MOD P00001 NARRATIVE

The purpose of this amendment is for the following:

- 2) Extend the solicitation closing date to 14 Feb 2023 at 12:30pm

All other terms and conditions of this solicitation remain unchanged and in effect.

## Section SF 1449 - CONTINUATION SHEET

SOLICITATION NARRATIVE

1. Army Contracting Command – Rock Island (ACC-RI) hereby issues solicitation W519TC-23-Q-2079 for the procurement of Plugs in support of Rock Island Arsenal – Joint Manufacturing and Technology Center (RIC-JMTC). This solicitation and corresponding award is in accordance with FAR Part 12, Acquisition of Commercial Items, and FAR Part 13, Simplified Acquisition Procedures. This solicitation is a 100% Small Business Set Aside under NAICS 333515 Cutting Tool and Machine Tool Accessory.

The government intends to award one Firm Fixed Price (FFP) Contract to the offeror with the lowest priced, most responsible, and responsive quote, as found in FAR 9.104.

2. This solicitation is in strict accordance with Drawing 10895621-80. Items will be inspected by RIA-JMTC Tool Design. If the items are not in accordance with the requirement, they will be rejected and returned to the contractor at no additional cost to the Government.
3. Quotes will be considered valid for a period of 30 calendar days after submission by the contractor.
4. The Defense Finance and Accounting Services (DFAS) via Wide Area Workflow (WAWF) will make payment. Only electronic invoices submitted through WAWF will be accepted. All other formats will be rejected. See Defense Federal Acquisition Regulation Supplement (DFARS) 252.232-7003 and 232.232-7006 for additional invoice guidance.
5. On time delivery is very critical. Therefore, the contractor must adhere to the delivery requirements indicated in the subsequent award. Failure to comply with the contractual delivery schedule after award may result in termination of the order or require consideration if the Government elects to extend the delivery. The Government is not required to extend your delivery schedule if you encounter delays. The non-availability of raw materials, subcontractor issues, scheduling conflicts, etc., are not acceptable excuses for failing to meet the delivery schedules in the subsequent award. If there is going to be a delay in delivery, the vendor is required to notify the Contract Specialist and/or Contracting Officer designated in this order.

IMPORTANT: Please mark the outside of all shipping containers, invoices, freight bill of lading, and packing slips with the Order number TBD. Please list only the address listed in the “Ship To” block on all freight bill of lading. Failure to do this could cause your shipment to be returned back to your, refused by Rock Island Arsenal.

6. Rock Island Arsenal (RIA) Visitor Access Passes are issued to individuals, not companies or groups. All visitors, to include transportation and freight services, official and unofficial, are highly suggested to preregister at least three (3) business days prior to their visit. Preregistration of visitors allows for the National Crime Information Center NCIC-III background check to be conducted prior to the individual arriving at RIA, reducing their wait time upon arrival.

It is the responsibility of the prime contractor to ensure that this information is passed along to any subcontractor or transportation provider used during the performance of this purchase order. **DRIVERS WHO DO NOT MEET THE INSTALLATION ACCESS REQUIREMENTS WILL NOT BE ALLOWED ON THE INSTALLATION AND WILL BE TURNED AWAY.**

Driver's Licenses that have written on the top of them “NOT FOR FEDERAL IDENTIFICATION PURPOSES” are also non-compliant.

These non-compliant driver's license or state issued identification cards may still be presented at the Rock Island Visitor Control Center, but they must be accompanied by one of the following secondary forms of identification before a records check is conducted and installation access is granted:

- \*Current vehicle registration showing name and address
