SUBJECT: FA460823QC055 – Rolling Tool Kits, Amendment 02

1. The purpose of this amendment is to update the equipment list found in the list of attachments. This document will be saved under "Attachment 1 - Equipment List (Amended)".
2. Multiple questions have been submitted asking for clarifications or additional specifications on the equipment being requested. This amendment will update the equipment list to reflect the part numbers of the tools currently being utilized. This is **NOT** a brand name requirement, however, the part numbers provided can be used for reference. Quotes that are submitted should reflect similar or "or equal" items to those listed in the attachment.
