disqualify individuals who have materially and deliberately falsified these forms, and this remains a part of the permanent record for future placements. Because the position for which you are being considered is one of public trust or is sensitive, your trustworthiness is a very important consideration in deciding your suitability for placement or retention in the position.

Your prospects of placement are better if you answer all questions truthfully and completely. You will have adequate opportunity to explain any information you give us on the form and to make your comments part of the record.

### Disclosure of Information

The information you give us is for the purpose of investigating you for a position; we will protect it from unauthorized disclosure. The collection, maintenance, and disclosure of background investigative information is governed by the Privacy Act. The agency which requested the investigation and the agency which conducted the investigation have published notices in the Federal Register describing the system of records in which your records will be maintained. You may obtain copies of the relevant notices from the person who gave you this form. The information on this form, and information we collect during an investigation may be disclosed without your consent as permitted by the Privacy Act (5 USC 552a(b)) and as follows:

### PRIVACY ACT ROUTINE USES

## 9 WHERE YOU HAVE LIVED

List the places where you have lived, beginning with the most recent (#1) and working back 7 years. All periods must be accounted for in your list. Be sure to indicate the actual physical location of your residence: do not use a post office box as an address, do not list a permanent address when you were actually living at a school address, etc. Be sure to specify your location as closely as possible: for example, do not list only your base or ship, list your barracks number or home port. You may omit temporary military duty locations under 90 days (list your permanent address instead), and you should use your APO/FPO address if you lived overseas.

For any address in the last 5 years, list a person who knew you at that address, and who preferably still lives in that area (do not list people for residences completely outside this 5-year period, and do not list your spouse, former spouses, or other relatives). Also for addresses in the last 5 years, if the address is "General Delivery," a Rural or Star Route, or may be difficult to locate, provide directions for locating the residence on an attached continuation sheet.

## 10 WHERE YOU WENT TO SCHOOL

List the schools you have attended, beyond Junior High School, beginning with the most recent (#1) and working back 7 years. List all College or University degrees and the dates they were received. If all of your education occurred more than 7 years ago, list your most recent education beyond high school, no matter when that education occurred.

Use one of the following codes in the "Code" block:

1 - High School

2 - College/University/Military College

3 - Vocational/Technical/Trade School

For schools you attended in the past 3 years, list a person who knew you at school (an instructor, student, etc.). Do not list people for education completely outside this 3-year period.

For correspondence schools and extension classes, provide the address where the records are maintained.

List your employment activities, beginning with the present (#1) and working back 7 years. You should list all full-time work, part-time work, military service, temporary military duty locations over 90 days, self-employment, other paid work, and all periods of unemployment. The entire 7-year period must be accounted for without breaks, but you need not list employments before your 16th birthday.

1 - Active military duty stations

2 - National Guard/Reserve

3 - U.S.P.H.S. Commissioned Corps

4 - Other Federal employment

5 - State Government (Non-Federal employment)

6 - Self-employment (Include business and/or name of person who can verify)

7 - Unemployment (Include name of person who can verify)

8 - Federal Contractor (List Contractor, not Federal agency)

9 - Other

- **Employer/Verifier Name.** List the business name of your employer or the name of the person who can verify your self-employment or unemployment in this block. If military service is being listed, include your duty location or home port here as well as your branch of service. You should provide separate listings to reflect changes in your military duty locations or home ports.

- **Previous Periods of Activity.** Complete these lines if you worked for an employer on more than one occasion at the same location. After entering the most recent period of employment in the initial numbered block, provide previous periods of employment at the same location on the additional lines provided. For example, if you worked at XY Plumbing in Denver, CO, during 3 separate periods of time, you would enter dates and information concerning the most recent period of employment first, and provide dates, position titles, and supervisors for the two previous periods of employment on the lines below that information.
