Entities are advised to familiarize themselves with the telecommunications prohibitions outlined under Section 889 of the FY19 National Defense Authorization Act (NDAA), as implemented by the Federal Acquisition Regulation (FAR). For more information, visit: <https://acquisition.gov/FAR-Case-2019-009/889 Part B>.

The U.S. Government currently occupies office and related space in a building under a lease in Williamston, NC that will be expiring. The Government is considering alternative space if economically advantageous. In making this determination, the Government will consider, among other things, the availability of alternative space that potentially can satisfy the Government's requirements, as well as costs likely to be incurred through relocating, such as physical move costs, replication of tenant improvements and telecommunication infrastructure, and non-productive agency downtime.

Expressions of Interest Due:	8/11/2023
Market Survey (Estimated):	9/2023
Occupancy (Estimated):	6/2024

Note: Entities not currently registered in the System for Award Management (SAM) at SAM.gov, are advised to start the registration process as soon as possible if intending to submit an offer for possible lease award.
