Addendum to 52.212-2(a): Paragraph (a) is tailored as follows:

(a) Basis for Award. The Government intends to award one Firm Fixed Price contract for this acquisition. Award will be made to technically acceptable Offerors who are deemed responsible in accordance with FAR 9.104 and whose quote conforms to the solicitation requirements. The solicitation requirements include all stated terms, conditions, and all other information required by this quote. Unless specifically identified in your quote, by submission of its quote, the Offeror accedes to all solicitation requirements, including terms and conditions, and technical requirements, in addition to those identified as evaluation factors. Failure to meet a requirement may result in a quote being determined ineligible for award. This contract will be awarded as Firm Fixed Price (FFP). It is the Government's intent to evaluate quotes and award without interchanges with Offerors. Therefore, the Offeror's initial quotes should contain the Offeror's best terms from a price, and technical standpoint. However, the Government reserves the right to conduct interchanges if the Contracting Officer (CO) later determines them to be necessary.

1.0 Evaluation Process. The evaluation factor and process to be used is listed below.

1.1 Evaluation Factors. In evaluating quotes, the Government will select the quote that is most advantageous to the Government. To arrive at a decision, only the three lowest quotes will be assessed in accordance with the following evaluation factors for the award:

Technical Acceptability Price

1.1.1 Technical Evaluation. Only the three lowest quotes will be evaluated for Technical Acceptability.

(A) Acceptability Ratings. The evaluation factors listed below will be used to evaluate each quote and will

(i) Acceptable - The quote clearly meets the minimum requirements of the quote as listed in the attached **Attachment 1 - Statement of Work (SOW)**, **Attachment 2 -Salient Characteristics**, and **Attachment 3 - Layout**.

(ii) Unacceptable - The quote does not clearly meet the minimum requirements of this quote and its attachments.

1.1.2 Price Evaluation. Evaluations will be completed by multiplying the Offeror's unit price by the estimated quantity. An offeror's proposed TEP will be determined by multiplying the estimated quantities identified in the Schedule of Supplies by the quoted unit price for each Line Item Number (CLIN). The Government may require submission of information other than cost or pricing data to the extent necessary to evaluate price reasonableness.

1.1.2.2 Evaluation of Factors. Offerors are advised that their initial submission should be their best effort. Only technically acceptable quotes, either initially or as a result of interchanges, are eligible for award. If award is made without interchanges, quote revisions will not be permitted. The Government will evaluate the quotes selected above for technical acceptability on an Acceptable/Unacceptable basis. For the technical quote to be rated as "Acceptable", the technical factor must be rated acceptable. If the technical factor is rated "Unacceptable" the overall quote will be rated as "Unacceptable".

(A) Interchanges. Under appropriate circumstances, interchanges can be an effective method to improve the Government's evaluation of Offerors' quoted approaches and may reduce acquisition cycle time. Interchanges may be written, email, phone call, etc., or any method which would accurately capture the contemporaneous sharing of information between the Government and the Offerors. Interchanges may also be oral conversations between the Government and the Offerors.(B) Factor # 1 - Submit product descriptions for each item being quoted. The offeror shall submit product specifications that are specified in **Attachment 1 - Statement of Work (SOW)**, **Attachment 2 -Salient Characteristics**, and **Attachment 3 - Layout**. The standard has been met when: The offeror provides products that fully conform to the

product description requirements specified in Attachment 1 - Statement of Work (SOW), Attachment 2 - Salient Characteristics, and Attachment 3 - Layout. 1.2 Technical Evaluation. If the Government receives three (3) or fewer proposals all proposals will be evaluated for Technical Acceptability. If the Government receives more than three (3) proposals the Government will only select the three (3) lowest priced proposals and then evaluate them for Technical Acceptability. The Government reserves the right to evaluate additional proposals for technical acceptability if in the Government's best interest. If additional proposals are evaluated for technical acceptability they will be selected in the order of total evaluated price. (End of clause)

(iii) The Government will evaluate offers in accordance with the policies and procedures of FAR part 25. For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American statute. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that there are no offers for such products or that the offers for such products are insufficient to fulfill the requirements of the solicitation.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals-

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment*. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples*. (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126)*. [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

For statistical purposes only, the offeror shall indicate whether the place of manufacture of the end products it expects to provide in response to this solicitation is predominantly-

(k) *Certificates regarding exemptions from the application of the Service Contract Labor Standards* (Certification by the offeror as to its compliance with respect to the contract also constitutes its certification as to compliance by its subcontractor if it subcontracts out the exempt services.) *[The contracting officer is to check a box to indicate if paragraph (k)(1) or (k)(2) applies.]*

(1) Maintenance, calibration, or repair of certain equipment as described in FAR 22.1003-4(c)(1). The offeror ☐ does ☐ does not certify that-

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies-

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

(l) *Taxpayer Identification Number (TIN)* (26 U.S.C. 6109, 31 U.S.C. 7701). (Not applicable if the offeror is required to provide this information to the SAM to be eligible for award.)

52.229-11 Tax on Certain Foreign Procurements-Notice and Representation. Jun 2020

As prescribed in 29.402-3(a), insert the following provision:

TAX ON CERTAIN FOREIGN PROCUREMENTS-NOTICE AND REPRESENTATION (JUN 2020)

(a) *Definitions*. As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

United States person as defined in 26 U.S.C. 7701(a)(30) means

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and

(5) Any trust if-

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

(1) It ☐ is ☐ is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 ☐ a full exemption, or ☐ partial or no exemption [Offeror shall select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.
