2. DEPARTMENT OF THE INTERIOR ACQUISITION REGULATION (DIAR) CLAUSES

1452.280-2 Notice of Indian Economic Enterprise Set-Aside (FEB 2021)

(a) Definitions as used in this clause.

Alaska Native Claims Settlement Act (ANCSA) means Public Law 92-203 (December 18, 1971), 85 Stat. 688, codified at 43 U.S.C. 1601-1629h.

Indian means a person who is an enrolled member of a Federally Recognized Indian Tribe.

Indian Economic Enterprise means any business activity owned by one or more Indians or Federally Recognized Indian Tribes, provided that:

(i) The combined Indian or Federally Recognized Indian Tribe ownership of the enterprise shall constitute not less than 51 percent;

(ii) The Indians or Federally Recognized Indian Tribes shall, together, receive at least 51 percent of the earnings from the contract; and

(iii) The management and daily business operations of an Indian Economic Enterprise must be controlled by one or more individuals who are Indians. To ensure actual control over the enterprise, the individuals must possess requisite management or technical capabilities directly related to the primary industry in which the enterprise conducts business. Management of Tribally owned Indian Economic Enterprises may be provided by:

(A) Committees, teams, or Boards of Directors which are controlled by one or more members of Tribe, or;

(B) Non-Tribal members if the enterprise can demonstrate that the Tribe can hire and fire those individuals, that it will retain control of all management decisions common to Committees, teams, or Boards of Directors. Common management decisions, include strategic planning, budget approval, and the employment and compensation of officers. A written management development plan must also exist which shows how Tribal members will develop managerial skills sufficient to manage the enterprise or similar enterprises in the future.

The enterprise must meet the requirements of (i) through (iii) throughout the following time periods:

(1) At the time an offer is made in response to a written solicitation;

(2) At the time of contract award; and,

(3) During the full term of the contract.

Solicitation No. 140A2323Q0075	Project Title Environmental Sensors, Flandreau Indian School	Page 14 of 33
--	--	----------------------

Federally Recognized Indian Tribe means an Indian Tribe, band, nation, or other Federally recognized group or community on the List of Federally Recognized Tribes. This definition includes any Alaska Native regional or village corporation under the Alaska Native Claims Settlement Act (ANCSA).

Representation means the positive statement by an enterprise of its eligibility for preferential consideration and participation for acquisitions conducted under the Buy Indian Act, 25 U.S.C. 47, in accordance with the procedures in Subpart 1480.8.

(b) General.

(1) Under the Buy Indian Act, offers are solicited only from Indian Economic Enterprises.

(2) The Contracting Officer (CO) will reject all offers received from ineligible enterprises.

(3) Any award resulting from this solicitation will be made to an Indian Economic Enterprise, as defined in paragraph (a) of this clause.

(c) Required Submissions. In response to this solicitation, an offeror must also provide the following:

(2) Qualifications of the key personnel (if any) that will be assigned to the contract.

(d) Required Assurance. The offeror must provide written assurance to the CO that the offeror is and will remain in compliance with the requirements of this clause. It must do this before the CO awards the Buy Indian contract and upon successful and timely completion of the contract, but before the CO accepts the work or product.

(e) Non-responsiveness. Failure to provide the information required by paragraphs (c) and (d) of this clause may cause the CO to find an offer non-responsive and reject it.

(f) Eligibility.

(1) Participation in the Mentor-Protégé Program established under section 831 of the National Defense Authorization Act for Fiscal Year 1991 (25 U.S.C. 47 note) does not render an Indian Economic Enterprise ineligible for contracts awarded under the Buy Indian Act.

(2) If a contractor no longer meets the definition of an Indian Economic Enterprise after award, the contractor must notify the CO immediately and in writing. The notification must include full disclosure of circumstances causing the contractor to lose eligibility status and a description of any actions that the contractor will take to regain eligibility. If the contract is unable to regain eligibility, then the contractor must revise its the representations and certifications in the System for Award Management. Failure to give the CO immediate written notification means that:

(i) The economic enterprise may be declared ineligible as an IEE for future contract awards under this part; and

(ii) The CO may consider termination for default if it is in the best interest of the government.

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at [9.104-5\(a\)\(2\)](#) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

Solicitation No. 140A2323Q0075	Project Title Environmental Sensors, Flandreau Indian School	Page 28 of 33
--	--	----------------------

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

The offeror will also be promptly notified of the request and given an opportunity to provide additional evidence and argument in support of its position, unless administratively unfeasible to do so. If it is determined that information claimed by the offeror to be trade secret information or confidential commercial or financial information is not exempt from disclosure under the Freedom of Information Act, the offeror will be notified of this determination prior to disclosure of the information.

(f) The Government assumes no liability for the disclosure or use of information contained in a proposal if not marked in accordance with paragraphs (b) and (c) of this provision. If a request under the Freedom of Information Act is made for information in a proposal not marked in accordance with paragraphs (b) and (c) of this provision, the offeror concerned shall be promptly notified of the request and given an opportunity to provide its position to the Government. However, failure of an offeror to mark information contained in a proposal as trade secret information or confidential commercial or financial information will be treated by the Government as evidence that the information is not exempt from disclosure under the Freedom of Information Act, absent a showing that the failure to mark was due to unusual or extenuating circumstances, such as a showing that the offeror had intended to mark, but that markings were omitted from the offeror's proposal due to clerical error.
