3. Proposal contents for submission:

Reponses to this RFP shall include the following elements:

- a. Pricing information, in accordance with the table above.

4. Evaluation and Basis for Award Determination:

FAR 52.212-2 Evaluation – Commercial Items:

(a) The Government will award a Firm Fixed-Price contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

Price

Pricing must be determined fair and reasonable. In the event that all submissions received are weighed equally, pricing information – once determined to be fair and reasonable - will be used in selecting an awardee

The Government intends to evaluate proposals and award a contract without exchanges with contractors. However, the Government reserves the right to conduct exchanges or seek clarifications if the KO determines they are necessary.

The agency intends to award using FFP contracts. The Government will only be evaluating price, based on proposals received that can adhere to the CLIN descriptions and exact part numbers and/or serial numbers in the pricing table above. This requirement is being solicited as BRAND NAME OR EQUAL. Products being offered must be identical or equal to the serial numbers, ID numbers, and other specific product identifiers found in the pricing table above.

The Government intends to evaluate proposal and award a contract without exchanges with contractors. However, the Government reserves the right to conduct exchanges or seek clarifications if the KO determines they are necessary.

Attachment 1 contains provisions that apply to this solicitation and clauses that will be applicable to the resulting award. Some of the provisions require a response from the contractor and must be submitted along with your proposal.

1. Contractor and must be submitted along with your quotation.
2. The proposals received in response to this RFP shall remain valid for 45 calendar days from the due date below. Closing date of proposal is 28 May 2023.
3. The KO reserves the right to withdraw and cancel this Solicitation at any time. In such event, the contractor shall be notified in writing of the KO's decision. This decision is final and conclusive and shall not be subject to the "Disputes" clause or the "Contract Disputes Act".

Sincerely,

X

Regina Cronin
Supervisory Contract Specialist
