

IP CERTIFICATION

(Contractor) certifies that the documents as submitted herewith can be released to prospective bidders for the sole purpose of providing a proposal for any successor competitions for the Holston Army Ammunition Plant. It is the Contractor's responsibility to ensure that the documents do not include any proprietary data. Should proprietary information be included within the documents to be released, the below signature, as part of this certification release, waives any and all rights for claims and causes of action attributed to such facts and circumstances giving rise to or resulting from this release. As acknowledgement that the Contractor agrees to the release of the documents as submitted, an authorized representative of your firm shall execute this certification and return it, along with the necessary documents, to the undersigned by (date).

Signature: _____

Name of Representative: _____

Title: _____

Date: _____

Additionally, as the Government receives rights in new technical data pursuant to Narrative H0001, the undersigned may seek subsequent copies of such technical data during the course of the HSAAP competition. Requests will be made on a case by case basis subject to the same conditions described herein.
