

SMALL BUSINESS PARTICIPATION ATTACHMENT 0007

All Other than Small Business Offerors are required to complete a Small Business Participation Plan. Offerors should propose the level of participation of small businesses in the performance of the acquisition relative to the goals set forth in the evaluation of this area.

- (a) Submit the total combined percentage of work to be performed by Other than Small Businesses and Small Businesses (to include the percentage of work to be performed both by Prime and Subcontractors). Percentages are to be based on total contract value, including options.

Example: If the Prime proposes a total contract value of \$1,000,000 (including all options), and small business(es) will provide \$400,000 in services/supplies as a prime or subcontractor, the % planned for small businesses is 40%, and the % planned for other than small businesses is 60%, equaling 100%.

Percent of total contract value planned for:

Other than Small Business(es)	_____ % = \$ _____
Small Business(es)	_____ % = \$ _____
	100% = Total Contract Value

When combined, Other than Small Business and Small Business totals must equal 100%

Percent of total contract value planned for:

Prime	_____ % = \$ _____
Subcontractors	_____ % = \$ _____
	100% = Total Contract Value

When combined, Prime and Subcontractor totals must equal 100%

- (b) Please indicate the total percentage of participation to be performed for each socio-economic category (i.e., Small Business (SB), Small Disadvantaged Business (SDB), Woman-Owned Small Business (WOSB), HUBZone-Certified Small Business (HUBZone), Veteran-Owned Small Business (VOSB), and Service-Disabled Veteran-Owned Small Business (SDVOSB)). The percentage of work performed by Small Businesses that qualify in multiple small business categories shall be counted in each category:

Example: If the Total Contract Value were \$1,000,000, and the Prime allocates \$200,000 to Subcontractor A (a WOSB and SDVOSB) and \$200,000 to Subcontractor B (a SDB and WOSB), the Offeror would allocate \$400,000 in the Small Business category (40%), \$200,000 in the SDB category (20%), \$400,000 in the WOSB category (40%), \$200,000 in the VOSB category (20%), and
