The Government will evaluate quotations utilizing the procedures of FAR 13.106-2 Evaluation of quotations or offers. Offers will be evaluated for acceptability, but not ranked using the non-price factors/sub-factors. All non-price factors and sub-factors will be rated as either “acceptable” or “unacceptable”. The Government intends to evaluate and make award without discussion with the offerors other than minor clarifications, unless discussions are determined to be necessary. A decision on the technical acceptability of each offeror’s quotations will be made. For those offeror’s which are determined to be technically acceptable, award will be made to that vendor with the lowest overall prices.

The LPTA evaluation process will be accomplished as follows - Technical Acceptability will be comprised of three subfactors: 1.) Meeting all areas in the SOW; 2.) Price is Fair and Reasonable; and 3) Responsiveness to requirements.

Technical and past performance, when combined, are _____ *[Contracting Officer state, in accordance with FAR [15.304](#), the relative importance of all other evaluation factors, when combined, when compared to price.]*

(b) *Options*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) *Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126).* [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at [22.1503\(b\)](#).]

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

Appendix__ : Business Associate Agreement

I. Authority:

Pursuant to 45 C.F.R. § 164.502(e), the Indian Health Service (IHS), as a covered entity, is required to enter into an agreement with a “business associate,” as defined by 45 C.F.R. § 160.103, under which the business associate must agree to appropriately safeguard Protected Health Information (PHI) that it will use and disclose when performing functions, activities or services pursuant to its contract with the IHS. By signing Contract No. _____ (Contract), _____ agrees that it is a Business Associate and will comply with the terms below, in addition to other applicable Contract terms and conditions, and applicable law, relating to the safekeeping, use, and disclosure of PHI. This Appendix comprises the Business Associate Agreement (Agreement).

II. Definitions:

The following terms shall have the same meaning as those terms in 45 C.F.R. Part 160 and Part 164, which are the federal regulations implementing the Health Insurance Portability and Accountability Act of 1996 (HIPAA), as amended: Breach, Designated Record Set, Disclosure, Health Care Operations, Individual, Minimum Necessary, Notice of Privacy Practices, PHI, Required by Law, Secretary, Security Incident, Subcontractor, Unsecured PHI, and Use.

- A. Business Associate. “Business Associate” shall generally have the same meaning as the term “business associate” at 45 C.F.R. § 160.103, and in reference to the party to this Agreement shall mean _____.
- B. Covered Entity. “Covered Entity” shall generally have the same meaning as the term “covered entity” at 45 C.F.R. § 160.103, and in reference to the party to this Agreement, shall mean the IHS.
- C. HIPAA Rules. “HIPAA Rules” shall mean the Privacy, Security, Breach Notification, and Enforcement Rules at 45 C.F.R. Part 160 and Part 164.
- D. Master Patient Index (MPI). The “Master Patient Index” or “MPI” is composed of a unique list of patients and a current list of medical centers where each patient has been seen. This enables the sharing of patient data between operationally and regionally diverse systems. Each record (or index entry) on the MPI contains a small amount of patient data used to identify individual entries.

The mission of the MPI is to uniquely identify a patient and to “link” that patient’s data throughout the IHS facilities using the Integration Control Number (ICN). The MPI is the authoritative source of a patient’s ICN, the enterprise-wide identifier for IHS facilities and the key to accessing a patient’s record. The

accuracy of patient information and patient identification directly affects clinical, administrative, billing, and interdepartmental processes.

III. Obligations and Activities of Business Associate:

- A. Compliance:** Business Associate agrees not use or disclose PHI other than as authorized by the Agreement or as required by law. Business Associate acknowledges that it is directly liable under the HIPAA Rules and subject to civil and, in some cases, criminal penalties for making uses and disclosures of PHI that are not authorized by the Agreement or required by law. Business Associate agrees that it will require all of its agents, employees, subsidiaries, and affiliates, to whom Business Associate provides PHI, or who create or receive PHI on behalf of Business Associate for Covered Entity, to comply with the HIPAA Rules and to enter into written agreements with Business Associate that provide the same restrictions, terms, and conditions as set forth in the Agreement.
- B. Subcontractors:** In accordance with 45 C.F.R. §§ 164.502(e)(1)(ii) and 164.308(b)(2), which govern relations with subcontractors, Business Associate agrees to ensure that any subcontractors that create, receive, maintain, or transmit PHI on behalf of Business Associate agree to the same restrictions, terms, and conditions that apply to Business Associate with respect to such PHI.
- C. Safeguarding PHI:** Business Associate shall develop and use appropriate procedural, physical, and electronic safeguards to protect against the use or disclosure of PHI in a manner not authorized by this Agreement or required by law. Business Associate will limit any use, disclosure, or request for use or disclosure of PHI to the minimum amount necessary to accomplish the intended purpose of the use, disclosure, or request.
- D. Safeguarding Electronic PHI:** Business Associate agrees to use appropriate safeguards, as set forth in Subpart C of 45 C.F.R. Part 164 with respect to electronic PHI, to prevent use or disclosure of electronic PHI other than as authorized by this Agreement or required by law.
- E. Reporting Use or Disclosures Not Authorized By this Agreement or Required by Law:** Business Associate agrees to report to Covered Entity any use or disclosure of PHI not authorized by this Agreement or required by law within thirty (30) days of discovering the use or disclosure, or any security incident of which it becomes aware. In addition, Business Associate shall mitigate, to the extent practicable, any harmful effect that is known to Business Associate of the use, disclosure, or security incident.
- F. Reporting of Breach:** In accordance with the policy of the Department of Health and Human Services, Business Associate will report, within one hour of discovery, all suspected or confirmed breaches to Covered Entity.

Such notice shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed by Business Associate to have been, accessed, acquired, or disclosed during such breach; a brief description of the circumstances of the breach of security, including the date of the breach and the date of Business Associate's discovery of the breach; and the type of unsecured PHI involved in the breach. Business Associate agrees to provide any other available information that Covered Entity is required to include in notification to the individual under 45 §164.404(c). In the event notification is delayed, evidence demonstrating the necessity of the delay shall accompany the notification.

H. Individual Access to PHI: Business Associate shall maintain a designated record set for each individual for whom it maintains PHI. In accordance with an individual's right to access his or her PHI, Business Associate shall make available all PHI in the individual's designated record set to the individual to whom that information pertains, or, upon the request of the individual, to that individual's authorized representative, as necessary to satisfy Covered Entity's obligations under 45 C.F.R. § 164.524. Availability to access PHI shall be made within five (5) calendar days of receipt of a valid request.

In addition, Business Associate shall ensure incorporation of any such amendments into PHI held by its agents or subcontractors within ten (10) days of such direction, and shall notify Covered Entity within five (5) calendar days of when

Appendix__ : Business Associate Agreement

those agents or subcontractors have completed the incorporation of the amendments. Business Associate shall forward to Covered Entity all requests to amend PHI that it receives directly from individuals within five (5) calendar days of its receipt of a request.

K. Carrying out Covered Entity's Obligations: To the extent Business Associate is to carry out one or more of Covered Entity's obligation(s) under Subpart E of 45 C.F.R. Part 164, Business Associate agrees to comply with the requirements of Subpart E that apply to Covered Entity in the performance of such obligation(s).

L. Disclosures for Verifying Compliance: Upon request, Business Associate shall permit access by the Secretary and Covered Entity during normal business hours to its facilities, books, records, accounts, and any other sources of information, including PHI and any agreements that it has with subcontractors, vendors, and/or other agents relating to the use and disclosure of PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity, for purposes of determining both Business Associate's and Covered Entity's compliance with the HIPAA Rules.

IV. Permitted Uses and Disclosures by Business Associate:

- A. Business Associate shall not use or disclose PHI except to perform functions, activities, or services on behalf of Covered Entity as provided for in the Contract, this Agreement, the HIPAA Rules, or other applicable law.
- B. Business Associate agrees that it may use or disclose PHI on behalf of Covered Entity only:
 - 1. Upon obtaining the authorization of the individual to whom the PHI pertains;

- E. It is anticipated that Business Associate will have access to the MPI.

Appendix__ : Business Associate Agreement

F. Business Associate may not use or disclose PHI in a manner that would violate Subpart E of 45 C.F.R. Part 164 if done by Covered Entity, except for the specific uses and disclosures set forth below.

1. Business Associate may disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate, provided the disclosures are required by law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that the information will remain confidential and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person, and the person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

V. Obligations of Covered Entity:

- A. Covered Entity shall provide Business Associate with its Notice of Privacy Practices and any changes to the Notice.

6. If Business Associate or its agent or subcontractor destroys any PHI, Business Associate will provide Covered Entity with documentation evidencing such destruction within thirty (30) days of completion of destruction.

D. **Survival:** The obligations of Business Associate under this Part shall survive the termination of this Agreement.

VII. Indemnification:

In the event Business Associate is investigated and/or becomes a party to a civil or criminal cause of action in any forum relating to its failure to comply with the HIPAA Rules, Business Associate shall reimburse Covered Entity all reasonable costs and expenses Covered Entity may incur relating to such investigation and/or cause of action, and will otherwise hold Covered Entity harmless for any and all reasonable costs and expenses relating to the foregoing.

Item 16. Agency Specific Questions

Name: _____ **Social Security Number:** _____

(Please print)

Job Title in Announcement: _____ **Announcement Number:** _____

Section 231 of the Crime Control Act of 1990, Public Law (Pub. L.) 101-647, requires employment applications for individuals seeking employment in a position involved with the provision to children under the age of 18 of "child care services," as defined in 42 U.S.C. § 13041(a)(2), contain a question asking whether the individual has ever been arrested for or charged with a crime involving a child and for the disposition of the arrest or charge. Under 42 U.S.C. § 13041(a)(2), the term "child care services" means child protective services (including the investigation of child abuse and neglect reports), social services, health and mental health care, child (day) care, education (whether or not directly involved in teaching), foster care, residential care, recreational or rehabilitative programs, and detention, correctional, or treatment services. Individuals hired for such positions must undergo a criminal history background check.

Section 408 of the Indian Child Protection and Family Violence Prevention Act, Pub. L. 101-630, contains a related requirement for positions in the Department of Health and Human Services that involve regular contact with or control over Indian children. The agency must ensure that persons hired for these positions have not been found guilty of or pleaded nolo contendere or guilty to certain crimes. The law requires the agency conduct an investigation of the character of each individual who is being considered for employment in such a position and prescribe in regulations the "minimum standards of character" that must be met in order for an individual to fill such a position. The regulations specify that "[t]he minimum standards of character shall be considered met only after the individual has been the subject of a satisfactory background investigation," which includes a criminal history background check.

42 C.F.R. § 136.406.

To assure compliance with the above laws, the following questions are added to the Declaration for Federal Employment:

1. Have you ever been arrested for or charged with a crime involving a child?
YES _____ NO _____

[If "YES", provide the date, explanation of the violation, disposition of the arrest or charge, place of occurrence, and the name and address of the police department or court involved.]

2. Have you ever been found guilty of, or entered a plea of nolo contendere (no contest) or guilty to, any felonious or misdemeanor offense under Federal, State, or tribal law involving crimes of violence; sexual assault, molestation, exploitation, contact or prostitution; or crimes against persons; or offenses committed against children?
YES _____ NO _____

[If “YES”, provide the date, explanation of the violation, disposition of the arrest or charge, place of occurrence, and the name address of the police department or court involved.]

I certify that (1) my response to these questions is made under penalty of perjury, which is punishable by fine under title 18 of the U.S. Code, or imprisonment of not more than five years, or both; and (2) I have received notice that a criminal check will be conducted. I understand my right to obtain a copy of any criminal history report made available to the Indian Health Service and my right to challenge the accuracy and completeness of any information contained in the report.

[Appendix to Part 73 -- List of Some Offenses for Which Disciplinary Action May be Taken](#)

§ 73.735-301 Courtesy and consideration for others.

(a) An employee's conduct on the job is, in all respects, of concern to the Federal government. Courtesy, consideration, and promptness in dealing with the public must be shown in carrying out official responsibilities, and actions which deny the dignity of individuals or conduct which is disrespectful to others must be avoided. Employees must recognize that inattention to matters of common courtesy can adversely affect the quality of service the Department is responsible for providing. Where appropriate, courtesy to the public should be included in the standards for employee performance.

(b) Of equal importance is the requirement that courtesy be shown in day-by-day interaction with co-workers. Employees shall be polite to and considerate of other employees, and shall respect their needs and concerns in the work environment.

§ 73.735-302 Support of department programs.

(a) When a Department program is based on law, Executive Order or regulation, every employee has a positive obligation to make it function as efficiently and economically as possible and to support it as long as it is a part of recognized public policy. An employee may, therefore, properly make an address explaining and interpreting such a program, citing its achievements, defending it against uninformed or unjust criticism, or soliciting views for improving it.

(b) An employee shall not, either directly or indirectly, use appropriated funds to influence, or attempt to influence, a Member of Congress to favor or oppose legislation. However, when authorized by his or her supervisor, an employee is not prohibited from: (1) Testifying, on request, as a representative of the Department on pending legislation or proposals before Congressional Committees; or (2) Assisting Congressional Committees in drafting bills or reports on

request, when it is clear that the employee is serving solely as a technical expert under the direction of committee leadership.

(c) All employees shall be familiar with regulations and published instructions that relate to their official duties and responsibilities and shall comply with those directives. This includes carrying out proper orders from officials authorized to give them.

(d) Employees are required to assist the Inspector General and other investigative officials in the performance of their duties or functions. This requirement includes the giving of statements or evidence to investigators of the Inspector General's office or other HHS investigators authorized to conduct investigations into potential violations.

§ 73.735-305 Conduct in Federal buildings.

(a) An employee shall not participate while on Government-owned or leased property or while on duty for the Government, in any gambling activity including the operation of a gambling device, in conducting a lottery or pool, in a game for money or property, or in selling or purchasing a numbers slip or ticket.

(b) An employee shall not while in or on Government-owned or leased property or while on duty for the Government solicit alms and contributions, engage in commercial soliciting and vending, display or distribute commercial advertisements, or collect private debts.

(c) The prohibitions in paragraphs (a) and (b) of this section do not preclude: (1) Activities necessitated by an employee's law enforcement duties; (2) Participation in Federally sponsored fund-raising activities conducted pursuant to Executive Order 10927, or similar HHS approved activities; or (3) Buying a lottery ticket at an authorized State lottery outlet for a lottery authorized by State law and conducted by an agency of a State within that State.

(d) General Services Administration regulations on "Conduct on Federal Property" apply to all property under the control of the General Services Administration, and they are also applicable to all buildings and space under the control of this Department. These regulations prohibit, among other things, gambling, being intoxicated, and possession, distribution, or use of narcotic or dangerous drugs on the premises. The GSA regulations are found in Subpart 101-20.3 of the GSA Regulations, 41 CFR 101-20.3.

§ 73.735-306 Sexual harassment.

Sexual harassment is deliberate unsolicited verbal comments, gestures, or physical contact of a sexual nature which are unwelcome. Sexual harassment is unacceptable conduct and is expressly prohibited. In addition, supervisors and managers are prohibited from taking or promising personnel actions in exchange for sexual favors, or failing to take an action because an employee or applicant for employment, refuses to engage in sexual conduct. This same prohibition applies to relationships between Department personnel who take or recommend action on a grant or contract and the grantee or contractor. Those employees who wish to file a complaint of sexual harassment should contact the Office of Equal Employment Opportunity (EEO) within their respective agencies for guidance. (Time frames for pursuing a charge alleging sexual harassment are the same as for any other complaint based on allegations of sex discrimination.)

§ 73.735-508(e) Other prohibitions.

Employees shall avoid any action whether or not specifically prohibited by this part, which might result in or create the appearance of:

(e) Making a Government decision outside official channels

§ 73.735-805 Advice and guidance on conflicts matters.

(a) Whenever an employee has a question about the appropriate course of conduct to be followed in a matter that may involve an actual or apparent conflict of interest, he or she should immediately consult with his or her supervisor or a deputy ethics counselor, or both. If a supervisor who is consulted determines that the matter warrants further

consideration, he or she may, in conjunction with the employee, submit the details of the matter, in writing, to the appropriate deputy ethics counselor. These details should include a description of:

- (1) The activity, relationship, or interest giving rise to the question posed by the employee;
- (2) The duties or official responsibilities of the employee(s) involved;
- (3) The nature of the actual or apparent conflict of interest; and
- (4) Any other information that may be helpful in reviewing the problem.

(b) Upon receiving the submission of an employee or a supervisor, the deputy ethics counselor will develop any additional information about the matter as necessary, and will confer with the Department Ethics Counselor as appropriate. The Department Ethics Counselor and the head of the principal operating component or his or her designee will be informed of any serious violation of the standards of this subpart or any other conflict of interest law. Questions of first impression or other unusual matters shall be brought to the attention of the Department Ethics Counselor and the head of the principal operating component or his or her designee.

(c) On the basis of all information gathered including, where appropriate, the advice of the Department Ethics Counselor, the deputy ethics counselor will:

- (1) Decide that there is no violation or potential violation of the standards of this subpart or any other law and so notify the employee and his or her supervisor in writing; or
- (2) Decide that a violation or potential violation of the standards of this subpart or other law has occurred or may occur, and that the employee involved shall take one or more of the steps set forth in § 731.735-904 to resolve the problem and notify the employee and his or her supervisor in writing; or
- (3) Decide that, although no violation of this subpart or other law has occurred, the nature of the matter is such that the employee should periodically report any additional information that would require reconsideration of the initial submission.

Subpart F -- Political Activity and USPHS Officers – (§§ 73.735-601 -- §73.735-603)

§73.735-601 Applicability.

(a) All employees in the Executive Branch of the Federal Government, including non-career employees, are subject to basic political activity restrictions in subchapter III of chapter 73 of title 5, United States Code (the former Hatch Act) and Civil Service Rule IV. Employees are individually responsible for refraining from prohibited political activity. Ignorance of a prohibition does not excuse a violation. This subpart summarizes provisions of law and regulation concerning political activity of employees. The Federal Personnel Manual and other publications of the Office of Personnel Management contain more detailed information on this subject. These may be reviewed in Department personnel offices, or will be made available by the Ethics Counselor, or the deputy counselor for the employee's organizational component.

(b) The Secretary and Under Secretary are exempt from the prohibitions concerning active participation in political management and political campaigns. Also exempt are other officials of the Department, except the Inspector General and Deputy Inspector General, who are appointed by the President by and with the advice and consent of the Senate, and who determine policies to be pursued by the United States in the nationwide administration of Federal laws.

(c) Intermittent employees are subject to the restrictions when in active duty status only and for the entire 24 hours of any day of actual employment.

(d) Employees on leave, on leave without pay, or on furlough even though an employee's resignation has been accepted, are subject to the restrictions. Separated employees who have received a lump-sum payment for annual leave are not subject to the restriction during the period covered by the lump-sum payment or thereafter, provided they do not return to Federal employment during that period. Employees are not permitted to take a leave of absence to work with a political candidate, committee, or organization or to become a candidate for office with the understanding that they will resign their position if nominated or elected.

(e) Employees are accountable for political activity by another person acting as their agent or under the employee's direction or control, if they are thus accomplishing indirectly what they may not lawfully do directly and openly.

(f) Though officers in the Public Health Service Commissioned Corps are not subject to the restrictions in Subchapter III of Chapter 73 of Title 5, United States Code, the provisions of this subpart apply to them.

§73.735-602 Permissible activities.

(a) Section 7324 of Title 5, United States Code, provides that employees have the right to vote as they please and to express their opinions on political subjects and candidates. Generally, however, employees are prohibited from taking an active part in political management or political campaigns or using official authority or influence to interfere with an election or affect its results. There are some exemptions from the restrictions of the statute:

(1) Employees may engage in political activity in connection with any question not specifically identified with a national or State political party. They also may engage in political activity in connection with an election, if none of the candidates represents a party any of whose candidates for presidential elector received votes at the last preceding election at which presidential electors were selected.

(2) An exception relates to political campaigns within, or in communities adjacent to, the District of Columbia, or in communities the majority of whose voters are employees of the Federal government. Communities to which the exception applies are specifically designated by the Office of Personnel Management. Information regarding the localities and the conditions under which the exceptions are granted may be obtained from personnel offices or the Department Counselor or deputy counselors.

(b) A covered employee is permitted to:

(1) Register and vote in any election;

(2) Express his or her opinion as an individual citizen privately and publicly on political subjects and candidates;

(3) Display a political picture, sticker, badge or button;

(4) Participate in the nonpartisan activities of a civic, community, social, labor, or professional organization, or of a similar organization;

(5) Be a member of a political party or other political organization and participate in its activities to the extent consistent with law;

(6) Attend a political convention, rally, fund raising function; or other political gathering;

(7) Sign a political petition as an individual citizen;

(8) Make a financial contribution to a political party organization;

(9) Take an active part, as an independent candidate, or support of an independent candidate, in a partisan election in localities identified as permissible for such activities by the Office of Personnel Management;

(10) Take an active part, as a candidate or in support of a candidate, in a nonpartisan election;

(11) Be politically active in connection with a question which is not specifically identified with a political party, such as a constitutional amendment, referendum, approval of a municipal ordinance or any other question or issue of a similar character;

(12) Serve as an election judge or clerk, or in a similar position to perform nonpartisan duties as prescribed by State or local law; and

(13) Otherwise participate fully in public affairs, except as prohibited by law, in a manner which does not materially compromise his or her efficiency or integrity as an employee or the neutrality, efficiency, or integrity of his or her agency.

(c) The head of a principal operating component may prohibit or limit the participation of an employee or class of employees of his or her component in an activity permitted by paragraph (b) of this section, if participation in the activity would interfere with the efficient performance of official duties, or create a conflict or apparent conflict of interest.

§73.735-603 Prohibited activities.

(a) The following are prohibited activities:

- (1) Serving as an officer of a political party, a member of a national, State or local committee of a political party, an officer or member of a committee of a partisan political club, or being a candidate for any of these positions;
- (2) Organizing or reorganizing a political party organization or political club;
- (3) Directly or indirectly soliciting, receiving, collecting, handling, disbursing, or accounting for assessments, contributions, or other funds for a partisan political purpose or in connection with a partisan election;
- (4) Organizing, selling tickets to, seeking support for, or actively participating in a fund-raising activity of, a political party or political club;
- (5) Taking an active part in managing the political party campaign of a candidate for public office or political office;
- (6) Being a candidate for, or campaigning for, an elective public office, except as permitted in §73.735-602(b)(9);
- (7) Taking an active part in an organized solicitation of votes in support of or in opposition to a candidate for public office or political party office;
- (8) Acting as recorder, watcher, challenger, or similar officer at the polls on behalf of a political party or candidate in a partisan election;
- (9) Driving voters to the polls on behalf of a political party or a candidate in a partisan election;
- (10) Endorsing or opposing a candidate in a partisan election in a political advertisement, a broadcast, campaign literature, or similar material;
- (11) Serving as a delegate, alternate, or proxy to a political party convention;
- (12) Addressing a State or national convention or caucus, or a rally or similar gathering of a political party, in support of or in opposition to a candidate for public or political party office, or on a partisan political question; and
- (13) Initiating or circulating a nominating petition for a candidate in a partisan election.

(b) In addition, certain political activities are prohibited by Federal criminal law:

- (1) Officers and employees may not directly or indirectly solicit or receive, or be in any way involved in soliciting or receiving, any assessment, subscription or contribution for any political purpose whatever from another officer or employee. This prohibition extends to one who acts as a mere agent or messenger for the purpose of turning the contribution over to a political organization. 18 U.S.C. 602.
- (2) All persons, whether employees or not, are prohibited from soliciting in any manner, or receiving a contribution of, money or a thing of value, in any room or building occupied in the discharge of official duties by any officer or employee of the United States. 18 U.S.C. 603. This prohibition extends to the sending of a letter soliciting political contributions for delivery in a Government building.
- (3) No officer or employee may directly or indirectly give to any other officer, employee or person in the service of the United States, any money or other thing of value to be applied to the promotion of any political objective. 18 U.S.C. 607.
- (4) Discrimination for giving or withholding any contribution for any political purpose and discrimination based on political influence or recommendations is prohibited.

(c) Various other laws prohibit certain activities in connection with political campaigns and elections. They include:

- (1) Intimidating, threatening, or coercing voters in Federal elections (18 U.S.C. 594).
- (2) Using official authority in interfering with a Federal election by a person employed in any administrative position by the United States or by any department, independent establishment, or agency of the United States or by any State, agency, or political subdivision thereof in connection with any activity financed in whole or in part by Federal funds (18 U.S.C. 595).

(For a list of some offenses for which disciplinary action may be taken and "The Code of Ethics for Government Service," the violation of which may also result in disciplinary action, see Appendixes A and B of this Part).

(b) The type of disciplinary action to be taken must be determined in relation to the specific violation. Some types of disciplinary action which may be considered are:

An employee who has information which he or she reasonably believes indicates a possible offense against the United States by an employee of the Department, or any other individual working on behalf of the Department, shall immediately report such information to his or her supervisor, any management official, or directly to the Office of the Inspector General. Offenses covered by the preceding sentence include, but are not limited to, bribery, fraud, perjury, conflict of interest, misuse of funds, equipment, or facilities, and other conduct by a government officer or employee, grantee, contractor or other person which is prohibited by title 18 of the United States Code. Employees and supervisors should refer to chapter 5-10 of the Department's General Administration Manual for procedures regarding the reporting and handling of such information.

Special General Memorandum 95-4

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Public Health Service

Indian Health Service
Rockville MD 20857

SGM 95-4

JUN 1, 1995

TO: Indian Health Service Employees
FROM: Director
SUBJECT: Workplace Violence

I am fully committed to ensuring that the work environment for all Indian Health Service (IHS) employees is healthy, safe, and secure from acts or threats of violence. To accomplish this, I am establishing a zero tolerance policy on Workplace Violence (WPV) that applies equally to the behavior of all employees, contractors and others with whom we work.

Our work environment must be free from all forms of violence and acts of intimidation, including harassment, threats, altercations, or assault. You are reminded that such conduct by IHS employees will not be tolerated and known incidents should be reported immediately to management officials. I expect all employees to act in a manner that is respectful and courteous to the public, as well as to fellow employees.

The IHS is not a high-risk environment for WPV, but this Agency is not immune. Many of us work in environments where the risks for violence may be higher than in the traditional office setting. I have taken this position to heighten awareness and to assist in the prevention of violent incidents at all IHS facilities. To enforce this policy through Agency management officials, staff who commit or threaten violent acts or acts of intimidation in the workplace will be subject to governing policies and procedures for addressing employee misconduct. In addition, if warranted, misconduct will be referred to local police and legal authorities for possible action.

Agency collective bargaining officials (CBO) must provide a copy of this memorandum to unions and meet existing bargaining unit obligations before implementing WPV policy. I encourage CBOs to meet with existing bargaining unit representatives to develop a strong labor-management partnership to prevent WPV.

I urge you to join me and your co-workers in actively creating and supporting a work environment that is safe, supportive, and free from WPV. These are difficult and stressful times for many of us, so awareness and early intervention are critical steps in the prevention process. If you have any questions or need assistance, please contact your local human resources staff.

Memorandum

Received
JUN 16 1995

JUN 12, 1995

FROM: Assistant Secretary for Health
SUBJECT: Violence in the Workplace
TO: PHS Agency Heads
Acting Surgeon General
Deputy Assistant Secretaries for Health
PHS Agency Executive Officers
PHS Staff Office Directors
PHS Regional Health Administrators

The news media remind us almost daily that we live in an environment that is becoming increasingly more violent. Many of our employees have been exposed to violence or threats of violence in their daily lives, and a significant number are concerned about the potential for violence in the workplace. For these reasons, I believe it is important to set forth PHS policy on this subject.

Employees shall be protected as fully as possible from assaults, threats, intimidation, and harassment while at the work site. Thus, it is essential that we make clear to all PHS employees that violence, threats of violence, intimidating and otherwise similar disruptive behavior are unacceptable conduct that will not be tolerated. This policy also applies to contractors who are not employees but who work in PHS facilities.

In order to minimize the potential for violence in the workplace and to ensure that prompt corrective action can be taken when it does occur, anyone working in PHS facilities, who witnesses or becomes aware of threats or acts of violence from any source must immediately report what he/she has observed or learned to appropriate agency officials, as set forth below, and/or law enforcement authorities. Employees are also expected to cooperate fully in any subsequent investigations. We do not want employees to place themselves at unnecessary personal risk in dangerous situations; however, we expect them to make immediate contact with an agency official who can respond appropriately, such as a supervisor, security officer, EEO or human resource officials.

In turn, officials receiving these reports are required to immediately and appropriately act upon them.

If anyone observes a violent act or a threat posing imminent danger, his/her immediate response should be to call 911. Immediately thereafter, he/she should inform his/her supervisor and the appropriate security office.

Please distribute the attached policy statement to all employees in your organization and ensure that the issue of workplace violence and this policy are discussed in staff meetings so that any questions or concerns about implementation of the policy can be promptly addressed. The implementation of a comprehensive PHS Workplace Violence Prevention Program is a priority for me, and all employees, supervisors and managers are expected to support this initiative on a continuing basis. A PHS task force, comprised of representatives of a variety of disciplines from all PHS agencies, has been convened for this purpose. The task force will develop a plan of action to address this critical issue in detail.

Our intention is to make the workplace safe where dignity, respect, and fairness are basic human rights. PHS employees, who commit or threaten to commit violent acts or acts of intimidation against anyone in the workplace, will be disciplined in accordance with governing policies and procedures for addressing employee misconduct and/or referred for action as appropriate under local and state law.

Collective Bargaining Officials should provide a copy of the PHS policy statement and this memorandum to recognized unions. Any obligation to negotiate must be satisfied before distributing or implementing the policy within existing bargaining units.

MEMORANDUM

Aberdeen Area
Indian Health Service
Federal Building, Room 309
115 4th Ave. SE
Aberdeen, SD 57401

AUG - 8 2013

DATE:

TO: All Aberdeen Area Civil Service Employees and Commission Corps Officers
All Contractors, Volunteers and Other Providers

FROM: Acting Area Director

SUBJECT: Courtesy and Respect in the Workplace Policy

The single most important thing we can offer our patients, customers and coworkers is courtesy and respect in our daily interactions.

No matter what your job title, grade, duties or responsibilities are, your number one job is to perform those duties and responsibilities in a manner that is consistent with the standards of conduct outlined in the Department's Standards of Conduct, Subpart C - Conduct on the Job, 73.735-301 Courtesy and consideration for others. This Subpart reads as follows:

- (a) An employee's conduct on the job is, in all respects, of concern to the Federal Government. Courtesy, consideration, and promptness in dealing with the public must be shown in carrying out official responsibilities, and actions which deny the dignity of individuals or conduct which is disrespectful to others must recognize that inattention to matters of common courtesy can adversely affect the quality of service the Department is responsible for providing.
- (b) Of equal importance is the requirement that courtesy is shown in daily interaction with coworkers. Employees shall be polite to and considerate of other employees and shall respect their needs and concerns in the work environment.

I expect each individual who works for the Aberdeen Area IHS to adhere to these requirements. I expect each supervisor and/or manager to hold their subordinates responsible for meeting this standard and taking appropriate corrective action when individuals violate it. I also expect management to take appropriate corrective action when first line supervisors fail to exercise their supervisory responsibilities.

While I am emphasizing only one of the sections under Subpart C, I expect each supervisor and manager to become familiar with the entire subpart. I also expect each supervisor to assure that anyone over whom they exercise supervisory control is knowledgeable of and adhere to all aspects of the Standards of Conduct. You may access a copy of the HHS Standards of Conduct by following this link: <http://ethics.od.nih.gov/lawreg/hhs-resid-std.htm#301>

I am issuing this policy memorandum to demonstrate my commitment to assuring courtesy, respect and dignity in the work place. Everyone from patients, clients, customers and employees have the right to expect a professional environment when they walk through the doors of any Aberdeen Area IHS facility.

This memorandum is to be distributed "desk to desk" with supervisors assuring that each employee, officer, contractor and/or volunteer has knowledge of it and initials a copy of the memorandum. Chief Executive Officer and Division Directors are to assure that this memorandum is posted in appropriate places in plain sight of anyone entering their work area.

If you have questions or need assistance, you may contact the Regional Human Resource Office, Employee /Labor Relations staff by calling (605) 226-7553.

INDIAN HEALTH SERVICE CIRCULAR NO. 2016-04

Effective Date: July 28, 2016

MANDATORY SEASONAL INFLUENZA IMMUNIZATIONS FOR THE CIVILIAN HEALTH
CARE PERSONNEL

Sec.

1. [Purpose](#)
2. [Background](#)
3. [Policy](#)
4. [Definitions](#)
5. [Procedures](#)
6. [Compliance](#)
6. [Supersedure](#)
7. [Effective Date](#)

1. Purpose. This circular establishes the Indian Health Service (IHS) policy requiring mandatory seasonal influenza immunizations for civilian health care personnel working in IHS health care facilities.
2. Background. Influenza vaccination for health care facility staff and licensed independent practitioners is a major patient safety issue in the United States and is an important component of comprehensive infection control programs. Individuals who become infected are contagious at least one day before any signs or symptoms of influenza appear, and therefore these individuals can infect others without knowing they are contagious.
3. Policy. All Civil Service employees, contract staff, temporary employees, students, and volunteers who work in an IHS health care facility, must receive a seasonal influenza vaccination by October 31 of each year or have on file a valid medical or religious exemption. The vaccination deadline may be extended if seasonal influenza vaccine supply is inadequate or sufficiently protracted to preclude timely vaccination. Commissioned Corps Officers of the United States Public Health Service (PHS) are already required to obtain their annual seasonal influenza immunization (per Manual Circular - Commissioned Corps Personnel - PHS No. 377, Subchapter CC26.1 Instruction 8, PHS Readiness Standards).
4. Definitions.
 - A. Health Care Personnel. All Civil Service employees, contract staff, temporary employees, students, and volunteers whose duties and responsibilities require them to work permanently, temporarily or occasionally in an IHS health care facility are considered Health

Care Personnel (HCP) for the purposes of this policy, regardless of their job category or level of patient contact.

B. Health Care Facility. Any Federal IHS hospital, clinic, or health station.

5. Procedures.

A. Documentation. All HCP must provide acceptable documentation substantiating influenza vaccine receipt or request for exemption within 2 calendar weeks following issuance of this circular and by Oct. 31 annually in subsequent years. Personnel routinely charged with infection control and/or employee health responsibilities at the facility are responsible for maintaining records of employee vaccination, medical exemption, or religious exemption as part of the employee health record.

1. Receipt of Influenza Vaccine

a. Influenza Vaccine Administered Within IHS Facilities. Influenza vaccine will be offered free of charge to all HCP working in IHS health care facilities every influenza season. At the time of vaccination, the following information should be recorded in the employee health record: the date of administration, vaccine formulation (i.e., brand), vaccine manufacturer, dose volume, anatomic site of administration, vaccine lot and expiration date, and name of the provider administering the vaccine. Upon request, employees may be provided written documentation of the influenza vaccination.

b. Influenza Vaccine Administered Outside IHS Facilities. Any HCP who receive influenza vaccine elsewhere must provide written proof of vaccination that documents the date of vaccination, vaccine formulation (i.e., brand), and name of provider administering the vaccine. This information will be filed along with any additional documentary proof of vaccination as part of the employee health record.

2. Request for Exemption

a. Medical Exemption from Influenza Vaccination. A request for medical exemption from influenza vaccination may be approved for any person contraindicated to receive influenza vaccine as outlined by Advisory Committee on Immunization Practices (ACIP) recommendations (see link below). (<http://www.cdc.gov/flu/professionals/vaccination/index.htm>) Based on current recommendations, valid medical exemptions for influenza vaccines include a history of severe allergic reaction to any component of the influenza vaccine, including egg protein, or serious allergic reaction to a previous dose of influenza vaccine. History of Guillain-Barré Syndrome (GBS) onset within 6 weeks following a prior influenza vaccine is a precaution for influenza vaccination, and may be considered a valid medical exemption if a medical provider determines the influenza vaccination poses a risk to the patient.

i. Procedure for requesting a medical exemption. All HCP requesting medical exemption from influenza vaccination must provide documentation, signed by a licensed, independent health care practitioner, affirming that a valid medical contraindication exists that precludes influenza vaccination. Personnel routinely charged with infection control and/or employee health responsibilities at the facility will be designated to receive, review, approve/deny medical exemption requests in accordance with current ACIP recommendations, and maintain suitable records to document requests and outcomes. Employees whose request for medical exemption is denied will receive written justification for the denial and must receive influenza vaccination within 2 calendar weeks of the denial notification.

ii. Renewal. Employees with an approved medical exemption must provide a signed statement by October 31st annually reaffirming that the previously approved medical contraindication continues to

preclude vaccination. Such statements and other supporting documentation (e.g., statement from employee's medical provider) will be retained as part of the employee's health record.

- b. Religious Exemption from Influenza Vaccination. Any HCP who feel their religious beliefs preclude influenza immunization may request an exemption from influenza vaccination.

Procedure for requesting religious exemption. Any HCP who feel their religious beliefs preclude influenza immunization must submit a signed, written statement justifying the request by October 31st annually for review. Personnel routinely charged with infection control and/or employee health responsibilities at the facility will be designated to receive, review, approve/deny requests for religious exemption, and maintain suitable records to document requests and outcomes. Supporting statements and approval of religious exemption requests from influenza vaccination will be maintained as part of the employee health record.

- c. Appeal of denials.

- i. Medical exemption requests. Review and adjudication of appeals will be conducted by the facility Clinical Director or Service Unit Chief Medical officer. Secondary appeals can be made to the Area Chief Medical Officer. Third and final level of appeals can be made to the IHS Chief Medical Officer or their designee.
- ii. Religious exemption requests. Review and adjudication of appeals will be conducted by the facility's Chief Executive Officer. Secondary appeals can be made to the Area Director. Third and final level of appeals can be made to the IHS Chief Medical Officer or their designee.

3. Approved Exemption. Unvaccinated HCP with an approved medical or religious exemption must wear an IHS-provided surgical or similar mask when working in patient care areas or other areas frequented by patients in an IHS health care facility during the influenza season. Influenza season is typically defined as November through March, though may include other periods of increased levels of influenza activity as determined by the Centers for Disease Control and Prevention and/or state public health authorities. All HCP with an approved medical or religious exemption are required to receive annual instruction from appropriate infection control staff at the facility on the proper use of masks and other infection control measures relevant for preventing influenza infection.

6. Compliance. Health care personnel who refuse to comply with this policy and do not have an approved medical or religious exemption are subject to disciplinary action in accordance with Department of Health and Human Services and/or IHS policy and relevant sections of collective bargaining agreements as applicable. Employee refusal to comply with this policy will be documented and filed as part of the employee health record.
7. Superseding. This circular supersedes IHS SGM 2015-03, dated September 3, 2015.
8. Effective Date. This circular becomes effective on the date of signature.

***Workers in this classification may be entitled to a higher minimum wage under Executive Order 14026 (\$16.20 per hour) or 13658 (\$12.15 per hour). Please see the Note at the top of the wage determination for more information. Please also note that the minimum wage requirements of Executive Order 14026 and 13658 are not currently being enforced as to contracts or contract-like instruments entered into with the federal government in connection with seasonal recreational services or seasonal recreational equipment rental for the general public on federal lands.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors, applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is the victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$4.80 per hour, up to 40 hours per week, or \$192.00 per week or \$832.00 per month

HEALTH & WELFARE EO 13706: \$4.41 per hour, up to 40 hours per week, or \$176.40 per week, or \$764.40 per month*

*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706, Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; 3 weeks after 8 years, 4 weeks after 15 years, and 5 weeks after 20 years.

Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of eleven paid holidays per year: New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Juneteenth National Independence Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: This wage determination does not apply to any individual employed in a bona fide executive, administrative, or professional capacity, as defined in 29 C.F.R. Part 541. (See 41 C.F.R. 6701(3)). Because most Computer Systems Analysts and Computer Programmers who are paid at least \$27.63 per hour (or at least \$684 per week if paid on a salary or fee basis) likely qualify as exempt computer professionals under 29 U.S.C. 213(a)(1) and 29 U.S.C. 213(a)(17), this wage determination may not include wage rates for all occupations within those job families. In such instances, a conformance will be necessary if there are nonexempt employees in these job families working on the contract.

Job titles vary widely and change quickly in the computer industry, and are not determinative of whether an employee is an exempt computer professional. To be exempt, computer employees who satisfy the compensation requirements must also have a primary duty that consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or

modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

Any computer employee who meets the applicable compensation requirements and the above duties test qualifies as an exempt computer professional under both section 13(a)(1) and section 13(a)(17) of the Fair Labor Standards Act. (Field Assistance Bulletin No. 2006-3 (Dec. 14, 2006)). Accordingly, this wage determination will not apply to any exempt computer employee regardless of which of these two exemptions is utilized.

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

**** HAZARDOUS PAY DIFFERENTIAL ****

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary

affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

**** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS ****

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition (Revision 1), dated September 2015, unless otherwise indicated.

**** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE, Standard Form 1444 (SF-1444) ****

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract, a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
- 2) After contract award, the contractor prepares a written report listing in order the proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the U.S. Department of Labor, Wage and Hour Division, for review (See 29 CFR 4.6(b)(2)(ii)).
- 4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.
- 5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request, the ""Service Contract Act Directory of Occupations"" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1))."
