NOAA CONTRACT LANGUAGE

1330-52.232-72 NOAA Transition to the Invoice Processing Platform Electronic Invoicing System (FEB 2023)

Beginning October 1, 2023, when NOAA implements the Department of Commerce Business Applications Solution, the Contractor must submit payment requests electronically through the U.S. Department of the Treasury's Invoice Processing Platform (the IPP) System. The Contractor must use the IPP website to register, access, and submit payment requests. The IPP website address is <https://www.ipp.gov>.

"Payment request" means any request for contract financing payment or invoice payment to the Contractor. To be considered proper, invoices must be prepared in accordance with, and contain all elements specified in, the contract payment clause (e.g., FAR 52.212-4(g), FAR 52.232-25(a)(3), FAR 52.232-26(a)(2), FAR 52.232-27(a)(2)). All supporting documents required by the Contracting Officer must be included as attachments to payment requests submitted through the IPP.

If the Contractor is unable to comply with the requirement to submit payment requests through the IPP due to a threat to national security; a matter of unusual or compelling urgency; or because the political, financial, or communications infrastructure of a foreign country does not support access to the IPP, the Contractor must request an exception in writing. Contact the Contracting Officer for more information about requesting an exception.

1330-52.237-70 Contractor Communications (APR 2010)

- a) A contractor employee shall be identified both by the individual's name and the contractor's name when:
 - Included in NOAA's locator, and
 - When submitting any type of electronic correspondence to any NOAA employee or stakeholder.
- b) Any written correspondence from a contractor or any contractor employee shall be printed on company/organization letterhead or otherwise clearly identify the sender as an employee of the company or organization and shall identify the contract number.
- c) Contractors and/or contractor employees shall clearly identify themselves as such in any verbal communications, whether in informal discussion or a formal meeting.

1330-52.237-72 Contractor Access to NOAA Facilities (SEPT 2017)

(a)(1) The performance of this contract requires employees of the prime contractor or its subcontractors, affiliates, consultants, or team members (“contractor employees”) to have access to, and to the extent authorized, mobility within, a NOAA facility.

(2) NOAA may close and or otherwise deny contractor employees access to a NOAA facility for a portion of a business day or longer for various reasons including, but not limited to, the following events:

(i) Federal public holidays for federal employees in accordance with 5 U.S.C. 6103;

(ii) Fires, floods, earthquakes, and unusually severe weather, including but not limited to snow storms, tornadoes, and hurricanes;

(iii) Occupational safety or health hazards;

(iv) Lapse in Appropriations; or

(v) Federal Statute, Executive Order, Presidential Proclamation, or any other unforeseen reason.

(3) In such events, the contractor employees may be denied access to a NOAA facility that is ordinarily available for the contractor to perform work or make delivery, as required by the contract.

(b) In all instances where contractors are denied access or required to vacate a NOAA facility, in part or in whole, the contractor shall be responsible to ensure contractor personnel working under the contract comply. If the circumstances permit, the contracting officer will provide direction to the contractor, either directly or through the Contracting Officer’s Representative (COR), which could include continuing on-site performance during the NOAA facility closure period; however, if Government oversight is required and is not available, on-site performance shall not be allowed.

In the absence of such direction, the contractor shall exercise sound judgment to minimize unnecessary contract costs and performance impacts, for example, performing required work offsite if possible or reassigning personnel to other activities if appropriate.

(c) The contractor shall be responsible for monitoring the Office of Personnel Management at www.opm.gov, the local radio, television stations, NOAA web sites, and other communication channels. Once the facility is accessible, the contractor shall resume contract performance as required by the contract.

(d) For the period that NOAA facilities were not accessible to contractors who required access in order to perform the services, the contracting officer may—

(1) Adjust the contract performance or delivery schedule for a period equivalent to the period the NOAA facility was not accessible;

(2) Forego the work; or

(3) Reschedule the work by mutual agreement of the parties.

(e) Notification procedures of a NOAA facility closure, including contractor denial of access, are as follows:

(1) The contractor shall be responsible for notification of its employees of the NOAA facility closure to include denial of access to the NOAA facility. The dismissal of NOAA employees in accordance with statute and regulations providing for such dismissals shall not, in itself, equate to a NOAA facility closure in which contractors are denied access. Moreover, the leave status of NOAA employees shall not be conveyed or imputed to contractor personnel. Accordingly, unless a

NOAA facility is closed and the contractor is denied access to the facility, the contractor shall continue performance in accordance with the contract.

(2) Access to Government facilities and resources, including equipment and systems, will be limited and personnel necessary to administer contract performance may not be available. Generally, supply and service contracts that are funded beyond the date of the lapse in appropriation and do not require access to Government facilities, active administration by Government personnel or the use of government resources in a manner that would cause the government to incur additional obligations during the lapse in appropriation may continue. If a delivery date for a contract falls during the period of a lapse in appropriations, Government personnel may not be available to receive delivery. Contractors are directed to consult with a contracting officer before attempting to make a delivery. Contracting officers will be available throughout the lapse in appropriation period to provide guidance.

Once OMB guidance is given, CORs, in consultation with the contracting officer, will notify those contractors that are deemed by the Program Office to be performing excepted work and identify the contractor personnel requiring access to NOAA facilities. CORs will also coordinate with directly with facility management or physical security personnel at respective locations to ensure that the names of contractor personnel requiring access to government facilities during the lapse in appropriations are provided to physical security personnel.

Contractors who are not designated as performing excepted work are not allowed access to Government facilities or to utilize government resources in a manner that would incur any additional obligation of funding on behalf of the government during the lapse in appropriation.

(3) Unless otherwise specified within the contract award, contractors requiring access to NOAA facilities outside normal business hours or outside the normal workweek shall submit a written request in writing through the COR to the contracting officer. The written request shall provide justification supporting the required access and be submitted 72 hours before access to the NOAA facility is needed.

(End of Solicitation and Contract Language)

1330-52.242-70 Submittal of Invoices (FEB 2011)

The contractor shall prepare and submit an invoice to the Administrative Support Assistant (ASA) identified in the Statement of Need for approval [with a copy to the contracting officer for information]. All invoices shall be submitted by the 10th day of the subsequent month.

To constitute a proper invoice, the contractor's invoice shall be prepared in accordance with, and contain all elements specified in the paragraph titled, "Contractor's Invoice," of the applicable prompt payment provision of the contract (e.g., FAR 52.232-25, Prompt Payment; FAR 52.232-26, Prompt Payment for Fixed-Price Architect Engineer Contracts; or FAR 52.232-27, Prompt Payment for Construction Contracts). For contracts and orders for commercial items and services, paragraph (g) of FAR 52.212-4, titled, "Invoices," applies.

If the invoice does not comply with the applicable prompt payment provision of the contract, the POC will return it to the contractor within seven days after the date the designated office received the invoice along with a statement as to the reasons why it is not a proper invoice.

(End of Solicitation and Contract Language)

1330-52.243-70 Requests for Equitable Adjustment (OCT 2017)

(a) The amount of any request for equitable adjustment to contract terms shall accurately reflect the contract adjustment for which the contractor believes the Government is liable. The request shall include only costs for performing the change. All indirect costs included in the request shall be properly allocable to the change in accordance with applicable acquisition regulations.

(b) Any request for equitable adjustment to contract terms that exceeds the simplified acquisition threshold shall bear, at the time of submission, the following certificate executed by an individual authorized to certify the request on behalf of

the Contractor:

I certify that the request is made in good faith, and that the supporting data are accurate and complete to the best of my knowledge and belief.

(Official's Name)

(Title)

- (c) The certification in paragraph (b) of this clause requires full disclosure of all relevant facts, including:
1. Certified cost or pricing data, if required, in accordance with subsection 15.403-4 of the Federal Acquisition Regulation (FAR); and
 2. Data other than certified cost or pricing data, in accordance with subsection 15.403-3 of the FAR, including actual cost data and data to support any estimated costs, even if certified cost or pricing data are not required.
- (d) The certification requirement in paragraph (b) of this clause does not apply to:
1. Requests for routine contract payments; for example, requests for payment for accepted supplies and services, routine vouchers under a cost-reimbursement type contract, or progress payment invoices; or
 2. Final adjustments under an incentive provision of the contract.

(End of solicitation and contract language)

1330-52.270-304 NOAA Acquisition and Grants Office Ombudsman (Oct 2022)

(a) The NOAA AGO Ombudsman is available to organizations to promote responsible and meaningful exchanges of information. Generally, the purpose of these exchanges will be to:

1. Allow contractors to better prepare for and propose on business opportunities.
2. Advise as to technologies and solutions within the marketplace that the Government may not be aware of, or is not fully benefiting.
3. Identify constraints in transparency.

(b) The AGO Ombudsman will objectively, reasonably, and responsibly collaborate with parties and recommend fair, impartial, and constructive solutions to the matters presented to him/her. Further, the AGO Ombudsman will maintain the reasonable and responsible confidentiality of the source of a concern, when such a request has been formally made by an authorized officer of an organization seeking to do business with, or already doing business with NOAA.

(c) Before consulting with the AGO Ombudsman, interested parties must first address their concerns, issues, disagreements, and/or recommendations with the respective contracting officer for resolution. However, direct access to the AGO Ombudsman may be sought when an interested party questions the objectivity or equity of a contracting officer's decision, or when there is a bona fide reason to believe that reasonable, responsible, and objective consideration will not be received from an assigned contracting officer.

(d) There are several constraints to the scope of the AGO Ombudsman's authority, for instance:

1. Consulting with the AGO Ombudsman does not alter or postpone the timelines of any formal process (e.g., protests, claims, debriefings, employee employer actions, activities involving A76 competition performance decisions, judicial or congressional hearings, or proposal, amendment, modification, or deliverable due dates).
2. The AGO Ombudsman cannot participate in the evaluation of proposals, source selection processes, or the adjudication of protests or formal contract disputes.
3. The AGO Ombudsman is not authorized to generate or alter laws, judicial decisions, rules, policies, or formal guidance.

4. The AGO Ombudsman is not authorized to develop or alter opportunity announcements, solicitations, contracts, or their terms or conditions.
5. The AGO Ombudsman cannot overrule the authorized decisions or determinations of the contracting officer.
6. The AGO Ombudsman has no authority to render a decision that binds AGO, NOAA, the Department of Commerce, or the U.S. Government.
7. The AGO Ombudsman is not NOAA's agent relative to the service of magistrate or judicial process and cannot be used to extend service of process to another party (whether federal, public, or a private entity).

(e) After review and analysis of a filed concern or recommendation, the AGO Ombudsman may refer the interested party to another more suitable Federal official for consideration. Moreover, concerns, disagreements, and/or recommendations that cannot be resolved by the AGO Ombudsman will need to be pursued through more formal venues.

(f) The AGO Ombudsman is not to be contacted to request copies of forms and/or documents under the purview of a contracting officer. Such documents include Requests for Information, solicitations, amendments, contracts, modifications, or conference materials.

(g) Questions regarding items (a) through (f) within this language shall be directed to ago.ombudsman@noaa.gov.

(d) *Comptroller General Examination of Record*. The Contractor shall comply with the provisions of this paragraph (d) if this contract was awarded using other than sealed bid, is in excess of the simplified acquisition threshold, and does not contain the clause at 52.215-2, Audit and Records—Negotiation.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor's directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter

period specified in FAR subpart 4.7, Contractor Records Retention, of the other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This does not require the Contractor to create or maintain any record that the Contractor does not maintain in the ordinary course of business or pursuant to a provision of law.

(e)(1) Notwithstanding the requirements of the clauses in paragraphs (a), (b), (c), and (d) of this clause, the Contractor is not required to flow down any FAR clause, other than those in this paragraph (e)(1), in a subcontract for commercial items. (2) While not required, the Contractor may include in its subcontracts for commercial items a minimal number of

additional clauses necessary to satisfy its contractual obligations.

(End of clause)

52.216-2 Economic Price Adjustment – Standard Supplies (NOV 2021)

(a) The Contractor warrants that the unit price stated in the Schedule for Line Item Number 0001 are not in excess of the Contractor's applicable established price in effect on the contract date for like quantities of the same item. The term "unit price" excludes any part of the price directly resulting from requirements for preservation, packaging, or packing beyond standard commercial practice. The term "established price" means a price that-

(1) Is an established catalog or market price for a commercial product sold in substantial quantities to the general public; and

(2) Is the net price after applying any standard trade discounts offered by the Contractor.

(b) The Contractor shall promptly notify the Contracting Officer of the amount and effective date of each decrease in any applicable established price. Each corresponding contract unit price shall be decreased by the same percentage that the established price is decreased. The decrease shall apply to those items delivered on and after the effective date of the decrease in the Contractor's established price, and this contract shall be modified accordingly.

(c) If the Contractor's applicable established price is increased after the contract date, the corresponding contract unit price shall be increased, upon the Contractor's written request to the Contracting Officer, by the same percentage that the established price is increased, and the contract shall be modified accordingly, subject to the following limitations:

(1) The aggregate of the increases in any contract unit price under this clause shall not exceed 10 percent of the original contract unit price.

(2) The increased contract unit price shall be effective-

(i) On the effective date of the increase in the applicable established price if the Contracting Officer receives the Contractor's written request within 10 days thereafter; or

(ii) If the written request is received later, on the date the Contracting Officer receives the request.

(3) The increased contract unit price shall not apply to quantities scheduled under the contract for delivery before the effective date of the increased contract unit price, unless failure to deliver before that date results from causes beyond the control and without the fault or negligence of the Contractor, within the meaning of the Default clause.

(4) No modification increasing a contract unit price shall be executed under this paragraph (c) until the Contracting Officer verifies the increase in the applicable established price.

(5) Within 30 days after receipt of the Contractor's written request, the Contracting Officer may cancel, without liability to either party, any undelivered portion of the contract items affected by the requested increase.

(d) During the time allowed for the cancellation provided for in paragraph (c)(5) of this clause, and thereafter if there is no cancellation, the Contractor shall continue deliveries according to the contract delivery schedule, and the Government shall pay for such deliveries at the contract unit price, increased to the extent provided by paragraph (c) of this clause.

(End of clause)

52.217-6 Option for Increased Quantity (MAR 1989)

The Government may increase the quantity of supplies called for in the Schedule at the unit price specified. The Contracting Officer may exercise the option by written notice to the Contractor within 15 days prior to the effective date of the exercised option. Delivery of the added items shall continue at the same rate as the like items called for under the contract, unless the parties otherwise agree.

(End of clause)
