_____ SAM.gov UEID _____

Schedule Notes:

- a) **Minimum and Maximum Contract Amounts** -During the period specified in FAR clause 52.216-18, ORDERING, the Government shall place orders totaling a minimum of \$2,500.00, but not in excess of \$250,000.00. The minimum guarantee will be met with the initial task order contract concurrent with the award.
- b) The unit prices in the above Schedule B shall be used as the basis for all subsequent Task Orders issued against the awarded contract. Actual services provided will be paid at the unit prices offered. Include all costs into unit pricing such as miles, materials, chemicals, equipment, etc. When calculating unit prices ensure to account for possible future costs/inflation. The link provided by AAA can be used for example. <https://gasprices.aaa.com/?state=MT>
- c) More than one award may be made as a result of this solicitation. Contractors may submit quotes on one or all Ranger Districts if they choose but are not required to submit on every Ranger District to receive an award. The contractor is required to fill out pricing for each year on the districts of their choosing. An award will be made for a Ranger District (can be multiple) to the responsible quoter whose quote is determined to be the best value to the Government.

Description of Requirement

The purpose of this contract is to furnish all materials, chemicals, equipment, supervision, transportation, and incidentals necessary to pump toilets identified by this solicitation on the Custer-Gallatin National Forest. A copy of Tech Tips: Vault Toilet Pumping, Publication Number 2300, published by USDA Department of Technology and Development, dated October 1992, is attached for specifications.

Disposal of waste shall meet all sanitation and health laws, ordinances, or regulations by any municipal, county, state or Federal authority to govern collection and disposal of human waste shall be recognized and observed while performing the services. Disposal is not allowed on any Forest Service Lands. All fees imposed for sewage disposal under this contract are the responsibility of the contractor.

Contractor shall provide a schedule of anticipated dates of completion of each vault pumping on the task order award and shall provide weekly notification to Contracting Officer's Representative after pumping has been completed. Toilets identified for pumping must start after May 1st weather permitting and will be pumped through the summer season. The TO will determine the period of performance for each vault toilet pumping. A minimum of two vault pumps will be requested to be serviced for each order per geographically similar area.

See the following specifications in Tech Tips C. 1-4, 1-5, 1-6 and C. 2-1, 2-2, 2-3, 2-4, 2-5, 2-6, 2-7

The period of performance of this contract is approximately from May 1, 2023 through April 30, 2024 with two potential option periods. Option One May 1, 2024 through April 30, 2025; Option Two May 1, 2025 through April 30, 2026.

Toilet vault pumping shall be accomplished Monday through Friday. No pumping will be accomplished on Saturday, Sunday or Holidays unless approved by the Contracting Officer. The Contractor shall maintain progress at a rate which will assure completion of work within the contract time specified above.

GOVERNMENT FURNISHED PROPERTY

Government Furnished Property includes Forest Service Keys. The Government will provide a Forest Service Key to the contractor for use in the performance of this contract. Key shall be returned to the Contracting Officer

BIOBASED PRODUCT UTILIZATION

The Contractor must comply with the Agricultural Act of 2014; the Food, Conservation and Energy Act of 2008 (FCEA), 7 U.S.C. 8102; the Farm Security and Rural Investment Act of 2002 (FSRIA), 7 U.S.C. 8102; the Federal Acquisition Regulation; Executive Order (EO) 13514, "Federal Leadership in Environmental, Energy and Economic Performance," dated October 5, 2009; EO 13423, "Strengthening Federal Environmental, Energy, and Transportation Management," dated January 24, 2007; and Presidential Memorandum, "Driving Innovation and Creating Jobs in Rural America through Biobased and Sustainable Product Procurement," dated February 2012, to provide biobased products.

The Contractor shall utilize products and material made from biobased materials to the maximum extent possible without jeopardizing the intended end use or detracting from the overall quality delivered to the end user. All supplies and materials shall be of a type and quality that conform to applicable Federal specifications and standards. All supplies and materials to be used in the performance of work described herein are subject to the approval of the Contracting Officer's Representative (COR).

Biobased products that are designated for preferred procurement under USDA's Biopreferred Program must meet the required minimum biobased content as stated in the USDA Final Rule available at www.biopreferred.gov. The Contractor should provide data for their biobased products such as biobased content and source of biobased material.

In addition to the biobased products designated by the U.S. Department of Agriculture in the Biopreferred Program, the Contractor is encouraged to use other commercially available biobased products.

Additionally, the awarded Contractor on each anniversary date of the contract shall compile a complete list of biobased products, including the information above, purchased to carry out the contract requirements. The Contractor shall list volume to be used and total cost for each individual product. This information will be used for reporting purposes (FAR Clause 52.223-2).

INVOICING/PAYMENTS

All payments are processed using The Invoice Processing Platform (IPP). This is a mandatory requirement initiated by the U.S. Department of Treasury and you can find more information at this website <https://www.ipp.gov/index.htm>. Please make sure that your company has registered at <https://www.ipp.gov/vendors/enrollment-vendors.htm> to establish your account.

The IPP Customer Support Desk is available to assist users Monday through Friday (excluding Federal holidays) from 8 a.m. to 6 p.m. ET, to answer questions related to accessing IPP or completing the registration process. Their toll-free number is 1-866-973-3131 or they can be reached at IPPCustomerSupport@fms.treas.gov. If you have any additional questions or concerns, please contact the Controller Operations Division Help Desk at 1-877-243-3072 or cod.help@usda.gov.

___ (9) 52.226-6, Promoting Excess Food Donation to Nonprofit Organizations (Jun 2020) (42 U.S.C. 1792).

(d) Comptroller General Examination of Record. The Contractor shall comply with the provisions of this paragraph (d) if this contract was awarded using other than sealed bid, is in excess of the simplified acquisition threshold, as defined in FAR 2.101, on the date of award of this contract, and does not contain the clause at 52.215-2, Audit and Records-Negotiation.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor's directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR subpart 4.7, Contractor Records Retention, of the other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e) (1) Notwithstanding the requirements of the clauses in paragraphs (a), (b), (c), and (d) of this clause, the Contractor is not required to flow down any FAR clause, other than those in this paragraph (e)(1), in a subcontract for commercial products or commercial services. Unless otherwise indicated below, the extent of the flow down shall be as required by the clause-

(i) Posts a copy of the delivery order or task order to a Government document access system, and notice is sent to the Contractor; or

(ii) Distributes the delivery order or task order via email to the Contractor's email address.

(d) Orders may be issued by methods other than those enumerated in this clause only if authorized in the contract.

52.216-19 Order Limitations (Oct 1995)

(a) *Minimum order.* When the Government requires supplies or services covered by this contract in an amount of less than \$2,500.00, the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

(b) *Maximum order.* The Contractor is not obligated to honor—

(1) Any order for a single item in excess of \$100,000;

(2) Any order for a combination of items in excess of \$100,000; or

(3) A series of orders from the same ordering office within 7 days that together call for quantities exceeding the limitation in paragraph (b)(1) or (2) of this section.

(c) If this is a requirements contract (*i.e.*, includes the Requirements clause at subsection [52.216-21](#) of the Federal Acquisition Regulation (FAR)), the Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in paragraph (b) of this section.

(d) Notwithstanding paragraphs (b) and (c) of this section, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within 5 days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

52.216-22 Indefinite Quantity (Oct 1995)

(a) This is an indefinite-quantity contract for the supplies or services specified, and effective for the period stated, in the Schedule. The quantities of supplies and services specified in the Schedule are estimates only and are not purchased by this contract.

(b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. The Contractor shall furnish to the Government, when and if ordered, the supplies or services specified in the Schedule up to and including the quantity designated in the Schedule as the "maximum." The Government shall order at least the quantity of supplies or services designated in the Schedule as the "minimum."

(c) Except for any limitations on quantities in the Order Limitations clause or in the Schedule, there is no limit on the number of orders that may be issued. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.

(d) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; *provided*, that the Contractor shall not be required to make any deliveries under this contract after July 30, 2026.

52.217-8 Option to Extend Services (Nov 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within 7 days [insert the period of time within which the Contracting Officer may exercise the option].

52.217-9 Option to Extend the Term of the Contract (Mar 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within 7 days [insert the period of time within which the Contracting Officer may exercise the option]; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 30 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 3 years.

52.252-6 Authorized Deviations in Clauses (NOV 2020)

(a) The use in this solicitation or contract of any Federal Acquisition Regulation (48 CFR Chapter 1) clause with an authorized deviation is indicated by the addition of “(DEVIATION)” after the date of the clause.

(b) The use in this solicitation or contract of any Agriculture Acquisition Regulation (48 CFR __4__) clause with an authorized deviation is indicated by the addition of “(DEVIATION)” after the name of the regulation.

452.204-70 Modification for Contract Closeout (OCT 2021)

Upon contract closeout for contracts utilizing Simplified Acquisition Procedures (SAP) according to FAR 13:

(a) If unobligated funds in the amount of \$1000 or less remain on the contract, the Contracting Officer (CO) shall issue a unilateral modification for deobligation. The contractor will receive a copy of the modification but will not be required to provide a signature. The CO shall immediately proceed with contract closeout upon completion of the period of performance, receipt and acceptance of supplies or services, and final payment.

(b) If unobligated funds of more than \$1000 remain on the contract, the CO shall issue a bilateral modification for deobligation. The contractor will receive a copy of the modification and will be required to provide a signature. (The CO may also request a Release of Claims be completed by the contractor, although not required for contract and orders using SAP procedures.) If the bilateral modification and Release of Claims are not returned to the CO within 60 days, the CO shall release the modification as unilateral and proceed with contract closeout upon completion of the period of performance, receipt and acceptance of supplies or services, and final payment.

Post Award Conference

A post award conference with the successful offeror is required. It will be scheduled within 30 days after the date of contract award. The conference will be held at a later date and time to be determined.

52.204-24 Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment (NOV 2021)

The Offeror shall not complete the representation at paragraph (d)(1) of this provision if the Offeror has represented that it "does not provide covered telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument" in paragraph (c)(1) in the provision at 52.204-26, Covered Telecommunications Equipment or Services—Representation, or in paragraph (v)(2)(i) of the provision at 52.212-3, Offeror Representations and Certifications-Commercial Products or Commercial Services. The Offeror shall not complete the representation in paragraph (d)(2) of this provision if the Offeror has represented that it "does not use covered telecommunications equipment or services, or any equipment, system, or service that uses covered telecommunications equipment or services" in paragraph (c)(2) of the provision at 52.204-26, or in paragraph (v)(2)(ii) of the provision at 52.212-3.

(a) Definitions. As used in this provision—

Backhaul, covered telecommunications equipment or services, critical technology, interconnection arrangements, reasonable inquiry, roaming, and substantial or essential component have the meanings provided in the clause 52.204-25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.

(b) Prohibition. (1) Section 889(a)(1)(A) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2019, from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) Section 889(a)(1)(B) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115-232) prohibits the head of an executive agency on or after August 13, 2020, from entering into a contract or extending or renewing a contract with an entity that uses any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. This prohibition applies to the use of covered telecommunications equipment or services, regardless of whether that use is in performance of work under a Federal contract. Nothing in the prohibition shall be construed to—

(i) Prohibit the head of an executive agency from procuring with an entity to provide a service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

(ii) Cover telecommunications equipment that cannot route or redirect user data traffic or cannot permit visibility into any user data or packets that such equipment transmits or otherwise handles.

applicable to this solicitation (including the business size standard(s) applicable to the NAICS code(s) referenced for this solicitation), at the time this offer is submitted and are incorporated in this offer by reference (see FAR [4.1201](#)), except for paragraphs [REDACTED].

[Offeror to identify the applicable paragraphs at (c) through (v) of this provision that the offeror has completed for the purposes of this solicitation only, if any. Write "None" if there are no changes needed to your online reps and certs.

These amended representation(s) and/or certification(s) are also incorporated in this offer and are current, accurate, and complete as of the date of this offer.

Any changes provided by the offeror are applicable to this solicitation only, and do not result in an update to the representations and certifications posted electronically on SAM.]

52.212-2 Evaluation – Commercial Products and Commercial Services (NOV 2021) (Provision)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

- **Contractor's experience**
- **Past performance**
- **Price**

The Contractor shall submit a Schedule of Items with prices and Experience Questionnaire as part of their quote. The experience questionnaire will be used as part of the evaluation.

Price Evaluation – each geographic area, defined as the Beartooth Ranger District (RD), the Bozeman RD, the Gardiner RD, the Hebgen Lake RD, the Yellowstone RD, the Ashland RD, the Sioux RD (Montana), and the Sioux RD (South Dakota), will be evaluated as if each toilet will be pumped once each year for a total of three years using prices identified in the schedule of items. One or more awards may be made for a Ranger District/Zone to the responsible quoter whose quote is determined to be the best value to the Government.

For an example, if Contractor A has the best value for the Beartooth RD for the total of the 3 years, then an award will be made to Contractor A. Or if Contractor B has the best value for the Beartooth RD, Bozeman RD and Gardiner RD for the total of the 3 years, then an award will be made to Contractor B.

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

52.217-5 Evaluation of Options. (July 1990)

Except when it is determined in accordance with FAR 17.206(b) not to be in the Government's best interests, the Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).
