

The 341st Contracting Squadron, Malmstrom AFB, MT intends to award a sole source contract to Mid Mountain Boiler & Steam, for heat plant generator tube repair services for the “Heat Plant Generator #1 Tube Repair” project at Malmstrom AFB, MT, IAW FAR Part 6.302-1, **Only One Responsible Source**. Mid Mountain previously completed heat plant tube inspection and repair services at Malmstrom AFB in 2022 for three separate requirements. Consequently, Mid Mountain has on-site knowledge and expertise of Malmstrom's heat plant system. Thus, Mid Mountain Boiler & Steam is the only responsible source that can immediately satisfy the Government's requirement.

**THIS NOTICE OF INTENT IS NOT A REQUEST FOR COMPETITIVE PROPOSALS.** No solicitation document is available and telephone requests will not be honored. No award will be made based on quotes or offers received in response to this notice. The NAICS code for this requirement is 238220.

Interested parties may identify their interest and capabilities to meet this requirement by **2PM MST on 05 June 2023**. Additionally, any response to this notice must show clear, compelling, and convincing evidence that competition will be advantageous to the Government. The intent of this notice is for informational purposes only. No reimbursement for any costs connected with providing capability information will be provided.
