SOURCES SOUGHT SYNOPSIS:

Solicitation Number:

FA8224-23-EnhancedPolymers

Notice Type:

Sources Sought

Synopsis:

Notice: This is not a solicitation but rather a Sources Sought Synopsis to determine potential sources for information and planning purposes only.

1. The purpose of this Sources Sought is to conduct market research to determine if responsible sources exist, to assist in determining if this effort can be competitive and/or a total Small Business Set-Aside.

2. Program Details:

The RAPID Innovation Center at Hill Air Force Base, Utah requires the purchase for MAGICs software and modules to setup and process parts for advanced 3D Printers.

3. Instructions:

The Government requests interested parties provide the following information (please limit your response to no more than 4 pages):

- a. Company Name and Commercial and Government Entity (CAGE) Code.
- b. Name, phone number, and email address for point of contact(s).
- c. The applicable NAICS Code for this acquisition is **513210**. Based on this NAICS Code, what is your size status?
☐ Small Business
☐ Small Disadvantaged
☐ Women-Owned
☐ Veteran-Owned
☐ Service-Disabled Veteran Owned
☐ Hub-Zone
☐ 8(a)
☐ Large Business
- d. Are you currently registered in SAM.gov and WAWF?
- e. The NAICS Code selected for this potential requirement is **513210**, which has a size standard of \$47.0 Million. If you disagree and/or recommend a NAICS Code other than **513210**, please submit that comment to the requiring activity along with what NAICS Code you believe this should be classified under; however, please do not wait for an amendment to this request. The due date for the market survey will remain at **February 2, 2023**. This date will not be extended.
- f. Provide any authorized distributor letters as necessary for non-manufactured items that state you are authorized distributors for Hill AFB, Utah. You are encouraged to provide any documentation to support your business's capability in meeting the requirements.

Failure to provide this type of documentation may result in the Government being unable to adequately assess your business's capabilities to supply the software and associated equipment.

- g. Questions relative to this market survey should be addressed to the contact provided below. The question must contain a phone number and email address for responses.
- h. Please provide all responses to this survey – to include any questions or comments you might have – to the requiring activity no later than **February 2, 2023** to the attention to Hannah Rearick via email: hannah.rearick@us.af.mil or to Shelly Bachison via email: shelly.bachison@us.af.mil.
