

Synopsis for Solicitation number N0018923Q0240
Naval Computer and Telecommunications Area Master Station Atlantic

NOTICE OF INTENT TO AWARD SOLE SOURCE THIS IS NOT A REQUEST FOR COMPETITIVE PROPOSALS. The NAVSUP Fleet Logistics Center (FLC) Norfolk, Contracting Department, Norfolk, VA 23511-3392 intends to award a Firm Fixed Price (FFP) contract in support of Naval Computer and Telecommunications Area Master Station Atlantic (NCTAMS LANT). This is a notice of intent to solicit and award a sole source contract under statutory authority 41 U.S.C. 3304(a)(1) set forth in Federal Acquisition Regulation 6.302-1(a)(2)(ii) (A), Only One Responsible Source and No Other Supplies or Services Will Satisfy Agency Requirements.

NCTAMS LANT requires ML 6697A Electron Tubes, which provides the final power amplification for the AN/FRT-31 VLF transmitter developed by Communications and Power Industries (CPI). The requirement is for (10) ML 6697A Electron Tubes (2 batches of 5) each year, for three years.

A request for quote will be available for download on or about 13 June 2023 at the following website: <https://www.sam.gov>. Potential vendors are hereby notified that the solicitation and subsequent amendments to the solicitation will ONLY be available by downloading the documents at the above web sites. This office will no longer issue hard copy solicitations. By submitting a quote, the vendor will be self-certifying that neither the requestor nor the principal corporate officials and owners are currently suspended, debarred, or otherwise ineligible to receive contracts from any federal agency. Failure to do so may represent grounds for refusing to accept the quote. Through its submission, the vendor acknowledges the requirement that a prospective awardee must be registered in the System for Award Management (SAM) database prior to award, during performance and through final payment of any contract resulting from this solicitation, except for award to foreign vendors for work to be performed outside the United States. Lack of registration in the SAM database will make a vendor ineligible for award.

The North American Industry Classification System (NAICS) code for this acquisition is 334419 – Other Electronic Component Manufacturing. The Size Standard is 750 Employees. The product service code (PSC) is 5960 – Electron Tubes and Associated Hardware.

The contract length is for one (1) 6-month base, with five (5) 6-month option periods.
