

This is a notice for all interested parties to perform a site visit concerning the procurement of the safety-critical “Fall Arrest Protection Systems - Aircraft Wings” in building 89 at Robins Air Force Base, GA 31098.

NOTE: COSTS INCURRED ARE AT THE INTERESTED PARTY’S EXPENSE. THE GOVERNMENT WILL NOT PAY ANY ASSOCIATED COSTS WITH THE SITE VISIT.

All interested parties should utilize the following information to communicate their intent to attend and should contact the Government Point of Contact (POC) at least a week prior to the scheduled visit:

Matthew Harmon
402 AMXG/MXDEO
matthew.harmon.14@us.af.mil
478-222-7922

The date and time scheduled for the site visit is: **Tuesday, August 29th, 2023 at 1:00 PM EST.** **This will be a one hour visit. The first hour of the visit will be walking the site.** Questions and answers that arise from this site visit will be posted prior to or along with the release of the RFQ/RFP. This will be the only time block available.

Please provide the full names of all visitors that intend on coming to the sessions at least by the Friday before arrival. Visitors should bring their driver’s license, proof of vehicle registration, and proof of vehicle insurance (rental’s only need to provide the rental agreement).

All interested parties need to be at Robins Air Force Base Visitor’s Center no later than **12:30 PM EST on Tuesday, August 29th, 2023**

Attached is the Purchase description for this requirement along with the address and map to the Visitor’s Center.

Address:
