

VENDOR QUESTIONS AND ANSWERS

Solicitation No.: 69056723Q000014

Project No.: AK PFH 58(1)

Project Name: Neck Lake Rd. Reconstruction: NPOWI Hwy. to Marine Access I

| # | General | Technical | Question | Answer | Date |
|---|---------|-----------|--|--|------------|
| 1 | | X | Was the number of credits determined using Modified HGM method? | Yes | 1-Feb-2023 |
| 2 | | X | Would the government be willing to purchase credits based off the WESPAK-SE functional assessment method (the current standard in Alaska)? | Credits based on the WESPAK-SE functional assessment, <i>if approved by the US Army Corps of Engineers</i> , will be acceptable. A request to USACE has been made to confirm they will accept purchased credits based on the WESPAK-SE functional assessment. Will update the Q&A when their response is received... | 1-Feb-2023 |
