

The purpose of this sources sought is to obtain knowledge of potential sources for this project including interested Small Business concerns. This notice is for planning purposes only. All interested parties are encouraged to respond. McEntire Joint National Guard Base, Eastover, South Carolina may issue a solicitation and award a contract to replace the existing taxiway surfaces and widen to UFC standards with new concrete subject to the availability of funds. The magnitude of this project is expected to be between \$10,000,000 and \$25,000,000. All interested concerns will provide this office, in writing, a notice stating their positive intention to submit a proposal as a prime contractor no later than 27 December 2022. This notification, which shall not exceed 10 typewritten pages, must include:

- (1) A positive statement of intent to bid as a prime contractor
- (2) A completed and signed Source Sought Information Request Form
- (3) A list of government building construction projects completed during the past five (5) years, with emphasis on work completed as a prime contractor on runway or asphalt projects. The dollar value, contract number, location, COR and Contracting Officer are to be included for each job. If you were not the prime contractor, you must provide the name and contact information of the prime contractor.
- (4) A brief outline of resources, subcontractors, and key personnel that would be used to accomplish the contract.

In the event an adequate number of Small Business contractors are not available for competition of this project, the government reserves the right to advertise on an unrestricted basis.

Information shall be provided via email to BOTH Kevin.j.esber.mil@army.mil and badri.francis.1@us.af.mil. All responses must include the following in the subject line: Sources Sought W912QG-23-B-0001.
