(vi) Description of requirement: Offeror will be required to perform the services identified in the SOW.

(vii) Dates and Place of Delivery:

Delivery is to be completed within 120 days for first articles and then 2 every month from acceptance of first articles as per the SOW. FOB Destination.

(viii) The provision at [52.212-1](#), Instructions to Offerors -- Commercial, applies to this acquisition.

Offers are due by 1:00 PM MT, 01 February 2023 via electronic mail to gregory.hales.2@us.af.mil.

(a) Provide the SAM Unique Entity ID when submitting bid.

(ix) 52.212-2: Evaluation -- Commercial Items

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

(i) *price*

(ii) *technical capability of the item offered to meet the Government requirement.*

Evaluation is on Lowest Price Technically Acceptable (LPTA) basis. All offers will be evaluated on their proposed Total Price. The contract will be awarded to the company with lowest price, which also fully meets all specifications and is determined technically acceptable. Only the lowest priced proposal will be evaluated for technical acceptability (to be based on the specifications). The next lowest offer will only be evaluated if the aforementioned offer is not found technically acceptable (and so on). Only one award will be made under this solicitation. Award will be conducted under the provisions of FAR Part 12, Commercial Items, and FAR 13, Simplified Acquisition Procedures. Submit only written offers; oral offers will not be accepted. All firms or individuals responding must be registered with the System for Award Management (SAM).

(b) Options: There is one 2 year/24 months option period.

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the

successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(x) Clauses are Attachment 5

(a) While not required, the Contractor may include in its subcontracts for commercial items a minimal number of additional clauses necessary to satisfy its contractual obligations.

(xi) Additional Contract Requirement or Terms and Conditions:
N/A

(xii) Defense Priorities and Allocations System (DPAS):
