

SCHEDULE B
SUPPLIES OR SERVICES AND PRICES

Contractor Name:

Date:

Solicitation Number: 12445122R0041

The intent of this section is to explain, in general, what is included in each contract line item, limits or cut-off points where one item ends and another begins. If no item exists for a portion of the work, include the costs in a related line item.

The items indicated by letter under each line item are for properly allocating the work to a contract line item.

Provide a detailed breakdown of the line-item pricing following the requirements listed in Section 012000 - Price and Payment Procedures (attach excel spreadsheet).

Submission Requirement: The intent of this section is to explain, in general, what is included in each contract line item, limits or cut-off points where one item ends and another begins. If no item exists for a portion of the work, include the costs in a related line item

Minimum Requirement:

Provide work breakdown in a format that coincides with proposed Schedule of Values that will serve as the basis for payment requests.
